

Let's Finish

MARY, MOTHER OF MERCY CHURCH

... for our children's children...

BUILDING BLOCKS CAMPAIGN

The response to our fundraising campaign has been heartening and with characteristic faith filled generosity. Thank you for your gifts thus far – they are deeply appreciated by our entire Parish community.

Now we need to “finish the furnishing” of the church.

Can you be a part of providing a legacy for future generations of Catholics?

Father Ken Howell
Parish Priest

PROGRESS UPDATE

The roof of Mary, Mother of Mercy Church is now fully installed, window frames are being fitted, and the fit out of the new parish offices is underway. The Parish function and meeting centre, which will provide space for parish meetings, functions, and youth gatherings, is almost complete. The St Vincent de Paul Centre will provide assistance in the work of the Society to the needy in our community. A coffee nook is planned and will be available during the day, especially at pick up time for our school families.

A unique Columbarium has been created on the lower level of the church, directly under the main altar. The Columbarium will provide a permanent resting place for Burleigh parishioners and families. A brochure is available with further information.

We are now taking bookings for weddings from late February 2017. Please contact our Parish Office on 55766 466.
