Project Compassion Appeal – Give Generously

A generous response is evident thus far, to our Project Compassion Appeal to raise funds for Caritas Australia. Over $3000 has been raised for Caritas Australia since the fundraising campaign started on Valentine’s Day. Students continue to be generous with donations during this Season of Lent. Personal acts of generosity are inspirational to those who ask others to give. When other persons follow the lead of those who give we see again the miracle of abundance that comes from small acts of generosity.

Why should we give? Because others do not have what they need to live with dignity; because we have more than others have; because we can choose to give away something we have even though it may hurt us; because we see the need to give; because the day may come when we would like to help others and not be able to because we have lost our wealth and/or our power to give; because we have been asked to give; because we are generous at heart.

Teaching and Lifelong Learning

This week saw the seventh team of College teachers complete their professional development day within the Art and Science of Teaching Program. It also saw Ms Callum, Teaching and Learning Coordinator, ask for teacher professional feedback on the program so far. The Art and Science of Teaching Program will continue for three years. It is a major commitment by our teachers to quality teaching.

The financial cost is high, but the contribution by individual teachers in terms of time for revisiting teaching theory, behavioural theory and curriculum theory; time for examining, evaluating and adjusting teaching programs and practice; and time for developing and adding new strategies to their lesson plans, is immeasurable. They face demands from the latest research about teaching practice. They face the expectations of Heads of Department and from the Principal who believe we don’t improve teaching by NAPLAN and QCS testing but by working collaboratively as a determined teaching staff.

Pulling baby carrots up to check on their growth won’t improve their growth. Water, weeding, tilling and sunshine by a gardener who knows the art and science of gardening is what is required, so it is with learning. Focusing on our teaching methods and practice in a collaborative and professional effort is the way to improve student learning capabilities.

The Art and Science of Teaching Program involves all Year Eight teachers in 2014. As the Year Seven and Eight students arrive next year the Program will support teachers across Year Seven to Year Nine. We are aiming to challenge and support students to develop their capability to always know what their learning goals are each lesson/week/term, and what they need to do next each lesson/week/term if they are to improve how they are going.

While this last summary of what we are trying to achieve appears simple, it is not. Teaching and learning is complex and demanding. That is why most people choose not to teach and why those who do deserve the community’s respect and admiration. I thank the Marymount College teaching staff for their willing efforts as we launched the Art and Science of Teaching Program this term.

Looking Ahead

The seven days of school following block exams plus six weeks and three days in Term 2 give the senior students nine weeks of classes until the End Semester Exams. These start on 13th June for Year 11 and 17th June for Year 12. The Year 11 students have Work Experience in the final week of Term 2.

Chris Noonan - Principal
DEPUTY PRINCIPAL

I draw your attention to the procedures for students who arrive late to school/become ill/ request to leave early.

Students are required to be at school in time for Pastoral Care at 8.30am.
However, if you are late for school:

Report to SAO and write your name on the pink sheet for late arrivals.
- Collect a late pass and complete the top section
- If you have a note for being late attach it to your late pass
- If you do not have a note for being late you will need to have your parent/guardian sign your late pass
- Have your late pass signed by the teacher of the first class you attend
- The following day give the late pass to your Pastoral teacher

(You will find the College Procedures in your son/ daughter’s Student Record Book)

While it is imperative that our data is always up to date and accurate on a daily basis, to maximise learning opportunities students need to arrive for school on time. Any student who is late to school or to class is adversely affecting their own learning and interrupting the learning of others.

We need your assistance to avoid repeated lateness to school.

In regards to illness while at school or a request to leave early there are students who are texting their parents to come and pick them up instead of following the correct procedures. When this occurs, it inconveniences both the parent and those who tend the office.

Please discuss the correct procedure as outlined below with your son/daughter so that the College runs smoothly and efficiently:

YOU BECOME ILL AT SCHOOL
- Request permission from the teacher you are with to attend Sick Bay.
- The teacher will write a note in your diary.
- Report to SAO and show the diary.
- Do not ring or text your parents as this will be done for you in SAO.
- When the student reports to SAO the office will contact the parent immediately to arrange pick up as soon as possible. Students will not be held in sick bay for any lengthy period.

YOU NEED TO LEAVE SCHOOL EARLY
- Bring a letter from your parent/guardian explaining why you need to leave early. Do not ring or text your parents.
- Have your Pastoral Teacher and Pastoral Coordinator sign the letter during Pastoral Care period.
- Immediately prior to departure report to SAO. Hand in your note and complete the early departure slip in the book.

We ask for parental support in ensuring each student follows the correct procedures.

Kyle Connor - Deputy Principal

ASSISTANT PRINCIPAL ADMINISTRATION - JUNIOR CURRICULUM

Parent Teacher Interviews - Tuesday 29 April 1:00pm - 6:00pm

A letter will be forwarded home with your son/daughter’s term one report, regarding parent teacher interviews, including password and login details to make a booking online. The online bookings will open on Tuesday 22 April and close at noon Tuesday 29 April. We encourage all families who are concerned about their child’s term one progress to make an appointment with the teacher concerned. Students are encouraged to attend interviews with parents.

Students are permitted to go home at 12:30pm, but supervision will be provided in the library until 3:00pm. Please complete the slip at the bottom of letter that is with reports if you require supervision for your son/daughter.

NAPLAN 2014

Year 9 students will undertake NAPLAN testing this year from Tuesday 14 May - Thursday 15 May. Please contact the College in writing if your son/daughter will be unable to sit tests on these days.

Students will be sitting practice tests on Monday under the same NAPLAN test conditions in the Doyle Centre, this is so that they are familiar with test conditions of the tests in May.

For further information on NAPLAN testing view the Information for Parents leaflet or visit the NAPLAN website.

Marie Hansen - Assistant Principal Administration - Junior Curriculum

- Dance Excursion 6:30pm

---

**Easter Liturgy**

As part of the school’s spiritual consciousness, students will be involved with the Easter Liturgy to be held on Friday April 4. It is an essential part of our religion in recognising the most important observance of our Catholic faith.

**Last week of Term**

April 4 is also our last day of Term 1. As a security measure we remind students to ensure their lockers are kept locked, particularly over the holiday break.

A reminder to parents and students that school officially concludes at 3pm on Friday April 4. All Year 12 students are expected to be here for the whole week.

We stress that school attendance is compulsory and a legal requirement.

**ANZAC Day Parade**

Year 12 students are invited to march with the student leadership team on April 25 at 9.15am from James Street.

**School Jerseys**

Thank you to our Year 12 cohort who managed to collect their jerseys promptly! We stress however, that the jersey may only be worn on Thursdays of each week, with the sports uniform.

We extend our best wishes for a happy and holy Easter break.

Project Compassion Featured Stories

Read the inspiring stories of our Project Compassion 2014 feature people, and learn about how their lives have changed through your support of Caritas Australia’s development programs.

Students raising money for Project Compassion through the sales of ice cups

On Tuesday last, a dedicated group of students from across the year groups visited Families Back on Track for the first time this year. As always, the children there eagerly anticipate the fun filled visits which the variety of activities that the students provide. Well done to all volunteers involved - students, Eliza our Campus Minister and Mr Chris Murphy chief sausage sizzler and bus driver!

You are cordially invited to join us for the celebration of our Holy Week liturgy on Friday 4th April, in the Doyle Centre during P1. The Easter story will be continued on the first morning that we return for Term 2.

Project Compassion fundraising activities continue from the morning Pastoral collection each day to the sale of ice cups by Year 8, and coming up next week Year 9 will have a Make Your Mark on Poverty Action. For a gold coin donation students may do a colorful handprint on a large banner.

We are saddened today at the news of the death of Bishop Michael Putney, former Bishop of Townsville and prior to that an Auxiliary Bishop of Brisbane Archdiocese. Bishop Michael had been ill for some time.

May he rest in peace.

Dolors Maitland - APRE

WEEK 4 - MARTINA FROM SOLOMON ISLANDS

Martina, a teacher in the Solomon Islands, enjoys clapping and singing with the children in her classroom. She knows they are not only having fun but also learning life-saving skills.

Songs and rhymes are important teaching tools. In the Solomon Islands, nursery rhymes are helping to save children’s lives.

Using well-known tunes and simple lyrics, children learn what to do in the event of potential disasters that face the Solomon Islands such as cyclones, floods, earthquakes and tsunamis.

“Nursery rhymes break down the fear associated with natural disasters, and also help children memorise the rhymes and the emergency response,” said Martina. “They enjoy the singing.”

Martina’s school in Ngossi is in a region, much like many in the Solomon Islands and Vanuatu, that is prone to all manner of natural disasters. It’s very important for the young children to learn strategies to be safe during disasters and emergencies.

“Our homes are under threat. We have the cyclone season that runs from November to March annually, so this type of disaster is a big risk,” said Martina.

Adam Elliott, Caritas Australia’s Solomon Islands and Vanuatu Program Manager, said disasters often occur early in the morning when the children are at school.

“The children take this disaster risk management to their homes,” said Adam. “They sing songs and talk about what the songs have taught them. “They have really taken it and made it their own, writing the songs in their local languages.”

The project is currently running in the Solomon Islands and Vanuatu. Due to its success and interest across the South Pacific, Caritas Australia is planning to extend the program’s reach to other countries.
In today’s society, where the social network extends beyond the school yard into our own homes after school, and in our pockets when we go out, cyber-bullying has become a real and ever-present threat to young Australians. If affected by cyber-bullying, it is far more difficult than it may seem to cut all connections to the cyber world. However, an action this drastic shouldn’t need to be necessary in a world that relies significantly on the online scheme.

Fortunately, in most cases of cyber-bullying there are simpler ways to manage the situation. Cyber-bullying is not an issue that can be ignored, and there is a high likelihood that, as a victim or bystander, students will all be exposed to it at some point.

With social networking facilities such as Facebook and Ask.fm, and ever-accessible phone applications like Snapchat and Kik, any student with access to a smart phone or computer is likely to come across an example of cyber-bullying at some point.

Awareness campaigns are delivered through Pastoral programs. Having obtained their laptops, all Year 8 students work on a project devised by teacher Ms Mullins, called “Once posted, always tagged.”

Students identify that they have a digital footprint before they are born. Parents may post on line, a picture of the baby in the womb. This is the first experience of this generation developing their digital footprint. Throughout their lifetime they will leave many footprints in various places. Students are taught that they are responsible for their own footprints. They have a right to have this respected. If they let go of it or it is not secured, it can lead to cyber bullying of their footprint.

It is a lifetime commitment to take care. This is to help prevent cyber bullying. It is about building resilience, and the ability to respond to the misuse of any of their own footprints on the net. “Netiquette” is a guide for students’ digital behaviour on the computers and for life online; it makes everyone a role model and they have to take care of each other while using their computer and the Internet.

Students are reminded about Online Relationships and the rules needed to be observed. They are asked to consider what kind of photos should be posted; should they accept anyone as a friend; should they post personal information, what security settings are needed and how much time per day should be spent with on-line activities.

Of course, like any other school, Marymount College makes great efforts to prevent all forms of bullying from occurring. But out of the playground, back in their own homes, it can become more difficult to manage the situation.

For this reason, all Marymount students are educated to avoid situations that may escalate to cyber-bullying, recognise the bullying in its early stages and act before the situation gets out of hand.

As well as these key steps, it is also essential that students share situations of online bullying with a parent, as well as a teacher, so that the situation can be resolved sooner rather than later.

In a society embracing the connection to the net, enjoying the perks of recent technological advancements and new ways to communicate online, it is not a sin to be a part of the evolution. As long as students can care for themselves and their peers, and parents and teachers can care for students, cyber-bullying can be kept out of the picture, something we should all work towards.

Jasmine Hodson - Year 12 TXT4U and student reporter

Marymount College is a school that integrates cyber-bullying awareness programs across all year levels. Motivational guest speakers and local officers, including the College’s Adopt-a-Cop Constable Warren Fraser, are used to discuss and conquer the ever-changing scope of cyber-bullying. The care starts with being aware of what can go wrong. The points are reiterated – use appropriate selfies, secure passwords, take care with whom information is shared because control of their own footprint could be lost.
We are excited to be offering parents the opportunity to purchase 2014|2015 Gold Coast & Northern New South Wales Entertainment™ Memberships to help us raise funds for Marymount College.

This year you have a choice – to purchase the popular Entertainment™ Books or the brand new Entertainment™ Digital Membership, which puts the value of the Entertainment™ Book into your iPhone or Android smartphone! The brand new 2014|2015 Entertainment Memberships feature many of the area’s best restaurants, cafés, hotel accommodation, attractions, and activities, and are packed with hundreds of up to 50% off and 2-for-1 offers, valued at over $20,000 that your family can enjoy until June, 2015!

The best part is that for only $55 you’ll be helping our fundraising, with $11 from every Membership sold contributing to Marymount College. Please let your family, friends, neighbours and work colleagues know we are fundraising, as the more we sell, the more funds we raise!

To purchase your book simply go online to: https://www.entertainmentbook.com.au/orderbooks/14401h8 or visit the Uniform Shop.

Billets Required

Seeking Interested Families to Billet Students from the Top End

Marymount College is excited to be hosting 15 children and 4 staff from Nganmarriyanga community in the Northern Territory for five nights from 25th - 30th August.

Nganmarriyanga has a population of 400 people and is about 400km south-west of Darwin. The first language of these students is Murrinh-Patha. English is their second language. Some of these students have never been out of the community. For about seven months of the year, Nganmarriyanga is isolated by flood water.

This is a wonderful opportunity for the students from Nganmarriyanga, and a valuable learning experience for our students also. We are seeking families who would like to billet one or two students in their home over this period, whilst they attend Marymount College.

If you are interested, please contact Kim Parker by email: kparker@marymount.qld.edu.au, or by telephone at the College 07 5586 1000

Host Families for French and Italian Students Needed

Students of the World are looking for families to host French or Italian students.
- French students will arrive on either 6 July or 19 July, and depart on the 29 August 2014.
- Italian students will arrive 21 June, and depart either on the 20 August or 13 September 2014.
- Student attends school and stays with Australian families.
- A donation will be given to each family to help cover expenses.

For more information, contact: Mr Michael Murtagh OR rose@studentsoftheworld.com.au www.studentsoftheworld.com.au

Billets for 15 & under Boys and Girls Football

Billets are still required for the 15 & under Boys and Girls Football teams competing at the State Championships in August.

If you think your family can host a student for 4 nights from Wednesday 13th to Sunday 17th August please contact Head of Sports - Mr Balym via email: info@marymount.qld.edu.au or have your child see Mr Balym in his office to receive further information.

Period 7

Period 7 is an initiative of the Learning Support teachers at the College to assist students with homework or assignment work and provide an opportunity for students to access the library facilities after school hours. This is a very flexible and casual environment where bookings are not required and students can attend as they feel the need.

When: Thursday afternoons from 3.10- 4.30pm
Where: The College library
Who: All students are welcome

Wanted

CAREERS OFFICE NEWS

YEAR 11 WORK EXPERIENCE “YELLOW” FORMS

Year 11 Work Experience “Yellow” forms are now overdue! If you haven’t done so, please submit your form to the Marymount College Careers Office located in the Library as soon as possible. Included should be details of where you will be attending. If you are having trouble locating somewhere suitable, please consider visiting the workplace of family or friends, as benefits come from just experiencing a workplace environment regardless of whether the placement is relevant to your career choices or tertiary study interests.

PARENT PRACTITIONERS – MARYMOUNT COLLEGE CAREERS EXPO

On Tuesday, 29th July 2014 (Term 3/Week 3), the annual Marymount College Careers Expo will be held in the Doyle Centre and we are keen as always for parents and carers from our Marymount Community to come along and share their knowledge and experiences within their area of expertise with our young people. The involvement is only on the night for 2 hours (6pm-8pm), and really only requires you having a chat with anyone interested in what you do. If you think you might be available, please contact Ms Leesa Lutze on phone: 55861063 or email: lulutze@marymount.qld.edu.au for further details.

Australian Age Swimming Championships
Congratulations to Tyler Beecher on his qualification to compete in the 100m and 200m Backstroke at the Australian Age Swimming Championships in Sydney during the coming school holidays. Good Luck Tyler.

2014 Queensland Senior State Cup OzTag Championships
Last weekend we had students competing at the 2014 Queensland Senior State Cup OzTag Championships in Kawana. At the end of the event, two students were selected into the Queensland State Team: Reid Henderson and Liam Rolls were both selected in the U17 Men’s team. Reid was also awarded the MVP in the U17 division for his performances over the course of the championships. Well done Reid and Liam. Reid and Liam will now represent Queensland at the State of Origin series being held in Canberra in May.

South Coast Representative
Congratulations to Norbert Csiki-Bege on his selection in the South Coast 18 & Under Boys basketball team to compete at the State Championships in Cairns from 15th to 18th of May. Good Luck Norbi!

Thursday Sport
Unfortunately due to the wet weather the interschool sport games were cancelled this week. Interschool sport is on next week and the first week back next term. All students must attend sport on a Thursday. Marymount has entered teams into the AGCC Semester 1 Inter School Sport Competition and all students are in an inter school team. Failure to attend sport on a Thursday could mean that your team has to forfeit, which is not fair to your other teammates or the opposition school. If you need to make appointments you need to make these for outside of school hours.

District Trials
There are no more District Trials this term. The next round of trials begins in week 2 next term.

Sporting Results
Many of the sporting results that happen outside of school only make their way to our newsletter because the students or their family inform the school. If you would like to have your results or your child’s results published in the newsletter, please contact me via email: info@marymount.qld.edu.au and I will make sure we have the details in the next newsletter.

Trent Balym - Head of Sport

GIRLS AFL

On Tuesday 25 March, during exam block, Marymount’s Open team, made up of Year 10s and some willing Year 11s competed in the Youth Girls AFL carnival held at Coomera Sports Grounds. The whole team learnt new skills and what AFL was all about.

Although we lost the four games we played, it was a great experience and we still managed to get fourth out of six teams. We all had the opportunity to try out different positions to see who worked best together whether they were in the forwards, middles or backs position.

The whole team bonded well for a team who had never played together. We performed very well and we were getting better every game. Special thanks to Mr Carroll, Ms Andersen and Mr Larkin for taking all the girls to Coomera - we all had an awesome day!

Karla MacPherson - Year 10 sports reporter and participant
