MARYMOUNT COLLEGE 2016 SCHEDULE OF FEES, LEVIES AND CHARGES
Approved by Burleigh Heads Parish 24 November 2015

(Note this schedule should be read in conjunction with the Marymount Schools Fee Policy)

Enrolment Fees for New Students

The following charges are payable with regards to the enrolment of a new student:

**Application Fee** – The fee for an Application for Enrolment is $150 (GST inclusive) and is payable upon lodgement of Application. This fee is non-refundable and non-transferable and is charged to cover the costs of administration.

**College Bond** – A College Bond of $380 is payable on acceptance of an offer of enrolment. This bond is fully refundable at the conclusion of the student’s education at the College subject to clearances on outstanding Fees, returned textbooks and laptop.

**Tuition Fees – per Student**

Tuition Fees are GST free and include all printed materials and workbooks, provision and use of equipment and resources, routine compulsory day excursions, retreats, magazine, student ID photograph, school handbook, graduation ceremony (excluding dinner) expenses, and all necessary costs in connection with the standard curriculum provision other than extraordinary costs relating to practical subjects. Note that a component of the Tuition Fees is also used to support the Capital Program, varying from year to year, depending on the extent of the College Capital Program. Note also that the eldest child in a multiple child family is considered the First student for discount purposes, and cascades thereafter.

**Information Technology Levy – per Student**

The Information Technology Levy of $600 per annum is GST free and payable on a per term basis at $150 per student to offset the costs of the 1 to 1 Laptop Computer Program. Students in years 7 and 10 are issued with a new MacBook Pro which remains with the student for three years.

Any laptop issued under this Program remains the property of the College unless the college transfers ownership. This is usually only available to graduating Year 12 students and Year 9 students for a nominal amount where laptops have reached end of life. In the event of damage to Student Laptops, parents will be required to contribute up to $320 towards the cost of repairs.

**Capital Levy – per Family**

The Capital Levy of $960 per annum is required to meet the costs of the Capital Program and to service Capital Loans. It is charged on a per family basis at the rate of $240 per term. As the Capital Levy is a compulsory GST free charge, Capital levy payments made are therefore NOT tax deductible. Marymount Primary families receive a 50% annual rebate of $480 per family on the Capital Levy.

**School Building Fund**

The College also maintains the operation of a School Building Fund for additional voluntary capital donations which are 100% tax deductible. Details are available from the Finance Office.
Parents and Friends Association Levy – per Family

The Parents and Friends Association Levy of $160 per annum and charged on a per family basis at $40 per term, is administrated by the College on behalf of the Parents and Friends Association. All funds collected by the College are forwarded to the Association to support their annual student projects and fundraising activities. Marymount Primary families receive a 50% annual rebate of $80 per family on the P&F Levy.

Subject Levies – per Student

Tuition Fees cover the cost of many subject electives other than the following where extraordinary costs are incurred in the subject offering:

- Year 11 and 12 Marine and Aquatic Studies – per student levy of $180 to be charged at $45 each term
- Year 11 Geography Levy – per student levy of $280 to be charged in Term 1

Optional Activities

Additional Charges apply for a number of Optional Activities offered by the College, including:

- Year 12 Formal – per student fee of $154 (including GST) to be charged in Term 2
- Year 12 Graduation – per student fee of $88 (including GST) to be charged in Term 4
- Year 10 Semi Formal – per student fee of $66 (including GST) to be charged in Term 4
- Co-Curricular Music Program – per student fee of $224 to be charged at $56 each term
- Term 4 Optional Sporting Activities – charges for Term 4 Recreational Sport will be advised to parents in Term 3 along with payment arrangements
- Year 12 Senior Jersey
- Confraternity Rugby League and QISSN Netball

Optional Tours

The College also offers optional extra curricular activities throughout the year such as the annual Ski Trip to Perisher and the biennial Trip to Japan. As these activities are considered non-compulsory, inclusion in these activities will only be permitted if the school fees and levies are up to date and paid in full.

Fees Accounts

Fees are invoiced on a per term basis, and payable four times per year with settlement required by the due date, generally within 14 days of issue of statement. Payments can be made by Bpay, credit card, debit card, cash and cheque. Payment plans are also available by way of Direct Debit or Credit Card authority. Details are available from the Finance Office.

Overdue Accounts

The College operates under a spirit of mutual obligation within our community, justice and respect between all families and the College. As a matter of respect to fellow families, the College is reliant upon families paying their fee accounts in accordance with the College's trading terms. Families who fall behind with their payments restrict the cash flow of the College, and as a consequence, compromise the delivery of educational programs to its students.

The College does, however, recognise that some families may experience some adverse financial circumstances from time to time. In these circumstances, families are encouraged to contact the College as soon as possible, in order to work out a revised plan. We ask that you keep us informed of your situation and keep communication lines open.

Concessions

Those parents who find themselves in financial difficulties may apply to the College for a fee concession. It is the responsibility of parents/guardians to contact the College’s Finance Department should such a concession be required. As concessions are not granted retrospectively, it is important that families make an appointment as soon as it becomes apparent there will be undue difficulty in paying the fee account.

Student Withdrawal

If a family makes a decision to withdraw a student from the College, one full term’s notice is requested in writing to the Principal of the College. If the requested notice is not given, up to one full term fees and levies may be charged in lieu of notice. Your financial commitment is an important part of the life of the College and we thank you for your support and involvement.
