MAJOR FUNDRAISER FOR 2018

The Art Show is the major fundraiser for 2018 for Marymount Primary and College.

Funds raised are shared between the P&F Associations of both schools and are used on projects that directly benefit our students, such as shade and seating, and to support students who are representing the school in sporting and academic pursuits.

FEATURE ARTIST

We are pleased to announce that Nic Plowman will be our second feature artist for the 2018 Marymount Art Show.

ARTIST STATEMENT

"I like to change my methods and mark making; to throw a spanner in the works...push the images and put them at risk. Sometimes, I am looking for meditation, other times for an argument." By doing this, Plowman creates a sense of movement in his work; reinforcing the dualities within his narratives and the representation of both memory and experience. "

ART SHOW JUDGE

John Maitland 's work is held in several private and corporate collections in Australia and overseas. He has shown in over thirty solo exhibitions. His work is expressive and figurative. Broad, sweeping brushstrokes and the strength of his paint application give rawness and beauty in an understated way. There is a mysterious quality around his work which allows the viewer to weave their own personal stories into the paintings.

John says that when he picks up a paintbrush his aim is to create a work with as much energy and movement as he can muster...something animated and emotive.

Thank you to these businesses who are supporting our fundraising.

Packages are still available. Visit www.trybooking.com/VAYM for more information. Alternatively, download the printed form [Marymount Art Show 2018 Sponsorship Proposal.pdf](#) and return by post or email.
