SAINT MARY MACKILLOP

We paused this week to reflect and pray on the Feast of Saint Mary Mackillop (8 August). May we learn from her example of determined generosity and graciousness, her courage and her faith.

The feast of Saint Mary MacKillop has been a figure that both religious and non-religious Australians have been able to relate to. Her parents were separated, her health was often poor, she made friends regardless of their personal beliefs and she was misunderstood by those higher than her in the church even to the point, at one stage, of being wrongfully excommunicated. Above all else, she was a realist. She had ‘visions’. For her, the Kingdom of God was something you worked for and the opportunity were limited. Such schools, scattered far and wide, became a familiar part of the work of her Sisters of St Joseph and an icon of the church in Australia. Secular Australia has ample cause to be grateful to her. For the Christian community, the debt is even greater. Her life and work helped to transplant the Christian community.

Our appreciation goes to the Science staff and laboratory assistants Ms Leu and Ms Garner.

Sr Carmel passed away last Friday following a short period of illness. Sr Carmel had enjoyed good health and active retirement at Pottsville and, with Sr Clara, was an occasional visitor to the College in recent years. A gentle, gracious Missionary Franciscan Sister and exceptional educator, Sr Carmel was renowned for her love of literature and passion for poetry. Ms Hansen, who started at Marymount shortly after Sr Carmel’s time, invited students Xavier Dolan and April Lovell to accompany us at the funeral mass to celebrate Sr Carmel’s life. It was a time of quiet, joyful remembering as Mr Michael Lloyd (Principal 1975-1981) and Missionary Franciscan Sisters met Xavier and April, remembered their parents and told tales of their time with them in the 1970s.

BRITTANY BROBEN’S OLYMPIC SILVER MEDAL LONDON 2012

Congratulations to Brittany – a wholesome, direct, beautiful person; a great Australian Olympian Silver Medallist; a fine friend and classmate, in Year 11. To Janine, Paul and Tara Broben, well done. To Brittany’s close friends also, we know your relationships have provided great support for Brittany throughout her preparation. An outstanding achievement by an exceptional young lady.

Chris Noonan

SUBJECT SELECTION

YEAR 11 2013 & SET PLAN INTERVIEWS

Parents and students attended the Subject Selection Information evening for Year 11 2013 this week. This Tuesday 14 August, between 1.00pm and 5.00pm, parents and students will attend for 15 minute SET plan interviews as part of the process for selecting subjects for Year 11 next year. Bookings are required for these interviews and the password for online bookings has been provided to parents. Year 10 students who have returned permission slips will be dismissed at lunchtime. Those who do not have permission will be supervised at school until 2.58pm.

SENIOR A DEBATING SUCCESS

Congratulations to the Senior A Debating Team for their semi-final win over AB Paterson this week. With the negative side of the topic, Accountability lies with the provider of a good or service, they rose to the challenge of the debate. Both teams expressed their genuine respect and regard for each other following a contest that was a credit to all involved.

ART SHOW RECEIVES GREAT SUPPORT

With a big crowd intent on enjoying the great art, good company, and the fine food, the Art Show was off to a wonderful start. Opening night sales were healthy and patrons really enjoyed the live music. Thanks to all involved: our sponsors, the committee, judge Ms Susi Muddiman, Mrs Evans, Mrs Greffe and the student caterers, students musicians, Damien Steele, Lisa Boyce, Maria Bemportato, the Art Staff, secretarial staff, Mr Casey, opening night patrons, Saturday and Sunday patrons, and dance and drama students who performed Sunday.

SCIENCE NIGHT – SERIOUS FUN

Families attendance was very good and the quality of student science projects was worthy of the support. With senior students providing entertainment and a bit of fun in the labs throughout the evening, including Mr Crowley’s heroics, in the theatrrette, a good night was had by all. Congratulations to all students. The overall winners were Jazmin Scullion (Year 9) and Caitlin Banner (Year 8).

**DEPUTY PRINCIPAL**

**TRANSPORT:** There have been some additional markings placed on the streets leading into the school carpark. These markings clearly indicate the designated lanes for bus entry as well as set down and pick up. We ask parents to adhere to these markings to ensure the safety of our students and for less traffic congestion.

Students who ride a bike to school are required to have a chain and lock for security. No bike should be left outside the bike cage and should be secured at all times. The college rules regarding travel and conduct when travelling to and from school are as follows:

- **No skateboards are allowed**
- **Students riding bikes will obey all traffic laws which include wearing a helmet**
- **Students should not ride their bikes in the school premises and bikes to be locked in school bike racks upon arrival**
- **There is no eating on buses, no littering on buses and no throwing of rubbish from buses**
- **Students must follow the Department of Transport guidelines for bus travel including the payment of fares**
- **Students are to cross roads at designated crossings or at traffic lights particularly at Tree Tops Shopping Centre**

**PLEASE NOTE** - The industrial complex across the road from the college and in particular SuperCheap Auto is not a designated school carpark. Cars that use that area to drop off or pick up students can be fined for doing so.

**PARENTS SHOULD NOT USE THE BUS LANE TO PICK UP OR DROP OFF THEIR CHILD.**

Students and parents are reminded that students are to travel directly to and from school. The majority of students are to be commended for the excellent manner in which they present themselves in both uniform and behaviour when travelling on public transport or on foot. They demonstrate respect for themselves and for others as young adults. I encourage you to discuss these matters with your child. For further information please consult the Student Record Book.

Mr Kyle Connor
DEPUTY PRINCIPAL

We were very appreciative of the interest in last week's year 11 2013 Parent Information Evening. It is an essential part of the partnership between parent, teacher and student that we communicate these important processes effectively. The parent/teacher/student SET Plan interview process has been equally well supported and again we appreciate parents availing themselves of this opportunity to work with the students in planning their post compulsory secondary schooling. I remind all Year 10 parents that this on-line process is mandated by government legislation. We are supportive of this and look forward to assisting you where we can to make these decisions and submit the data accordingly. Please arrive at the interview with your information pack, as delivered on Tuesday evening. Of most importance is the blue form, with the SET Plan information and the Subject Preference selection information. We will copy these at the end of the interview. You may or may not have these completely finished by the interview. The final date for entry into the on-line system is Tuesday 21st.

Year 12 have completed two days of QCS rehearsal, and continue to run through the feedback program each Thursday. Results of the practice tests will be available in the next two weeks. QCS days are Tuesday 4th and Wednesday 5th September.

Year 11 & 12 Exam block commences in full on Monday 10 September (some earlier exams – including HPE will commence on Thursday 6 September, following QCS – more likely for Year 11 students.) the Exam block schedule will be published on Monday 3 September.

Mr Peter Shaw
ASSISTANT PRINCIPAL - SENIOR

**APRE**

Congratulations Brittany Broben and Jacob Clear on your dazzling Olympic achievements. We are inspired by your grace and commitment. You have brought great joy and pride to many. May you enjoy your every moment of these days.

The College community celebrated St Mary of the Cross MacKillop’s feast day on Wednesday morning. Students gathered in the P&F Courtyard for prayer which was led by students from across the year levels. Themes focussed on St Mary’s absolute faith that God would provide her drive for education for all both rich and poor, her work for women including indigenous women and her legendary generosity of spirit. Boiled lollies were distributed as we remembered the story that she always carried them in her pocket as she knew how much the children would enjoy them.

Our annual food collection for Marymount Day and St Vincent de Paul will begin this week. All canned and packet food is welcome but some PC classes may decide to collect specific items such as packet soups or canned fruit. Toiletries are very useful.

Year 8’s Reflection Day at Bond will be held on 22 August. Students have already received a letter detailing this. Students from Year 10 to 12 are encouraged to attend VIVID at St Lawrence’s, South Brisbane on Sunday 19th August. Transport will be provided by the Parish. All those interested should see me as soon as possible.

The Preliminary rounds of the Vicki Wilson Cup competition commenced last week with our Open girls team competing for a spot in the South Coast Finals for 2012.

This competition involves all Queensland Secondary schools with the competition taking the form of a Round Robin Competition. Results were as follows:

- **Game 1 vs All Saints** Won 18-7
- **Game 2 vs Kimberly College** Won 42-0
- **Game 3 vs Emmaus College** Won 27-7
- **Game 4 vs Trinity College** Won 15-12
- **Game 5 vs Emmanuel College** Won 14-7
- **Game 6 vs St Michaels College** Drew 14-14

Our girls were successful in winning their pool and now advance to the South Coast Finals on Friday 24th August at Runaway Bay Sports Centre.

*Mrs Kim Smith*

**HEAD OF SPORT**
We congratulate Brittany Broben on her Olympic success. She is a role model for our students in every sense and it is a measure of the respect she engenders from Marymount to have had Senior leaders together with a number of STAC representatives create an opportunity for the whole school to wish Brittany well.

Such is the spirit of our College that so many students were keen to participate and executed the exercise with passion and enthusiasm. Special thanks to our stalwart reporter Sam Burbury for coordinating the filming and editing of the material. Sam’s article about Brittany in the lead up was featured in the TXT4U section of the Gold Coast Bulletin as well as in our Newsletter. We look forward to sharing further insights post Olympics 2012 when Brittany returns to a welcoming and proud Marymount community.

Champions aren’t made in the gyms. Champions are made from something they have deep inside them -- a desire, a dream, a vision. - Muhammad Ali

Mrs Irene Scott
YEARBOOK EDITOR / YEAR 12 ASSISTANT COORDINATOR
CURRUMBIN WILDLIFE WITH EDOGAWA GAKUEN STUDENTS

Souls in the wind, eyes in the trees, breathing in that fresh air, awaiting the movement of the animals that surrounded us. Every step, by everybody, was taken in amazement. I for one have been to the Wildlife Sanctuary on several occasions before in my lifetime, but for the Japanese Students of Edogawa Gakuen it was more than likely there one and only visit.

You could tell when you looked at the expressions on their faces, just how exciting and astonishing it truly is at the Wildlife Sanctuary. Each and every one of them came out with some amazing photos and even better memories that will last them a while. These memories are not only of the exotic animals and the smell of the Koala and Kangaroo poo, but also of the smiling faces of the year 10 Japanese class. Each of the Marymount students was put into a group with some Japanese students and friends. Taking the time to wander through the park and visit the variety of Australian species and shows, whilst using the confusing languages of Japanese and English, still making friends and being on time, I would have to say that we may have endured one of the best days this term.

YEAR TEN ON THE TRACK!

On Friday the 27th of July, after weeks of rain, the clouds parted to reveal blue skies at Marymount’s Track and Field Athletics Carnival. Meanwhile, the Year 10 boys Patanga relay team consisting of Brad Little, Jack Taylor and Matt and Tom Popovic ran like “leopards” with “legs of iron”. After a slight scare from a false start, the team raced down the track at an unbelievable speed, leaving a whirlwind of dust in their wake. The team definitely gave the Year 12s a “run” for their money! They ran the 4x100m event with obvious sporting talent, setting an impressive new record of 50.05 seconds!

Jack Taylor, part of the relay team, also broke a record in an individual event. His talents were further displayed in triple jump as he darted up the length of the pitch and landed a staggering 12.36m in the pit and breaking the record! Congratulations to Matt Popovic who received the 15 years boy age champion, Tom Popovic who came in a close second and Kyle Torok who placed third.

A big clap on the back to the 15 years girl age champion, Maddison Schenk, closely followed in second by Siobhan Waldie and the two lovely ladies who tied for third, Saryna Adamson and Sierra Sweeney. Undoubtedly, the boys’ efforts paid off as Patanga took home the title of first place, only 80.5 points ahead of Allambee, that grabbed hold of second place. Katandra slipped into third position and Bulimah was in fourth place.

An astonishing amount of support for housemates was shown throughout the day, grasping what the carnival was truly about! It was inspirational to see everyone having a go and getting points for their Houses!

Good luck to everyone who received places on the day and will now go on to compete at the Oceanic Track and Field Championships, which will be held at the Gold Coast International Athletics Centre, Griffith University. Best wishes go out to all of our athletes over the two day event on the 29th and 30th of August!

Aisling Waugh
REPORTER
Australian Olympian and Marymount College student Brittany Broben has captivated audiences across the globe in the thrilling conclusion to the 10m platform at the London 2012 Olympics. Broben, who picked up the silver medal with a total score of 366.50 was thrilled with her result in what was her first Olympic games. At the medal presentation Brittany appeared proud and excited.

At just 16 years of age, Broben is the youngest Athlete chosen for the Australian team. Coming into the games, Brittany spoke about how she was feeling both and optimistic and nervous. Now, with a silver medal to her name, she is understandably overjoyed.

With competition now over, Broben is free to soak up the atmosphere in London having made a valued contribution to the Australian medal haul. Congratulatory messages have been flooding the young athletes Facebook and Twitter accounts from family, friends, classmates and fans that are continually amazed by her monumental achievements.

Subject Selection Meeting Report

Last Tuesday night Year 10 students with their parents in tow came back to the College in the evening to attend a very informative meeting about subject selection for Year 11 and 12. It was great to see so many parents of the students giving up their time to take a real interest in the future of their sons and daughters, at the College and beyond. The proceedings began with Mr. Noonan welcoming the families to the Doyle Centre, after which prayer commenced. We then welcomed Mr. Shaw, who took us through the arduous task of explaining a multitude of various terminology, acronyms and rather large words with even larger meanings. It may have seemed like an ‘information overload’ as Mr. Shaw put it, but the outcome was a much clearer understanding of the nitty gritty of senior schooling for both the students and their parents.

Once we had concluded that portion of the evening, we welcomed Mr. Murtagh, our resident expert on all things OP, QCE, TAFE and basically anything else that might relate to the future career paths of the Year 10 students. We spent time focusing on areas such as OP, Rankings, being OP eligible, Authority and Non-Authority subjects among other things. Being in charge of the Careers department made Mr. Murtagh’s knowledge and opinion invaluable to all of the students in the hall. One of the major changes that is coming to the Marymount curriculum is the change from the senior students only being able to choose 6 subjects instead of 7. This radical change will come with both good and bad depending on the perspective you select. On one side, students will have more class time for subjects allowing them to learn more, but on the hand it will mean that the students may feel pressured into taking all OP subjects.

At the conclusion of the presentation, families were invited to wander around the hall to various stands focusing on each subject, with their respective teachers there to answer questions. This proved to be very helpful as the parents had a great deal of questions about the subjects their sons and daughters wanted to pursue in senior school. The teachers responded well to the bombardment of queries they received and gave the parents thorough and clear answers. As the evening came to a close, families left the Doyle Centre with a much better understanding of what their rapidly maturing children had set their sights on for the future.

Special thanks are extended to Year 11 Tourism students Emily Graham and Kacie Eccleston who assisted Mrs Scott during the information evening. Emily and Kacie provided first-hand knowledge to parents and students regarding their own experiences as OP eligible students studying a Certificate course.

Trent Solomon (Year 10) is riding in the CareFlight Base to Base Ride on Friday 21st September from Gold Coast to Toowoomba in 1 day. All funds raised from the ride will go directly to CareFlight Rescue.

Trent will be riding alongside former patient and Paralympian Bryce Lindores, professional rider and former CareFlight patient Brenton Jones as well as other World Champion cyclists.

To support Trent please go to http://www.everydayhero.com.au/trent_solomon_6
At the gala opening of the Marymount Art Show, the art presented in the Doyle Centre of the College was an opportunity for professional artists of the public to showcase their artwork and be acknowledged on the Gold Coast community for their creative, chic flair. The Art Show however, also served as an occasion for some of the musicians of the Marymount College community to share their talents with an audience of prominent guests, which provided a unique and privileging experience.

The music performed by members of the College, myself included, set a wonderful tone to the evening, creating the ambient atmosphere of the event. Many gathered around the front stage to appreciate music from the students and admire the different tastes of music genre performances that we had to offer. It was nice to revisit music from the 70s such as Stevie Wonder’s classic ‘Isn’t she lovely,’ performed by our seniors: Lorcán Waugh, Tommy Sheehan, Christie Spellacy and Luke Poidevin-Martin, in contrast to the contemporary pieces heard by Zach Angel and Grace Matthews such as Adele’s ‘Someone like you’ and Amy Winehouse’s ‘Valerie,’ respectively. Being able to perform and share a passion for music with someone else is like a release for the mind to stray away from the demands of life and just follow the melody of the story being told. Music unifies a society to make things relevant and is used to distinguish a unique period or occasion; and the Art Show felt like no exception to this. It was a wonderful feeling to be able to exhibit a different element of The Arts with those who also appreciate quality music, and bring together a group of people, through the use of music, to evoke a similar sense of admiration.

Acknowledgement must also go to the Hospitality department who did a wonderful job in catering and serving the delicious refreshments for the event. Many thanks to the teachers involved in setting up the Art Show and making it possible, and also a thank you to Mrs Ward who was in charge of arranging the music performances for the event. The Marymount Art Show Gala premiere was a magnificent night that showcased brilliant work of the highest standards.
We have now completed the scheduled two full days of practice for the real QCS tests to be held on September 4 and 5. It has been disappointing to witness a casual attitude to this preparation by some students. They are letting themselves down not to mention the Year 12 cohort. Those students who missed either of the days must bring in the required equipment to Mr. Cornor by the end of the week – August 17.

* * * * *

UNIFORMS

It is disappointing that a small number of Year 12 students continue to disregard the school uniform policy. With only limited time left at school, Year 12 students should be paying attention to all aspects required of them, whether it is application to their work and submitting a high standard of assignment or presenting themselves as ambassadors of the College. Potential employers are looking at young people’s conduct and appearance in the general community. Our Administration team and indeed all Marymount College staff look forward to working with conscientious and respectful senior students each day. When uniforms are not worn properly students are sending a message of disrespect towards the community, which has fostered their growth over a number of years. We ask that parents encourage their sons and daughters to come to school ready to embrace the learning needed to successfully complete the Year 12 pathway. This also means being correctly attired and ready for work. A reminder for our male students that the school policy states, “Boys are to be clean shaven. Beard, goatees, moustaches or long sideburns are not permitted.”

Students who wear the uniform incorrectly will be issued with a detention slip.

Should you wish to discuss any matters with us, please ring the College on 55861000

REPORTER
For those Year 12 students considering their options for next year and who are keen to secure a placement within a Diploma level course prior to OP/Rank release, this program may be for you. An impressive number of past Marymount students have benefitted from both the early offer as well as the scholarships which can be worth thousands.

Registration is now open and further details are currently available through the Marymount Careers Office. Applications close on the 7th September and the school forwards applications collectively the week before, so do not delay! Email: Mrs Leesa Lutze at llutze@marymount.qld.edu.au or visit www.gcit.edu.au.

**GREENCROSS VETS 2013 SCHOOL BASED TRAINEESHIPS**

Years 9, 10 and 11 students with an interest in pursuing exposure to the Vet industry are encouraged to attend an information evening relating to Certificate II Animal Care school based traineeship opportunities commencing in 2013.

Applications have been re-opened, and now close on the night of the information evening (20th August 2012). For further details and an application form, see the Marymount Careers Office today. Note: Applications can be emailed to serena.dean@greencrossvet.com.au prior or can be handed in on the night.

Time: 6:00pm registration for a 6.30pm Session Start.

Where: Performing Arts Centre, Helensvale State High School
Helensvale Rd, Helensvale

(Please park in the staff carpark on Helensvale Rd)

Note: Parents/guardians must accompany students in order for applications to be accepted.
