A number of our Senior Leaders were lucky enough to be able to attend the Leadership Day for Student Leaders in Catholic Schools in the Archdiocese. There were others who were unlucky because of the clash with the Senior Biology Camp, but they knew what their priorities were. This is the hallmark of leadership. The benefits of both experiences will be shared among the students. The key message for leaders is to know what we stand for; for what we will commit to; what we will give everything to uphold.

Good parents know this about leadership and, every day of their lives, are prepared to do whatever it takes for their children. Every person should know what things they will stand up for. If we don’t, we may well be overrun and trammelled by the events in our life. Of course, leaders need skills to assert themselves and events such as the Powerhouse of Leaders can help develop these skills while inspiring people to be prepared to lead. One skill leaders need is to be able to really listen, discern, and to be persuaded by more worthy inspiring people to be prepared to lead. The benefits of both experiences will be shared among the students. The key message for leaders is to know what we stand for; what we will commit to; what we will give everything to uphold.

Students can show us they are organised by putting homework, assignment details and exam details in their Record Book/Diary. They should do this. It is our job to simply remind them (repeatedly) that we want them to use the diary as evidence that they are organised and doing work. Together we can use the diary to support them and each other. A few words of encouragement, or asking about ‘missing evidence of work’ remind the student of our expectations. Keep it low key, but do it on a regular basis.

For this to work, parents and teachers need to insist that the student show any diary notes to them when notes are made. We ask PC teachers to sign student diaries each week. We expect students to show teachers notes from their parents. Please sign the Record Book each week even when there is no work. Keep the focus on whether the diary is helping your son/daughter to do regular homework and to keep up with assignments. Your signature and comments to your son/daughter puts the onus on them to organise for homework, assignments and exams. They also remind the PC teacher and class teacher that you are monitoring your son/daughter’s progress. I have reminded staff of the need for all of us to work together, quietly, constantly and respectfully as we make the point that we value quality organisation and effort.

**NATIONAL CYBER SECURITY AWARENESS WEEK**

National Cyber Security Awareness Week is an Australian Government initiative, held annually in partnership with industry, community and consumer groups and state and territory governments.

The 2012 Awareness Week is from 12 to 15 June. Awareness Week helps Australians understand cybersecurity risks as well as educating home and small business users on the simple steps they can take to protect their personal and financial information online. For more information about resources and events during Cyber Security Week visit http://staysmartonline.gov.au.

**ROAD WORKS & CONSTRUCTION**

In addition to the road work activity on Reedy Creek Road construction activity has commenced on the Bermuda Street corner subdivision. Local company **Construct** have been contracted by the Developer to construct a bridge across the Bermuda Street drain at the Executive Street traffic lights to provide access to the new subdivision. This work will take approximately 4 months to complete. The school is working with **RoadTek (DMR)** and **Construct** to ensure the safety of our students and safe traffic control at all times.

DEPUTY PRINCIPAL

LAPTOP COMPUTERS: This year we have rolled out laptop computers for students from Year 8 through to Year 11. With this roll out comes both enormous opportunity and challenges for students, parents and our College staff.

An enormous amount of energy is being channelled into providing maintenance, consultation and development in the areas of both hardware and software support for the staff and students. In Term One we commenced our inspections of students’ laptops with Year 10 and are currently inspecting the laptops of students in Year 11, followed by Year 9 later in the term and finally Year 8 in Term Three.

Never before has the partnership between home and school been as important as it is now as we make the transition into an information and communications technology rich learning environment. The correct management of the device both in the areas of physical and electronic care, as well as its appropriate use, are issues which cannot be addressed at school alone. I encourage parents to regularly check your child’s laptop computer for any physical damage so as to offset the cost of repairs as well as the appropriate use of the laptop at home. In this way, your child will get the full learning potential of this device.

Mr Kyle Connor
DEPUTY PRINCIPAL

DEPUTY PRINCIPAL - RELIGIOUS EDUCATION

Student Leaders have enjoyed some inspirational experiences in the past week which, no doubt, have elevated their consciousness to interesting aspects of life in the world beyond. The Captains, Joshua Fitzpatrick and Samantha Wilson are featured in The Catholic Leader article, “Students enjoy rare occasion”, about their impressions of Archbishop Mark Coleridge’s Solemn and Liturgical Reception on Friday last. Sam and Josh realise the rarity of an opportunity to experience something such as this and were impressed with the way Archbishop Coleridge’s “connected with the audience of all ages”.

10 students attended The Powerhouse of Leaders in Brisbane on Monday. This gathering of student leaders, representing the schools of the Archdiocese, heightened their awareness of their belonging to something much bigger than their local parish and school community. Interacting with the large number of their peers and hearing people such as Robyn Moore and Khoa Do tell their story certainly changes their perspective, as well as their personal aspirations. Even though they had to leave Burleigh at 6.30am, they were still bubbbling over with enthusiasm over the past few days.

We launched the preparations for the Year 11 Retreat on Thursday. It will take place in July, during Term 3. The students were reminded of the meaning of Retreat that it is God centred and a time for each of them to catch up with themselves in the spiritual sense, reflect on relationships, deepen friendships and cultivate new ones. The Retreat is a compulsory aspect of being a student at Marymount College.

Some senior students visited the Families Back on Track project on Thursday afternoon. It is always interesting to hear their comments and responses to this activity. For those who have attended in 2011, realising that some families are still in transition gave them pause for thought and a new impetus to be involved. Students played with the children, interacted with the families and cooked a street with the Rosies Van again and funds raised from Have A Heart Day next Friday will be donated to them.

Mrs Dolores Maitland
APRE

ASSISTANT PRINCIPAL - SENIOR CURRICULUM

This week we have been distributing several communiques from various universities regarding their scholarship programs. Many of these are directed to student leaders. All universities would have information on scholarship programs advertised on their web sites. Many are substantial payments. And although difficult to attain well worth the effort of applying.

Year 11 and 12 Exam blocks are only a month away – both commencing on Monday 11th June. Year 12 exams will include QCS Exam practice sessions and the Year 11 program will last a week, followed by their Work Experience Week. Exam privileges are not a given right and can be revoked if students have outstanding assessment items and the like. I have been discussing this with Academic Coordinators who are concerned that, for a few individual students, and despite contact to parents, there are still outstanding pieces of assessment. These students risk not receiving credit for the Semester’s work being granted, since they have not achieved the required and substantive amount of work for the course, as required by the Queensland Studies Authority. Year 11 exam block will commence earlier – due to the high demand for assessment items and a public holiday.

Dates are as follows: Thurs 7 June - Year 11 Exam block begins but Sport still runs. Monday 11 June – Queens’ Birthday holiday. Tuesday 12 June Year 11 exam block continues and Year 12 Exam block commences. Monday 18 June – Year 11 Work Experience week commences and Year 12 exam block continues. Updated Assessment Schedules are now available on the College website.

Mr Peter Shaw
APA SENIOR

ASSISTANT PRINCIPAL - PASTORAL

It was a great honour to announce that Madeline Sholl (Year 12) was the first recipient of the Spirit of Marymount award at last week’s assembly. Through her actions she has demonstrated that she envisages the spirit of the Mission Statement of Marymount College. By this I mean Madeline has demonstrated traits such as compassion, resilience, friendship and stewardship. Congratulations Maddy for being nominated by your peers for this award.

Congratulations to Mrs Cathy Cooper and Mr Aaron Turner for their leadership of the Year 11 Camp. This was a fantastic camp that challenged the students to move out of their comfort zone. This was also very true for me, as I needed to allow myself to be hoisted to a great height and swung through the air, on an activity which was suitably called “The Possum Glide”. I thank the students in this group for ensuring that I ‘had a go’, and I also thank them for their enthusiasm when ensuring that I stayed at the maximum height for a considerably longer time than anyone else. The next activity was the Flying Fox. This was also great fun, although climbing a 20 metre high tree and jumping out of it was rather unsettling.

The Year 8 students need to be commended for their involvement throughout the camp. I especially enjoyed the work of the students during Thursday night’s Liturgy, which was organized by our Campus Minister Kaylene Langford. It is always great to spend some time with our students outside the classroom setting, and the time away in Mapleton gave me a good opportunity to get to know more of the students who help to make Marymount College a special place to work.

Many thanks for your valued support. Marymount’s Australia’s Biggest Morning Tea is now fully booked, and will be hosted at Marymount College on Wednesday, 23rd May from 10:30am in the Home Economics Room. ABMT is one of the simplest, yet most effective campaigns in raising funds for cancer research. As part of the Marymount College Community, I am hoping that we may come together to share a ‘cuppa for cancer research’ on this day.

Ms Norette Mitchell
HOME SCHOOL LIAISON

Year 8 Night of Living History

Week 5 To-do list

☐ DO some HOMEWORK – research on my historical character
☐ Finish note-taking by end of week
☐ Discuss my costume
☐ Discuss decorations and ‘artifacts’ I will put on my board and table
☐ Discuss cheap giveaways I will have, relevant to my historical person
☐ Start working on all these
☐ Remember – the idea is to be creative, not to spend money

FIRST LESSON OF -

WEEK 4/5: Progress check in class
WEEK 7: ALL DUE (research booklet, notes, paragraphs, bibliography, reflection)
WEEK 7: Write 6 questions in class
WEEK 8: Monday 4 June Night of Living History (arrive 6.30 for 7pm start)
WEEK 9: Orals in class 3 – 4 minutes

PROPOSED NZ TRIP 2013

Details of the proposed Marymount College September 2013 New Zealand trip can be found on http://www.kanes.co.nz/zMar

We require 30 students, so to secure a place and ensure that we have the numbers for the trip to proceed, deposits of $400 must be paid to the bookshop no later than June 15. It is essential that the sheet collected after assembly by students with contact information be provided to Mrs Parker or Mrs Cooper before the deposit is paid.

These deposits will be refunded if the trip does not proceed. If you have any queries, please contact either Mrs Kim Parker or Mrs Cathy Cooper at the College.

Mrs Kim Parker
SOCIAL SCIENCE COORDINATOR

YEAR 8 NIGHT OF LIVING HISTORY

Your Year 8 son or daughter should be spending History homework time finalizing their research notes on their historical person. This is the last week that they will be given library time to work on research. Next week they will learn how to put their work into paragraphs and how to write a bibliography.

On the left is a week-by-week breakdown, to help keep the Year 8s on track in preparation for the big night and for the assessable components for History.

Mrs Cheryl Fraser
HEAD OF SOCIAL SCIENCE DEPARTMENT
MARYMOUNT COLLEGE CROSS COUNTRY CARNIVAL

Congratulations to all students who competed in the college cross country on Tuesday 8th May. After postponing the event the previous Friday, due to an extremely wet and dangerous track, we couldn’t have hoped for better conditions on the day – sunshine and blue skies.

All girls and the 13, 14 and 15 years boys completed a 3km course, whilst the 16 years boys and open boys completed 6km. The victorious team on the day was Allambee House.

Well done!!! Points are as follows:

Jeremy Baker-Beaumont
18 YRS AND UNDER RUGBY UNION TEAM

Miss Cherie Andersen
HEAD OF SPORT

RUGBY LEAGUE

A disappointing start to this week with the large number of boys unavailable to play in our Monday night matches. The 1st XIII were down at least 7 regular starters, which had a dramatic flow on effect to the 2nd XIII who arrived at their game with a total of 6 players on the bus.

The penultimate round for the 1st XIII had Marymount pitted against Keebra Park SHS who sit above us on the table. It was a massive challenge for our team to be competitive given the number of absentees. Keebra got off to a good lead but Marymount responded with two great tries. The first to Max Reddy, on the wing, after some superb hands through the backline and the second to lock Brandon Mahon-Arena, who had his best run so far for the season. Josh Berkers, hooker, converted one try. After a surprisingly solid first half the score had Marymount down by only 10-20. Three tries to two. Still in with a chance!!!

Our good work continued in the second half with all members of the team digging deep for their team mates. Keebra again put the foot down and for about five minutes, and two tries, we struggled to stay with them. Berkers scored a great solo try and second rower Dylan Mathers managed to find his way to the try line as well with a very determined effort. Half-back Riley Glover converted one from three.

In the end a courageous Marymount went down 20-34 (six tries to 4) in an entertaining match. I am sure that at full strength it would have been a vastly different story. The 1st XIII now have their final round match against Woodridge SHS on Monday night at 6pm before entering the final series the week after.

Mr Browne and Mr Connor have looked after the 2nd XIII through a difficult season. The players who have taken the field for this team have always given their best but have often been out gunned. Against Keebra on Monday night we had a number of boys who were injured/ill who still took the field – a great effort. We also had a ‘rescue party’ from the early game that drove over to assist in getting numbers on the field. The opposition was too big and often older than our boys who fought valiantly but were defeated. Well done to Scott Casselle who scored Marymount’s only try with a strong searching run.
The season is now over for the 2nd XIII having not finished in the top 8. Thanks to the coaches and all of the boys for their efforts in the Titans Challenge. It is still pleasing to be one of the two schools that field two teams each week.

The Confraternity Carnival is coming up at the end of the term and as we move closer the touring team will be whittled down to twenty players and four support players. Competition will be fierce over the next four weeks for those positions. Attendance at training and game performance will be taken into account when making final selections - never an easy task.

Fight One More Round.

Mr Jason Hamilton
1st XIII Coach

CONGRATULATIONS TO BRITTANY

We send our congratulations to Brittany Broben, Year 11, for her success in the 2012 USA Fina Diving Grand Prix.

In Montreal, Canada she achieved 5th (10m) and then in Fort Lauderdale, Florida she achieved an amazing 3rd place (3m)!

Photography courtesy of SMH.com.au
As this newsletter goes to publication, the students and staff of the Marymount college music department are away on the annual Music camp. This year we are privileged to welcome Réka Csernyik and Daniel O’Brien as guest facilitators for our choral groups.

**BRIEF BIOGRAPHY: Réka Csernyik**

Réka is one of Australia’s foremost experts in choral conducting, choral conducting pedagogy and aural musicianship.

Born in Hungary, Réka earned Master degrees in Music Education, Choral Conducting and Church Music from the world renowned “Ferenc Liszt” Academy of Music, Budapest. She has taught music at every level of education – with wide experience in schools and at university level. Réka held the position of lecturer in conducting at University of Queensland from 2004 to 2010. In recognition of the program she ran with her colleague, James Cuskelly, current director of Sound Thinking Australia, she was awarded a teaching prize in 2009: **CITATIONS FOR OUTSTANDING CONTRIBUTIONS TO STUDENT LEARNING.**

Réka’s expertise is highly sought after within Australia and overseas. She has regular engagements as a guest lecturer, adjudicator and workshop facilitator. Réka has presented papers at international conferences on Australian choral repertoire and musicianship education.

**BRIEF BIOGRAPHY: Daniel O’Brien**

Daniel O’Brien has a bachelor of Music (Composition) at the QLD Conservatorium of Music Griffith University. He is from Brisbane, Australia. Daniel’s main focus is screen composition including feature length films, short films, television commercials, and fames. He has written for several short films that have been successful in a number of film festivals throughout Australia.

Compositions of other genres written by Daniel have been performed throughout Australia. ACV choir of the year the Birralee Blokes performed his piece on a nation wide tour. His contemporary pieces for string quartet are regularly performed in schools around Australia.

Our own All Male and All Female choir are this year performing pieces written specifically for them by Daniel. “Rain Drops” performed with great success by the All Female Choir in 2011 was also written by Daniel.

This is also our first music camp with our new instrumental teachers and band conductors Mr Malcolm Wood and Mr Jesse Green. I know that as you are reading this, our students will be enjoying the groove as they play outstanding music led by these talented musicians!

Thanks also to our vocal teacher Ms Jamie Lee Wilson, guitar teacher Mr Andrew (Andy) Mitchelson and Drum Line and drum kit teacher Cvitan Barac for facilitating workshops and enhancing our musical learning!

Music Camp would not happen without the support of Marymount teachers! Thanks to Jodie Young, Ms Kanae Aki, Ms Therese Mullins, Mr Warren Segal, Mr Aaron Turner and Ms Leanne Ward for giving up their time to attend camp as supervisors. Special mention to Ms Leanne Ward who has volunteered to be the All Male Vocal Ensemble piano accompanist and Ms Jodie Young who continues in her role as vocal coach!

In the tradition of well known music festivals including V Fest, Big Day Out, and Splendour in the Grass, Marymount College will host its 2nd Annual M FEST, a week long music festival featuring our own home grown musicians starting Monday 22nd May.

The Senior Leaders have been working hard preparing the run sheet, advertising and venue. I am enjoying working with this year’s group of senior leaders for M Fest.

We look forward to sharing some amazing photos with you next week!

FROM THE EDITOR

This week’s features acknowledge the wide reaching activities undertaken by our students. Special thanks to our Year 8 reporters Phillip Oliver, Ashley Pade and Brigid McElroy for sharing their thoughts about the Year 8 Camp. Taya Oxenham (9) graces us with her presence through the written word and in movement at the Thursday Sport Dance sessions.

WRITING COMPETITIONS: A reminder to all our writers at Marymount College, please have a look at the website www.australiancatholics.com.au for the Catholic Journalist Award.

We also have the ‘1 Minute Journalist,’ a new and exciting journalism competition. Proudly supported by Channel 9 and the Gold Coast Bulletin the competition offers Year 11 and 12 students the chance to discover their inner journalist. For more competition details, information on how to enter, and to register your interest, please visit the 1 Minute Journalist competition page.

If you would like to have a chat about either of these exciting activities, please email me or catch at the Year 12 Coordinators’ Office in the senior courtyard.

Mrs Irene Scott
YEARBOOK EDITOR / YEAR 12 ASSISTANT CoORDINATOR

B U S I N E S S
B A R T E R  D A Y

In week two, Year 8 Business students conducted an in-class bartering session to connect the theory on our topic of financial literacy to practise to see how they would live in a society that didn’t use money but traded goods and services.

Students were asked to bring in an item worth $2 to barter. On the day, each student had to explain and market their product to the other students before setting off to partake in the trading.

It was such a great success that students had already started to barter before class! It was a great activity to showcase that sometimes money makes life easier, particularly when you haven’t got a product or service another person wants – with several students left disappointed that their notepaper, headband and matchbox car were not sufficiently enticing to be bartered. In saying this some items were so highly sought after they were re-bartered a second and third time during the activity!

Who knew a cake of surf wax could be so in demand!!!

Some feedback from the students:

“Some people had to be really convincing with their bartering” – Emily Russell, who successfully bartered a purple wallet with Ms Tully’s surf wax.

“I think everyone enjoyed the bartering as they thought that they got the better end of the deal” Louise Williams, who successfully traded her face products for sticky post-it notes and a gomu rubber.

Tom Berkers, whilst he forgot to bring a product to trade, thought he would use a monetary system over a barter system because “there wouldn’t be the hassle of finding out the value of things”; and will remember to write things in his diary next time!

Job well done Year 8 – CONGRATULATIONS.

Ms Philippa Tully
PRE-SERVICE TEACHER
Last week the Sunshine Coast delivered glorious weather for the Year 8 Camp at Mapleton. It was perfect conditions for the many challenging outdoor activities the students faced. A bright blue sky and still conditions made it easy for the hundreds who endured the Leap of Faith; a jump into the air off a thirty foot pole. The Giant Swing, Possum Glider and Flying Fox were also favourites of the students. In Archery many a target was hit. On the evening of the first night, Zumba got the hips shaking.

Smiles and cheers of support filled the three days. The students encouraged one another, forged new friendships and meet each and every challenge they were faced with in good spirits. All of Year 8 is to be congratulated on their manners and organisation. Chores were completed with no whinging, many hands made easy work for all. Hopefully on camp, the Year 8s gained a better understanding of who they are and now have a clear picture of what their contribution to Marymount College is. Each student was asked to complete his or her own puzzle piece during a beautiful liturgy, prepared by Campus Minister, Kaylene Langford.

A big thankyou to the staff that ensured the camp was ‘all smooth sailing’. Late nights and early mornings were meet with enthusiasm and excitement. All had a great time.

Mrs Cathy Cooper

YEAR 8 COORDINATOR

The Mapleton QCCC camp was the place to be this week, well, for the Marymount College Year 8s at least. That’s because from Wednesday 9 to Friday 11 of May was Year 8 camp! Whether you like heights, or prefer nature, Mapleton QCCC had what you wanted. Some of the activities there were the Giant Swing, Leap of Faith, Orienteering, Environmental Studies, the newly added, Glider Possum and many more. My favourite activity would have to be the Giant Swing. The adrenaline rush when you swung over the edge was so fantastic. Even more important than the activities were the instructors. They were just so amazing. The teachers were absolutely fabulous. Without them there would be no camp, so from all the Year Eights: THANK YOU!!!!!!!!!!!

Brigid McElroy

QCCC Mapleton is definitely a place to go if you want to test your courage. From jumping of the leap of faith to absailing down a 15 metre, vertical wall, if you don’t have a fear of heights you will find out you do here. Every single activity you do are trusting your lives into other peoples hands to keep you from falling to your death. It was a great experience to go to camp and I got to know my fellow peers a lot better than I already did. It was a great 3 days that I will not regret.

Ashley Pade

Early in May, the Year 8 students left the college for the Year 8 Camp. The camp itself was up north about a 3 hours drive from the school. The first thing that surprised me was the location of the camp; I expected it to be miles away from any town or houses, but it was very close to a small town that reminded me of an old English village. The campsite looked splendid, the trees were a magnificent shade of green and the sun made the wet grass shine brightly. When the activities began they were really exciting and enjoyable. Some of the activities were Archery, Abseiling, Orienteering, Canoeing, Flying Fox and Environmental Studies. All in all, camp was really fun; we learnt and used some really important values and I would love to go again.

Phillip Oliver
While we kick, jump, turn and split, the Sport Dance Extension team are perfecting our competition dances for upcoming eisteddfods each Thursday afternoon. Though the rest of the school does sporting competitions each week while we rehearse, we treasure the times we get to perform against other Gold Coast schools once a term.

For months we have learnt and refined two dance routines until the section we have been taught this lesson by our lovely dance teacher, Ms. Press, is flawless. Within the group of dancers, there is a wide range of ages, with at least two students from each grade, all of whom have experience in the area. More recently our warm up routines have been led by the older students, either from Years 11 or 12, before we continue for the rest of the afternoon with our contemporary and jazz dances. All of us have grown close and are able to work as a great team and have made some great friendships through this class.

It’s a great way to finish each Thursday, as I’m sure all of the dance team will agree.

Taya Oxenham
JAPANESE TOUR 2012

The sight was amazing, simply amazing. As we stepped out of the plane into the freezing night air, you could feel the oxygen escaping from your lungs. Our time in Japan was indescribable. There are no words to explain the joy, agony, excitement, and the many other emotions we felt within those two weeks.

Whilst we were in Japan there was very little time for rest. Each day filled expertly with fun. Ms. Aki guiding the way, with the students trying not to lose Mr. Segal, we toured Japan’s greatest attractions. Visiting breathtaking Shrines where we got our yearly fortune told, climbing up too many stairs to see astonishing Temples. Traveling on some of the fastest, slowest, and scariest transport known to man. Buying out several shops and stalls, and not forgetting the vending machines. (Did you know they were everywhere?) Visiting devastating museums, were the visual aspects made you want to cry, sniffing the delicious and not so great food, but also trying to translate such a language into English.

We also had the pleasure of visiting Tokyo Disneyland. It was a long day, but none of us cared, rushing off to the overwhelming stalls and rides that were scattened around the place. As we all lined up in ridiculously long lines and waited for our turn on the roller coaster, our heads were buzzing, our feet aching, and our noses getting burnt. As we chased around the park looking for the perfect gift for everyone we know, our feet ached a little more, our throats turned dry, and our heads crammed with more excitement. I can guarantee that by the time we got back to the hotel we had crashed, burned and found a hole in our wallets, as well of having experienced an amazing day and a heap of fun of course.

During the second week we parted with our school group and went off separately to our Home Stay. It was both a stimulating and challenging experience. We all found within a few minutes of departing from one another that each of our families were some of the kindest and most respectful people. They took us in with open arms and gave us the best of memories. Whilst I for one, was worried and a little scared about this week, not being too sure what to do or how to communicate all too well, plus the overwhelming feeling of missing my own family back home, was utterly surprised of how much fun and joy the experience could bring.

“It was such a great experience living with the same lifestyle that they do. My family was very welcoming and I learnt many things about Japan. The experience was amazing and I will definitely be going back.” - Joel Coburn (Year 11) - “The first day was very hard to try and communicate but after a few days it got easier. It was a great experience and I think we all learnt a lot.” - Patrick Nesdale (Year 12) - “The host families are very nice, and welcoming. They also included me in their lives as best they could.” - Koen Bray (Year 11) “It was definitely one of the highlights of the trip!” - Kaitlin Kinging (Year 10).

All in all the trip was absolutely and incredibly amazing, and on behalf of all the students who participated I would like to give a huge thanks to Ms. Aki for organizing the entire trip and leading us around the busy country, and for also putting up with our constant complaining. But also Mr. Segal for likewise looking after us and giving up his holidays. This is one for all you guys that came on the fantastic trip, I would like to say: NEDLY!!!!!
**FIRST AND FINAL REPORT**

It is timely to remind Year 12 students that they will be receiving their first and indeed their last school report at the end of this Semester. It will be this report that they will be copying and including with their resumes and applications for scholarships and tertiary entry. It is therefore prudent to consider the words likely to appear in this report.

It is theemployability skills of our students that will be an important focus for potential employers and staff at tertiary institutions. Whilst grades are always significant, what is also critical, are the comments made by educators in the various subject areas. Students are reminded to observe the following areas:

- **Punctuality** – to class
- **Appearance** – correctly worn uniform
- **Positive attitude** – enthusiastic approach to work
- **Responsibility** – bring relevant utensils to each class/understanding deadlines
- **Teamwork** – looking out for one another/working cooperatively
- **Effort** – demonstrating persistence, especially when tasks are challenging

**MARYMOUNT REPRESENTATION AT THE INAUGURAL MASS BY NEW ARCHBISHOP**

College Captains Joshua Fitzpatrick and Samantha Wilson represented the College admirably at this historic event when the Most Reverend Mark Benedict Coleridge was officially installed as Brisbane’s sixth Catholic Archbishop.

Samantha Wilson, College Captain writes:
Friday the 11th of May brought upon a rare opportunity for those who are ever so lucky to attend. It was a solemn mass and liturgical reception of the Most Reverend Mark Coleridge, who is now the seventh bishop and sixth Archbishop of Brisbane. The installation took place in the magnificent cathedral of St Stephen, in the heart of Brisbane. Our Principal Mr Noonan, Josh Fitzpatrick and I drove up for the day to acknowledge the significant event for the Catholic Church, and we were thrilled to personally meet the Archbishop himself! He is a wonderful public speaker, quite the funny man, who has a presence that delighted us all. The whole ceremony was beautiful, with archbishops and bishops from throughout Australia as well as hundreds of priests attending, including our own Father Pat. There were hundreds of people in attendance, with many teachers and students representing their schools from Brisbane, the Gold Coast and many other nearby towns. Archbishop Coleridge was pleased to see our smiling faces and wanted to be invited to our own Marymount event! I felt very privileged to fill one of the three seats that were saved for Marymount, as it was a lovely mass with a remarkable atmosphere.

**TUCKSHOP HELPERS URGENTLY NEEDED**

If you can help out in the College Tuckshop please contact Mrs Maher or Mrs Viney on 07 5586 1018 as soon as possible!

**Mater Little Miracles 5ks**

Mater Little Miracles 5ks is a fantastic family fun run/walk at Southbank Parklands on Sunday 3 June.

Be a superhero for sick kids and join with **Green Lantern** and **Wonder Women**, as well as **Dora the Explorer** and **Scooby-Doo**, for this super event!

You’ll enjoy a great morning of family fun, food and entertainment, with all funds raised going to support sick babies and children in Mater Mothers’ and Children’s Hospitals.

This year we are challenging even more Queenslanders to get involved to help us raise over $200,000 for research that will help children and babies have a healthy start to life.

Register online for $25 per family at www.materlittlemiracles5ks.org.au or call 1800 440 155 for more information.
ARMY GAP YEAR CANCELLED
You may or may not be aware that the GAP YEAR program for next year has been cancelled. This event is out of our control, however, ARMY have listed certain careers that have an initial sign on period of only 1 year. These jobs are found following the link http://www.defencejobs.gov.au/education/gapyear. Please make sure if you are in the GAP YEAR pipeline/thinking of applying for the GAP YEAR you are aware about the cancellation. If you are already in the pipeline for GAP YEAR, call your case manager on 131902.

SOUTHERN CROSS UNIVERSITY NEWS
What’s new at Southern Cross University....
Southern Cross University is proud to announce the introduction of new degrees from 2013 to enhance the options available to local students and I would like to share some news about them with you and your school community.

NEW COURSES IN 2013
LISMORE CAMPUS
Bachelor of Engineering (Civil) This four year undergraduate degree will enable local students to study civil engineering on campus at Lismore. The course will feature 60 days of professional internship.

GOLD COAST CAMPUS
Bachelor of Health Science (subject to University approval) with majors in speech pathology and podiatry; Bachelor of Clinical Sciences with a major in Pedorthics (subject to University approval); Bachelor of Social Welfare (subject to University approval)

COFFS HARBOUR CAMPUS
Bachelor of Midwifery

SCU COLLEGE
The College will provide a pathway to Southern Cross University for those students who have the potential and aptitude for University study but for a range of reasons, may lack the necessary preparation, study skills and confidence. Courses currently available include: Preparing for Success (PSP) which offers an intensive 12-week program to equip students with study skills appropriate for university.

Two new associate degrees of two year duration provide a new qualification in their own right and also an articulation program into undergraduate awards. The Associate Degree of Business is a two year course that includes core skill units, plus a range of electives in the areas of accounting, human resource, information systems, marketing, and tourism (offered at the Lismore, Gold Coast and Coffs Harbour campuses and by distance education). The Associate Degree of Allied Health is a two year course which provides the opportunity to prepare to study for a professional career pathway in Allied Health (offered at the Gold Coast campus).

The University will be hosting a series of information session and events to brief you, your staff and students on these new initiatives in the coming months. In the interim if you have any questions or would like further information please contact Janet Hanlan at janet.hanlan@scu.edu.au or on 02 6659 3063 www.scu.edu.au/courses

GET A HEAD START
Southern Cross University has developed a new program that will enable Year 11 and 12 students to undertake a unit of university study at SCU while completing their senior studies. SCU Head-Start aims to provide local students with the opportunity to gain a taste of life at university, to stimulate their interest in academic pursuits and to enhance their educational performance and long term aspirations. The university subjects will be offered at the Lismore, Gold Coast and Coffs Harbour campuses. Participating students will not be required to pay course fees for this unit of study. Successful completion of the program will earn the student an offer of a place in a range of Southern Cross University courses and give them credit for the unit when they enrol.

Applications open 21st May 2012 for further information email headstart@scu.edu.au
Thanks to the staff, students and families of Marymount College for your co-operation and ongoing support in creating your children’s beautiful smiles!

**HAVE YOU COLLECTED YOUR 2011 YEARBOOK?**

If not, please go to Main Reception as soon as possible to obtain your copy!
HOST FAMILIES REQUIRED

for students of Edogawa Toride Gakuen Jr. and Sr. High School from Ibaragi, Japan
who will be attending Marymount Catholic College 22 July to 6 August, 2012

This is a worthwhile opportunity for your family to learn about Japanese culture, while sharing with your Japanese student the lifestyle of an Australian family. Families are asked to provide all meals and a friendly home for their student; they will travel to and from school each day the same way as arranged for your own children. Payment to host families will be $420 for the entire period of the stay to assist with some of the expenses involved when hosting your student.

YES, I WOULD LIKE TO HOST A JAPANESE STUDENT, BUT...

Will the student speak any English? Yes. However, as their English skills may be limited, we would ask that you speak clearly and slowly (but not in a patronising way) when communicating with them.

Will I have to cook Japanese food for the student? No. Your Japanese student is here to experience an Australian lifestyle. This includes spending mealtimes with your family, and eating what you and your family normally eat.

Is it OK if the parent/s work fulltime? Yes. During these times (e.g. after school), your Japanese student can spend time with your own children. Families who live near each other are encouraged to share transport, or other activities outside of school.

Do we need Blue Cards? Yes. If your family hosts an overseas student for 10 or more days, it is necessary for all family members over the age of 18 to have a current Blue Card. If you need a Blue Card, we will assist you in the application process.

If you would like to host a Japanese student this year, please contact: Ms Kanae Aki via email at kaki@bne.catholic.edu.au to obtain a Host Family Application Form.

Please contact Yoko if you need assistance in applying for a Blue Card Yoko Sugimoto (ISS – Study Tour Organiser) on 3870-9114 or email operations@griffithiss.com.au
Go then,
make all peoples disciples,
baptizing them in the name of the Father
and of the Son and of the Holy Spirit,
teaching them to observe
everything that I have commanded you.
And remember, I am with you always
to the end of time.
