We are Resurrection People

Our goal is to help young people develop into educated, positive Christians capable of taking on responsibility in their life and of living thoughtfully, purposefully and happily in the communities they are part of in their life’s journey. However, life’s journey will involve challenges, loss and sadness and we teach resurrection. Christ’s rising from the dead established God’s power over death and reminds us that we have power over the challenges, loss and sadness in our lives. We draw on and contribute to faith in the promise of Christ, hope that with God our efforts will meet the challenges, loss and sadness that comes our way and, love of God and our community. Each day we pray for the humility to enter into this mystery of our faith in community for others; we trust in the promise of eternal life.

Mary Magdalene was the first to encounter and acknowledge the Risen Christ. Throughout his ministry, Jesus showed particular sensitivity and consideration towards women, and they responded readily to his call. Healed by his divine hand, Mary had followed him with quiet devotion, even to the ignominy of the cross. Now, in this beautiful scene, her mourning is turned into joy, as she falls at his feet with the simple, reverent greeting, ‘Rabboni!—Teacher!’ Darkness yields to light as she spreads the glorious news. From this moment, suffering and death take on a new meaning. May we too, Lord, recognise and revere your presence in our lives, experiencing and conveying to others the joy of Easter all the year round.

Gospel John 20:11-18

Mary Magdalene stayed outside the tomb weeping. And as she wept, she bent over into the tomb and saw two angels in white sitting there, one at the head and one at the feet where the Body of Jesus had been. And they said to her, “Woman, why are you weeping?” She said to them, “They have taken my Lord, and I don’t know where they laid him.”

When she had said this, she turned around and saw Jesus there, but did not know it was Jesus. Jesus said to her, “Woman, why are you weeping? Whom are you looking for?” She thought it was the gardener and said to him, “Sir, if you carried him away, tell me where you laid him, and I will take him.”

Jesus said to her, “Mary!” She turned and said to him in Hebrew, “Rabbouni,” which means Teacher. Jesus said to her, “Stop holding on to me, for I have not yet ascended to the Father. But go to my brothers and tell them, ‘I am going to my Father and your Father, to my God and your God.’”

Mary went and announced to the disciples, “I have seen the Lord,” and then reported what he had told her.

Marymount Tours 5:30pm Monday 28 April

Students are available this Monday to conduct tours of the College for prospective families. The Term 2 Tours start at 5:30pm with the last Tour starting at 6:00pm. Tours take less than an hour. Administration Staff are available at the end of the Tours if visitors want further information.
## PRINCIPAL

While much information is available on our website and in the College prospectus, these tours give families a ‘feel’ for what Marymount has to offer. They are scheduled to assist busy families as they consider options for their children and feedback from visitors has been consistently positive.

### Enrolment Interviews for 2015 & 2016

Enrolment applications are invited for students currently enrolled in Year 5, 6 & 7 as the College offers places to students up to two years prior to commencement.

Enrolments for Year 7 in 2015 will close by the end of Term 2. Further, as we plan for a smaller Year 8 cohort in 2015, we anticipate closing these enrolments in Term 3. It is therefore important that families with children currently in Year 6 or 7 make applications for enrolment now so that they are included in enrolment interviews on:

- **Monday 19 May 1:00pm – 7:00pm**
- **Tuesday 20 May 1:00pm – 6:00pm**

### ASSISTANT PRINCIPAL ADMINISTRATION - SENIOR CURRICULUM

Welcome back to what promises to be a busy term!

#### Subject Changes Not Possible

I remind parents and carers here that it is not possible to change subjects at the start of Term II. We cannot credit students with a full Semester’s participation when they have missed all of the work in Term I. Students may look at swapping subjects at the send of a Semester.

#### Parent/Teacher Interviews

All is in readiness for the Parent/Teacher interviews coming up next week and we look forward to meeting many parents at these interface gatherings. As always, it is worth noting that we consider the best approach to Senior Schooling is a three-way partnership between parent, teacher and child; so supporting them at the interviews is a vital part of the process.

#### Principal’s Awards

I also look forward to sharing the success with the many recipients of the Principal’s Awards next Friday. There are many deserving students whose hard work and dedication will be acknowledged at this important school function.

#### QCS Test Preparation

QCS extra practices for Year 12 students will commence this Term. Every Wednesday in the library, from 3:15 to 4:15. Students may come along if they are keen to get in some extra practices, do some peer tutoring and the like and have a genuine go at some multiple choice and short response items from past papers. See me if you are interested.

**ASSISTANT PRINCIPAL ADMINISTRATION - JUNIOR CURRICULUM**

**NAPLAN 2014**

Year 9 students will undertake NAPLAN testing this year from Tuesday 14 May - Thursday 15 May. Please contact the College in writing if your son/daughter will be unable to sit tests on these days. Students will be sitting practice tests on Monday under the same NAPLAN test conditions in the Doyle Centre, this is so that they are familiar with test conditions of the tests in May. For further information on NAPLAN testing view the Information for Parents leaflet or visit the NAPLAN website.

**Exemptions**

Exemptions may be granted for students with a language background other than English or for students with a disability. In both cases, schools need to discuss the proposed exemption with the student’s parent/carer and gain their permission prior to the testing period.

English language proficiency: Students with a language background other than English who arrived from overseas and have been attending school for less than a year before the test may be exempted. However, these students are not automatically exempt and should be given the opportunity to participate in testing. Principals can expect information from Test Administration Authorities on the preferred method for collecting and recording this information. Students may be exempt from one test (eg Literacy) but still be able to participate in another test (eg Numeracy).

Students with disability: Adjustments are provided to students with disability to support access to the tests and encourage maximum participation. Students with significant intellectual disability and/or those with significant coexisting conditions which severely limit their capacity to participate in the tests may be exempted from sitting the national tests. This is determined after consultation has occurred between the principal and the relevant parent/carer, and it is decided the student is not able to access the tests with adjustments.

**Withdrawals**

NAPLAN tests are a routine part of the school calendar. However students may be withdrawn from the testing program by their parent/carer if there are religious beliefs or philosophical objections to testing. This is a matter for consideration by individual parents/carers in consultation with their child’s school. A formal application in the manner must be received by the principal prior to the testing.

**Absences**

Students are considered absent for test purposes in the following instances:

- They did not sit the tests because they were not present at school when the test was administered
- They were unable to sit the test as a result of an accident or mishap
- They were at school but were too ill to participate

Principals are encouraged to enable the participation of students who were absent on the day of the test but who return to school within the week scheduled for NAPLAN testing.

ASSISTANT PRINCIPAL - RELIGIOUS EDUCATION

That perfect weather of the past week; blue skies, warm days and cool nights highlights the Easter feeling of brightness and joy. As we return to Term 2, may this rising energy continue to stir us on to pursue a better world for we are an Easter people. Pope Francis, in his Easter homily, speaks to us about returning to our “personal Galilee” to that blazing light with which God’s grace touched each of us at the start of the journey. From that flame we can light a fire for today and every day, and bring heat and light to our brothers and sisters. That flame ignites a humble joy, a joy which sorrow and distress cannot dismay, a good, gentle joy.

A thought provoking article in last week’s National Catholic Reporter by Peg Ekerdt discusses what it looks like to be an Easter people? I share some of it below;

How are we to live? If we start at the very beginning and search the Acts accounts of the Easter season Scriptures, we learn how that very first community of Jesus’ followers began to shape their priorities and create a way of life.

From the record of those early days, a modus operandi begins to emerge. Within the early community, “there was no needy person among them” (Acts 4:34). Those who had more property and wealth liquidated their assets and gave the money to the apostles to distribute to those in need. This may be startling information to our 21st-century selves, but nonetheless true.

As the community developed attitudes, rules and a self-image, the Spirit was at work among them. At first, the Jesus followers shunned the newly converted Paul. They feared that he had not changed and would turn on them. But they came to believe, with the help of their own Barnabas, that radical change is the sure sign of the work of the Spirit of Jesus (Acts 9:27).

Those early folks also had presumptions about whom God favoured and loved the best. In time, they understood that God truly shows no partiality among humankind (Acts 10:34). All are equal in the sight of God. Finally, there was a clear message on that Ascension day that Easter people do not dawdle looking up at the sky but must live as active witnesses to faith wherever they are (Acts 1:11).

In response to these guidelines, we might say that times are very different now. We might add that the smaller size of the nascent community made sharing one’s wealth a manageable practice, but not in our age. We might want to maintain our own exclusive practices, loving those who look and think as we do, judging those who do not. We might want to ignore the faith’s invitation to radical change that invites reexamination of our own priorities, our words and actions, and even our use of time. We might want to say those things and more, but the truth of Scripture is ever ours, speaking anew to us each day, calling us to be truly an Easter people.

………. there are Easter people in all of our parish communities whose faithfulness inspires our own. They are the ones who trust the Spirit’s presence, even in the midst of adversity. They are the ones who refuse to keep up with the envied “Joneses” and raise their children to do the same. They are the ones who accept their own illnesses as opportunities to reveal God’s love to others. They are the ones who quietly feed the hungry and share their own resources with faithful abandon, and shape the next generation so they will do the same. They are the ones whose hearts ache with grief as they approach the Eucharist, hands outstretched and the “Amen” on their lips. “So be it, I believe.”

ANZAC Day

The College Anzac liturgy, held on Thursday morning, was enriched by the presence of well known local WWII veteran, Mr Lionel Veale.

Mr Lionel Veale, aged 95, is from Southport.

He first left the shores of Australia for the New Hebrides in 1941 to train the Free French. A couple of days after his arrival the Japanese bombed Pearl Harbour and the war in the Pacific had begun. By September 1942, just after the Battle of Milne Bay, he volunteered to work as an Army “Coastwatcher” in New Guinea. He operated behind enemy lines and living rough, was constantly hunted by the Japanese. It was very difficult for Coastwatchers to maintain their radios and feed themselves and their native helpers. Their usual means of supply was by small motor vessel or air drop, at night and at a prearranged time and location deep within the jungle. “Coastwatching” was very dangerous work that brought torture and execution to those who were caught.

Mr Veale is a published author of many books which depict his different missions whilst abroad.

Being one of the few of his generation still around to tell the story we are privileged and very grateful to have had Mr Veale address us.

JAPAN TOUR UPDATE

During the trip, students will be visiting the same school that called on Marymount College last year, Mikunigaoka Koko in Osaka. There, students will stay with their host families during the week.

Ms Aki would like to remind students that the Japanese students beat the school in both the boy and girl relays last year...better start training now!

Caitlin, a senior student describes her excitement for the trip, “I am undoubtedly looking forward to the Japan tour this year as I will again get to experience the Japanese culture and create amazing memories. I will also have the chance to try new things, and further advance my understanding of the Japanese language.”

As the trip approaches, Ms. Aki will be posting notices and meetings for students to look out for.

HOST FAMILIES REQUIRED

Host families required for students of Yuhigaoka Gakuen High School from Osaka, Japan attending Marymount College from 10 August – 23 August 2014. This is a worthwhile opportunity for your family to learn about Japanese culture, while sharing with your Japanese student the lifestyle of an Australian family.

- Families are asked to provide all meals and a friendly home for their student
- They will travel to and from school each day the same way as arranged for your own children (please provide transportation fee)
- Payment to host families of $400 will be paid to assist with some of the expenses involved when hosting your student

If you would like to host a Japanese student this year, please contact: Kanae Aki (Japanese Teacher) kaki@marymount.qld.edu.au to obtain a Host Family Application Form

Please contact Yoko if you need information about this program.

Do we need Blue Cards?

Yes. If your family hosts an overseas student for 10 or more days, it is necessary for all family members over the age of 18 to have a current Blue Card. Please contact the school office to obtain blue card application form.

Yes, I would like to host a Japanese student, but...

Will the student speak any English?

Yes. However, as their English skills may be limited, we would ask that you speak clearly and slowly (but not in a patronising way) when communicating with them.

Will I have to cook Japanese food for the student?

No. Your Japanese student is here to experience an Australian lifestyle. This includes spending mealtimes with your family, and eating what you and your family normally eat.

Is it OK if the parent/s work full time?

Yes. During these times (e.g. After school), your Japanese student can spend time with your own children. Families who live near each other are encouraged to share transport, or other activities outside of school.

Marymount College is excited to be hosting 15 children and 4 staff from Nganmarriyanga community in the Northern Territory for three nights: 25th, 26th and 27th of August. Nganmarriyanga has a population of 400 people and is about 400km south-west of Darwin. The first language of these students is Murrinh-Patha. English is their second language. Some of these students have never been out of the community. For about seven months of the year, Nganmarriyanga is isolated by flood water.

This is a wonderful opportunity for the students from Nganmarriyanga, and a valuable learning experience for our students also. We are seeking families who would like to billet one or two students in their home over this period, whilst they attend Marymount College.

If you are interested, please contact Kim Parker by email: kparker@marymount.qld.edu.au, or by telephone at the College.

Marymount Dance Extension during a routine last year

STARBOUND DANCE EISTEDDFOD

The Marymount College Extension Dance Team started their Easter holidays on a high note with impressive performances at the Gold Coast Starbound Eisteddfod held at the Nerang Bicentennial Community Centre. Despite the early morning start and having to share a tiny dressing room with a dozen ballerinas, the Team were ready to show adjudicator Mr Grant Dale how talented Marymount dancers are.

As the Section was open to all genres of dance, Marymount presented their “Closet Freak” jazz routine and their musical theatre piece, “Don’t Say Yes”. With both items in the same section it was a quick change for many of the dancers, but this didn’t detract from the performances.

The smooth moves and comedic timing of “Don’t Say Yes” were a huge hit with the adjudicator, who awarded it second place. Mr Dale made a point of commenting that it had been very difficult to decide between first and second place for this section. “Closet Freak” received positive comments for its lighting effects, funky choreography and impressive tricks and was awarded a Highly Commended placing.

Starbound is just the first of many eisteddfods that Marymount’s Dance Groups will compete in this year. Ms Press and her dancers will put in a great deal of hard work to ensure they perform at their best when representing the College at all upcoming competitions. Keep watching the weekly newsletters for all your Marymount Dance updates.

YEAR 8 - TERM TWO & A NEW BUILDING

After a nice and relaxing holiday, the first day of Term 2 was a success. Over the holidays, the completion of the beautiful new building gave a fresh new look and feel to Marymount. Everything went smoothly and we were excitedly working in our classes preparing for a fun new term.

Amy Thompson - Year 8 reporter
Welcome back to an exciting, event-filled term. There are many activities coming up involving Year 12 students be it in the academic, cultural or sporting fields. We look forward to updating you throughout the term. In the meantime we would appreciate parents and students taking note of the following aspects:

**Letter in the post**
Information concerning the Year 12 Formal on August 2 has been mailed out to all relevant families. Please note carefully the specifics contained within the correspondence. We will begin collating details for seating arrangements next week. Further reminders and updates will be provided, as we get closer to the date. It is important however to begin the planning now for a smooth, successful event.

**Study Time means students stay at school**
When students have Study Periods, they are expected to stay at the College during these times. At the Year 12 level, there is always much work to be completed, questions to be asked, assistance to be sought.

---

**Lateness to PC in the morning**
A reminder, it is essential for students to begin every day in attendance at their Pastoral class. They learn of the plan for the day, contribute to the many activities organised at the College and be ready for the business of learning.

**ANZAC Day March**
All Year 12 students are invited to join the Leadership team at Burleigh on Friday for the march along James Street. Please assemble at the top of the street at 9.00am

**Correct uniform**
It is so important that all students represent Marymount College with the highest regard. Correct uniform items must be worn at all times. Please use this weekend to purchase the correct shoes and accessories as indicated in the College Diary.

The Year 12 Jersey is part of the sports uniform and must only be worn on Thursdays.

Should you have any queries regarding any Year 12 matters, please do not hesitate to give us a call.

GC 2014 CAREERS EXPO
Our Year 10 students will be attending this event (Term 2, Week 3) as a group on Thursday 8 May. Please see flyer at the end of newsletter.

YEAR 11 WORK EXPERIENCE WEEK
It is pleasing to report that around half of our Year 11 students have secured a placement, and submitted the relevant paperwork. Less pleasing is that approximately 100 students have overlooked deadlines set, and in doing so, have quite possibly missed out on quality placements.

Work Experience Week is a compulsory part of the curriculum for this term (Week 10). Securing a relevant placement must be a priority at this stage. Students are encouraged to consider family and friends’ workplaces as an option. For those students who are still unsure of where to go, please visit the Careers Office (currently located in the Library) urgently. Placements on our database exist that may interest you, but these are offered on a first-in-first-served basis so please do not delay.

A reminder also that signed Work Experience forms must be returned to the Careers Office as soon as possible. Should you have any question, please feel free to contact Ms Petrina James on 55861063.
