Ashes on Ash Wednesday - 5th March

The Marymount National Enhancing Catholic Identity Survey (2012) data perhaps explains why Catholic rituals such as ashes on Ash Wednesday have appeal. They are a symbol of our confession we are Catholic. That is, of our owning and proclaiming our Catholic identity. The NECIP data for Marymount tells us that those adults surveyed who did respond (most staff and 20% of family representatives) do not share the same understanding of our Catholicity but are far more certain about their belief in Christ and the importance of their Catholic identity.

The message to carry forward is that it is absolutely important that we practise our traditional Catholic rituals, and in this way confessing/proclaiming our Catholic identity, as our understanding of our Catholic faith changes over our life time. As we begin the season of Lent this coming Wednesday with ashes and confess our Catholic identity, may we take on the Lenten traditions of restraint, reflection, prayer and periods of fasting in the journey to Good Friday and to the celebration of Christ’s resurrection on Easter Sunday.

March 17 & 18 Enrolment for 2015 & 2016 at Marymount

There are now limited places for Year 7 and Year 8 in 2015. Enrolment applications will be considered at interviews 1:00pm - 7.30pm March 17 & 18. If seeking a place for 2015 please apply immediately for interview and consideration now. Further enrolment interviews for remaining 2015 places and for Year 7 2016 are scheduled for May 19 & 20 and August 25 & 26. Reminders have been sent to families at Marymount Primary School, St Augustine’s Primary School and St Vincent’s Primary School. The message is: enrol now to avoid possible disappointment. Enrolments and plans are well advanced for 2015.

The first stage of the Middle Years buildings will be completed before the end of Term 1. The second stage will be under construction in June. The Middle Years buildings will include 19 Classrooms, 2 larger Music classrooms, 4 Music Practice Rooms, a Science Laboratory, an Industrial Technology & Design-Flexible Area, Amphitheatre, Learning Support Centre, Counsellors rooms, student amenities and student lockers. The standard of finish and furnishings are as for the Arts, Media and Technology - Mary MacKillop Building. Visitors to the College for last Monday’s Marymount Tours had the opportunity to see our plans and the progress of these building works.

Work Programs for teaching Year 7 are being written based on the National Curriculum and our curriculum plan for Years 7 to 10. Students commencing Year 7 will study Religion, Maths, English, Science, History, Geography, and Health & PE as core subjects. Their introduction to electives will be a rotation through two electives each term across Dance, Drama, Food, French, ITD, Japanese, Music, Visual Art. They will choose their electives for Year 8 2016 in September 2015.
Year 7 and 8 2015 will introduce the new uniform for Middle Years students. The significant change is a light blue shirt/top which will identify Middle Years students while maintaining the traditional darker shorts/skirt and distinctive College Crest.

The College will advertise employment positions for additional teaching staff later in March as the process of preparing for Year 7 and 8 in 2015 continues. We look forward to strong applications from capable, inspiring and passionate teachers who teach to make a difference for young people here at school and beyond into their future lives.

It’s Mid Term – time to lift the study effort

Perhaps a surprise for some is that this newsletter marks the end of week 5 in a 10 week term. Certainly formal assessment, such as assignment tasks, for mid-semester assessment and Term 1 reporting are in students hands. These assignment tasks will be due now or shortly. Most teachers will have tests/exams within the next 3 to 4 weeks. For Year 11 and 12 the Exam Block commences on Monday 24 March. Application to study, assignments and preparation for tests/exams should have started in earnest. If not, study must start now.

We Keep Year 12 in our Prayers

We keep the Year 12 students in our prayers as they head off to retreat at five retreat centres across Brisbane and the south-east: may they be more aware of God’s presence in their life and God’s love for them. They will take time to reflect on and give thanks for the gifts God has given them personally, in their family and in their friends. In many respects, this time away is about each person’s life and faith journey, as well as the Year 12 students’ journey into adulthood. Perhaps their senior retreat is the beginning of their journey from school.

Chris Noonan - Principal

DEPUTY PRINCIPAL

I draw your attention to the procedures for students who arrive late to school. Students are required to be at school in time for Pastoral Care at 8.30am. However, if you are late for school:

1. Report to SAO and write your name on the pink sheet for late arrivals.
2. Collect a late pass and complete the top section
3. If you have a note for being late attach it to your late pass
4. If you do not have a note for being late you will need to have your parent/guardian sign your late pass
5. Have your late pass signed by the teacher of the first class you attend
6. The following day give the late pass to your Pastoral teacher

You will find this and other College Procedures in your son/daughter’s Student Record Book.

While it is imperative that our data is always up to date and accurate on a daily basis, to maximise learning opportunities students need to arrive for school on time. Any student who is late to school or to class is adversely affecting their own learning and interrupting the learning of others.

We need your assistance to avoid repeated lateness to school.

Kyle Connor
Deputy Principal
**Student Protection**

For Marymount College, making the school a place of safety, a nurturing community of care, is an essential part of our ethos and underpins our commitment to the protection of students. We strive to ensure a culture where all acknowledge and understand that student protection is the responsibility of everyone.

For enquiries in relation to Brisbane Catholic Education’s student protection processes please contact any of the following:

Chris Noonan - Principal  
Angela Jeffrey - Counsellor  
Heather Clark - Counsellor

**ASSISTANT PRINCIPAL PASTORAL CARE**

**Uniform Variations and Detention**

As mentioned previously, students are expected to be in full school uniform each day. They are required to wear the College uniform with pride and respect. For boys this means socks pulled up, belts on and shirts tucked in. For girls this means skirts are no more that 10 cm off the ground when kneeling, no excess jewellery or make up, and hair pulled back. Students are checked at pastoral each morning and during the day by their class teachers.

If your son/daughter is out of uniform, they should:

1. Bring a letter of explanation from a parent/guardian
2. Have the letter signed by their Year Level Pastoral Coordinator before school and receive a variation slip
3. Carry the variation slip with them until the uniform problem is resolved

Students who are out of uniform, or not wearing uniform correctly and do not follow this procedure, will be given a uniform detention, which is carried out during the second half of lunch.

**ASSISTANT PRINCIPAL ADMINISTRATION SENIOR CURRICULUM**

**Subject Change**

It is now too late in the Semester for changing subjects. The next opportunity for subject change will be Semester 2.

**Assignment Submissions**

With assignments becoming due please note that the rules for submission are as follows:

- Handing a hard copy personally to the teacher: end of the class lesson
- Handing to SAO: close of business (4pm)
- Handing in electronically via College website: before midnight of that day

If the assignment/assessment item is submitted through SAO an Acknowledgement Slip will be issued. This will be dated and stamped with the College stamp. Students must retain this slip and be able to present the slip if requested.

If the assignment/assessment item is submitted electronically, through the College Website an Acknowledgement Slip will be issued, as a Reply email. This will be dated and stamped with the College address. Students must print this receipt and be able to present the slip if requested.

**A Prayer For Our Young People**

God our Father, You see Your children growing up in an unsteady and confusing world.

Show them that Your ways give more life than the ways of the world, and that following You is better than chasing after selfish goals.

Help them to take failure, not as a measure of their worth, but as a chance for a new start.

Give them strength to hold their faith in you, and to keep alive their joy in your creation.

Through Jesus Christ our Lord.

Amen

**ASSISTANT PRINCIPAL - RELIGIOUS EDUCATION**

Student Leaders will attend 7.00am Mass on Ash Wednesday morning at Infant Saviour and bring the ashes back to the College for distribution at the College liturgy. This will commence at 9.00am.

Also on Wednesday, Year 10s will travel to Bond for their Reflection Day which will be facilitated by Michael Fitzpatrick.

Please remember in your prayers our Year 12 students on Retreat and Year 10s at Reflection Day and all their teachers, that they will be blessed with the grace to enter fully into the opportunity these experiences provide to come to a deeper relationship with God and to know themselves more fully.

Pope Francis’s message to young people is particularly relevant to our Retreat theme of “Share the gifts you have been given”.

**Dear young friends:**

*If we want it to have real meaning and fulfillment, as you want and as you deserve, I say to each one of you, ‘Put on faith’, and your life will take on a new flavour, it will have a compass to show you the way; ‘put on hope’ and every one of your days will be enlightened and your horizon will no longer be dark, but luminous; ‘put on love’, and your life will be like a house built on rock, your journey will be joyful, because you will find many friends to journey with you.*

**Jesus is the one who brings God to us and us to God.**

*‘Put on Christ!’ in your life, and you will find a friend in whom you can always trust; ‘put on Christ’ and you will see the wings of hope spreading and letting you journey with joy towards the future; ‘put on Christ’ and your life will be full of his love; it will be a fruitful life.*

Do not be afraid to ask God’s forgiveness! He never tires of forgiving us, like a father who loves us. God is pure mercy!

You too, dear young people, can be joyful witnesses of His love, courageous witnesses of His Gospel, carrying to this world a ray of His light.

_Pope Francis_

Youth Mass - 5:30pm Sunday 2nd March - Doyle Centre - Basketball, Table Tennis & Pizza after Mass
Did you know

Shrove Tuesday is traditionally a time to clean out the pantry of all the yummy temptations we would not be eating during Lent?

As eggs, milk and butter wouldn’t last the 40 days, these were mixed up with flour and drizzled with honey to use up the ingredients up. YUM!

The Year 12 business students will be running Shrove Tuesday, some of them selling pancakes on the day to raise money for Caritas charity.

We would like to extend our thanks to Gingernuts Café on Sunlight Drive, the generous donation of 100 pancakes for the event. We are so very fortunate to have such great support of the College.

YEAR TWELVE NEWS

Connor Faulkner, Olivia Putland, Claudia Evangelista, Crystal McPhillips, Maddy Mead, Maddy Purdon, Angie Richards, Breanne Cassidy, Matt Ash, and Adrian from Royal Pines

On Tuesday 25 February a selection of Year 12s finest Business students headed to Griffith University for the opportunity to participate in the Griffbus Year 12 Program. This program entitles students all across the Gold Coast to visit the campus and spend three days spread across three terms, to grasp a sense of university life.

By successfully completing the three days and passing the assessments, students will be offered Direct Entry into any Griffith Business course in 2015. During Tuesday’s visit, hundreds of students were divided into three groups, including Business Management, Commerce and Hotel Tourism & Sport Management. I participated in the Business Management course. Our lecturer, Kate, outlined the importance of Human Resource Management, focusing on recruitment. Fortunately, during Business last year I learnt about Human Resource Management. These experiences assisted me throughout the lecture as I had a background of understanding the information that was discussed.

After lunch, our group of 130 students was divided into four groups. We were then group assessed on our ability to work together with various students from other schools. I thoroughly enjoyed this experience and look forward to attending the program again in April. This opportunity enabled me to interact with peers from different schools across the Gold Coast.

BUSINESS COMMUNICATIONS & TECHNOLOGIES

Last week Year 12 Business Communications and Technologies students buckled up and went on a tour of the renovations currently underway at RACV Royal Pines.

As conferences and events are a specialty of this resort, we wanted to find out what went into planning, holding and catering for large numbers of guests. We viewed the golf courses where the ANZ Ladies Masters was held the week before, the wedding chapel where many a bride and groom come for their special day, the back of house catering, and some of the very special rooms for guests. The spa currently being built looks luxurious and the special sugar creations from the kitchen smelt delicious.

We followed up the tour with a bite to eat with views looking out over the entire Gold Coast, and a bunny-hop ride home in the school bus.

YEAR ELEVEN NEWS

YEAR 11 COORDINATOR UPDATE

This year, for the first time, all Year 11 and 12 students have, on their timetables, a double lesson a fortnight called ‘QCS Prep.’ While the Year 12s are indeed using this time to prepare to take the Queensland Core Skills Test later in the year, the Year 11s have been hard at work planning for their successes.

The goal in these lessons with Year 11 students is to ensure that they work together with their teachers, parents and advisors to plan their own individual pathway. This work has included study skills, study timetabling, goal setting, motivation and self discipline. The aim is to support all students in being clear on their own educational objectives so that they can work towards optimum success and achieve their own personal goals both at school, in further studies and in the workplace.

Amy Anderson - Year 11 Coordinator

AT ASSEMBLY WITH ERIC BAILEY!

Many of us strive towards achieving our best, but how many of us actually do?

The Year 11s thought they were going to a normal year assembly consisting of general information. They certainly were not expecting an entertaining session with guest speaker/former NBL player - Eric Bailey.

Eric came in with a very positive attitude and spoke us about the positive and negative impacts in his life. He started off by saying that he was NOT a motivational speaker; he was just someone to help you achieve your best. It was clear that he had had a lot of hardships in life; his career as a NBA player failed because he helped his team win while disobeying his coach (he was usually a bench warmer).

Against the instruction of the Coach telling him not to score or even touch the ball, with the Coach constantly saying that he ‘wasn’t good enough, he did it anyway and won the game. After the Coach fired him he couldn’t find a team in the US to join and moved to Australia and played successfully for the Melbourne Tigers, Hobart Devils and Gold Coast Rollers.

Later in the session he told us that as a young child he was given up for adoption because of his health issues. He was also surrounded by a lot of negativity especially “livin’ in the hood” [sic]. Eric said that the negativity was overcome when no one believed in him and when he was at a low at only 14, with weak knees and told he would never play basketball.

Eric turned around and proved them wrong and gave his 100%. His story is inspirational and shows that with clear goals and perseverance, anything is possible. Eric concluded with the thought that negativity can only change to positivity with you.

Daniel Debattista - Year 11 reporter
Last week, Year 10s experienced a Personal Development day. Our cohort was split according to House colours and attended 2 different sessions. The first was about study skills, the second involved an insight into police work and the potential dangers we face as teenagers. This was presented in association with the College’s “Adopt-a-Cop” project.

Senior Constable Dave Sammons and Constable Warrick Fraser talked to us about drug abuse, the outcomes, parties, drinking, pornography and crime stoppers. They told us stories about the missions they have had to go on, the drug busts they have experienced and why drinking, drug abuse, and pornography is unscrupulous. We were told about the dangers involving drugs, and the long-term effects that will haunt us first, then lead on to drinking penalties and brain damage which drinking can cause.

Constable Warrick Fraser talked about all the penalties involved in sexting and taking inappropriate photos. We were told that if you receive, send, own or take photos that could be classified as sexually explicit you will be fined or put on the child pornography list which can harm your future if you wish to work with children in any profession.

The other seminar was given by Alex, who taught us to use different studying techniques to better our grades and make us more prepared when an assignment is due or before a test. We were given a booklet to fill out so we could remember the methods spoken about in the lecture. I believe almost everyone remembered what Alex said because of the stories she told to describe the situations you may find yourself in if you forget to study or if you study but don’t follow up on it. She interacted with the students and got volunteers to prove points in a manner that the students wouldn’t forget, which helped all of us to pay attention!

That seminar opened my eyes to a whole new world and awareness to what harm drugs and alcohol are doing to our society.

Fellow reporter Karla MacPherson makes the point, “It was made my peers and myself more confident with study notes and preparation.”

I believe the Year 10 Personal Development day was a productive one that educated us to understand the laws and restriction for offences most commonly made in our age group. Brittany Stimson found the sessions “interesting and informative” and is looking forward to future PD days!

Shiralee Sweeny - Year 10 reporter and participant
**Year Nine News**

This week Year Nine students have been talking about the importance of Goal Setting. In their Pastoral time this week they were all asked to write three goals for this year and at the end of the year we will review these goals just to see how well they kept to them.

Remember “If we don’t know where we are going – how will we get there?”

We would ask that parents continue to sign their son/daughter’s record book every Sunday night. It is important to see what homework has been set and what assignment work is in progress! It is also important that any infringements relating to Work Habits are shown to parents. These infringements are recorded with Work Habit stamps. Students should be explaining to their parents why they have these stamps!

Also this week students were asked to choose Pastoral Representatives for their Pastoral Group:

| 9AA: Matilda Anderson & Thomas Fisher | 9AB: Jordan Burns & Lily Van Der Meer |
| 9AC: Jacinta Atley & Reece Jackson | 9BD: Sarah McKean & Ben Carroll |
| 9BE: Mia Beasley & Simi Tomsen-Ajayi | 9KH: Tom Weatherall & Darla Tubale |
| 9KH: Tom Weatherall & Darla Tubale | 9PI: Amy Dowdle & Zack O’Donovan |
| 9PK: Peyton Hutchins & Nico Sheck | 9PK: Eshwin Rangesh & Georgia Gamble |

Congratulations to Mia Beasley & Nico Sheck who will represent Year Nine at the Student Teacher Advisory Council (STAC) in 2014

Year Nine students have made an excellent start to the year! Keep up the good form!

YEAR 12 UNIVERSITY SHOWCASE VISIT
The University Showcase will be presented in the Doyle Centre on Tuesday, 18th March from 11am-12.30pm. A short presentation will be provided and representatives from the Universities you will be considering will be available for face-to-face consultation. Don’t miss this rare opportunity!

YEAR 11 WORK EXPERIENCE WEEK PROGRAM
By now, all Year 11 Students should have received their Work Experience Program yellow forms which were mailed home recently. Can we please encourage students to consider their preferences and research their options urgently? Many of the quality placements available throughout the Coast are snapped up early (several schools schedule their Work Experience Week at the same time).

Please keep in mind that it is very acceptable to spend the week in the workplace of a parent, relative or family friend.

The dates for this year’s program are Monday 23 June to Friday 27 June (Term 2/Week 10). If you are struggling to find a place or come up with some ideas, please feel free to visit the Marymount Careers Office or contact Ms Petrina James on 55861063 or pjames@marymount.qld.edu.au

Congratulations on your performances Jack & Caitlin. Good luck at the National Championships.

**Tennis Gold Coast Annual Secondary Inter-School Challenge**

Tonight at Queens Park Tennis Centre and also at TSS tennis courts is the 2014 Tennis Gold Coast Annual Secondary Inter-School Challenge. Marymount has four boys doubles teams competing against students of all ages from across Gold Coast schools. Three of our teams contain Year 8 players and the fourth team is a Year 10 team. Good luck to Travis Garland & Sebstian McIntosh (Year 8), Aidan Kinging & Kayd Shepheard (Year 8), Jacob Lenihan & Emmit Kenna (Year 8) and Dakota Jones & Nicholas Shaw (Year 10).

**Thursday Sport**

Next week is our first week of the AGCC inter school sport competition. All students should be aware of what team they are in and a draw for all sports and teams will be on our website shortly. Please make sure all students have the correct equipment.

**Yogurt Zone**

I am pleased to announce that Yogurt Zone at Burleigh Heads has chosen to reward Marymount students who compete in the AGCC inter school sport program. They have kindly donated vouchers to be handed out to the best & fairest players from teams each week. Every week over 20 teams will receive the voucher, with each team being given the voucher twice throughout the competition. Yogurt Zone has also kindly offered all Marymount families 10% off any purchase — simply tell them you are from Marymount when paying. Yogurt Zone is at 29 James Street, Burleigh Heads. Each week the winners of the vouchers will be listed in the sport section of the newsletter.

**District Trials**

The following sports have trials in the coming weeks: Netball (Girls 19&under and 15&under), Cricket (Boys 14&under). See Mr Balym to register and collect information.

**Billets**

Billets are still required for the 15 & under Boys and Girls Football teams competing at the State Championships in August. If you think your family can host a student for four nights from Wednesday 13 to Sunday 17 August please contact me via email: info@marymount.qld.edu.au or have your child see me in my office to receive further information.
