P&F Discussion – 1:1 Laptops

The discussion at Tuesday evening’s P&F Meeting was long and reflective. All were focussed on how the College and parents can work effectively in partnership to ensure opportunities are taken as the laptop is used, at school and at home, as a tool to enhance learning. The very real concern about appropriate use, and in particular idle and/or unhealthy use, at school and at home, was considered.

While existing rules and procedures have been applied to good effect, student perception that laptop use is freely available, as well as anecdotal evidence and download data on the College server, confirm all is not well. The balance between draconian supervision and responsible personal use does not appear to be where parents and the College believe it needs to be.

Consequently the College will continue to involve teaching staff and Academic Coordinators in processes to change existing rules and procedures. Investigations into how existing security/supervision can be tightened and into alternative security/supervision products will be made. While the College believes the major investment into teaching and learning with The Art and Science of Teaching will sharpen teachers’ planned use and critical evaluation of the effectiveness of laptops, a tighter whole school policy response is required.

Year 11 & 12 Exam Blocks

Year 11 exams began yesterday and continue to Friday 20 June. Year 11 then have work experience in the final week of term. Year 12 exams begin Monday 16 June and continue to the end of term Friday 27 June. Seniors attending school during these times, whether for exams or to submit assignments must wear the full school uniform. Seniors attending for other than exams must sign in at SAO on arrival and sign out when they leave.

M Fest – College Musicians Perform

We congratulate and thank our College musicians and their teachers for the performances throughout the week of M Fest (2-6 June). With solo and ensemble performances in the tuckshop courtyard at recess and lunch time the days certainly had a different feel. Free dress and Have a Heart Day on the Friday added to this feeling. It’s good to be at Marymount.

Parent-School Partnership

We welcome parent input and advice as we work together for the educational success of our students. We endeavour to keep parents informed through our weekly Newsletter. Parents can be in touch by phone or email info@marymount.qld.edu.au to make suggestions or to register a complaint. Matters raised will be addressed with appropriate sensitivity and discretion as we endeavour to honour our responsibilities in the partnership.

Students who become unwell at school

If a student becomes unwell at school they should report to SAO. If in class, the teacher will sign their record book indicating they have permission to leave class to go to SAO. If too unwell a first aid officer will be called and, if necessary an ambulance. We take care to care for our students. When a parent arrives without prior knowledge asking for their child we do not disrupt classes to call the child. Such calls disrupt 1075 students, 72 teachers and 25 school officers. We only make calls over the PA at breaks between lessons.

Chris Noonan - Principal
The College is committed to lifelong and life-giving learning and ensuring the Gospel values of respect, care, inclusivity, forgiveness, faith, hope and love are reflected in all aspects of College life.

ASSISTANT PRINCIPAL ADMINISTRATION - SENIOR CURRICULUM

Year 11 Exam Block
Exam block has commenced well for Year 11 students and the Year 12 students start next Monday (with the exception of an early start for two English classes completing orals). I have reminded students of their obligations for normal appearance, uniform, punctuality and the like when it comes to attendance at school during exam block. Only a very small minority of students have lost these privileges due to overdue assessment tasks.

Reporting
Teachers are of course well under way with assessment corrections leading to reporting for the Semester. The reports will be mailed at the end of the Term. The mail-out will include details on the Parent-Teacher interview process for next term and we encourage parents to avail themselves of this opportunity.

Year 11 & 12 Student Data Capture
With reports we will enclose important data information sent out to all Year 11 & 12 students and their families. This will be in the form of a print-out from our Student Data Capture system, which is the electronic link to the Queensland Studies Authority. It lists all necessary data relating to completion of semester units of work, names and addresses and the like; all for the purposes of assigning final results at Exit. Parents and asked to sign and return this document, acknowledging it is accurate or noting the necessary changes directly onto the sheet.

A MOVEMENT OF THE HEART
A Prayer Service for WORLD REFUGEE DAY
hosted by the Archdiocese of Brisbane

Friday 20 June
6.30pm
Cathedral of St Stephen
249 Elizabeth Street, Brisbane

World Refugee Week will be held from Sunday June 15-21.

Exams, assignments, reporting are the focus of life at the College at the present time so it is heartening to know that five senior students have put their hand up to go on the street with Rosies next week even with all these pressures.

Our prayers over the next week will be focused on the themes of refugees and prayers for vocations to the priesthood.

The Refugee Council has chosen “Restore Hope” as their theme for this year’s Refugee Week and World Refugee Day as: The theme reminds us that, while a refugee’s journey begins with danger, it also begins with hope. Refugees flee their homelands not only because they fear persecution, but also because they have hope: they hope to find freedom from persecution, and safety and security for themselves and their families; they hope to be given a chance to start a new life and recover from past trauma.

The UNHCR reports that 33.3 million worldwide are now displaced by war.

Australia is known as the “lucky country” and for many of us, this is very true. We have the privilege of feeling safe: safe to speak our opinions; safe to practice our religion; safe knowing that we are at peace with the countries closest to us.

Unfortunately there are so many countries where the human right to feel safe is not a given. Many are currently experiencing hardship and turmoil as a result of political unrest, religious persecution, war and famine.

As a result many are left with no choice but to become refugees, fleeing their homes in search of a better life, a life lived in safety. Whilst it is often impossible to carry many belongings on their journey to freedom, the one thing they do have when they arrive in their new country, is hope.

On Friday 20 June the Archdiocese of Brisbane is hosting an event at the Cathedral of St Stephen to pray for a movement of the heart with regards to the treatment of asylum seekers and refugees. The evening will commence at 6.30pm and will include prayers, music (including performances from Scattered People, Brisbane’s own Refugee Choir) and insight into the lives of asylum seekers and refugees. The event and will be followed by a light supper.

This is an opportunity to show your solidarity with these people on our margins and to be part of a collective approach to our loving God.

The Novena for Vocations, V9 begins nine weeks of prayer from 15th June - 19th August. (see prayer).

Marymount College is excited to be hosting 15 children and 4 staff from Nganmarriyanga community in the Northern Territory for three nights: 25th, 26th and 27th of August. Nganmarriyanga has a population of 400 people and is about 400km south-west of Darwin. The first language of these students is Murrinh-Patha. English is their second language. Some of these students have never been out of the community. For about seven months of the year, Nganmarriyanga is isolated by flood water.

This is a wonderful opportunity for the students from Nganmarriyanga, and a valuable learning experience for our students also. We are seeking families who would like to billet one or two students in their home over this period, whilst they attend Marymount College.

If you are interested, please contact Kim Parker by email: kpark@marymount.qld.edu.au, or by telephone at the College.

Ms Pam Betts, Executive Director of Brisbane Catholic Education, presented Sinead with a $25,000 teaching scholarship on 3rd June at San Sisto College. The scholarship has been jointly sponsored by Brisbane Catholic Education and the More Aboriginal and Torres Strait Islander Teachers Initiative.

Sinead and I were privileged to be guests at the San Sisto College assembly where the presentation was made. Ms Pam Betts addressed the assembly and has kindly shared her words with us below about the importance of encouraging Indigenous educators.

It’s great to be here with you today to celebrate a very significant event in the lives of Tarni and Sinead. As we gather for this important occasion I acknowledge the traditional owners of the land on which we stand and celebrate.

Today we gather to congratulate Tarni and Sinead who completed Year 12 last year and successfully applied for the teaching scholarship jointly sponsored by Brisbane Catholic Education and the federally funded More Aboriginal and Torres Strait Islander Teachers Initiative (MATSITI). The aim of the scholarship is to increase the representation of Aboriginal and Torres Strait Islander teachers in our schools.

Both girls are to be congratulated on receiving these scholarships which will entitle them to fee and resource assistance over their four year BEd courses. They will be supported by Brisbane Catholic Education funded mentors who will provide assistance throughout the period of their study. During their formal study, the girls are both looking through the lens of teaching in part time roles as school officers. Today’s ceremony is an opportunity to formally recognise and celebrate their achievement along with their families while acknowledging their former school communities of San Sisto and Marymount communities.

CONGRATULATIONS SINEAD GREHAN – YEAR 12 CLASS OF 2013

It is a great privilege to be involved in the business of educating children and young people and it is a great privilege for me to be here and honour Tarni and Sinead’s hard work, and the support of their families and former schools, which has led to this achievement.

Teaching is a wonderful vocation. Teachers have a pivotal role in creating the right conditions and opportunities to encourage learning. They also pave the way for a more just and peace-filled world by preparing young people to be compassionate and responsible participants in our society. At the heart of their role is an affirmation of the essential goodness and giftedness of all people and recognition that the need for belonging is one of the most basic human needs. Teachers build a future by providing opportunities for positive outcomes in the lives of young people today.

Through honest and open engagement every teacher participates in laying the foundations for the future.

Sinead and Tarni I am delighted to be here today to congratulate you on being recipients of the MATSITI Award. I hope that your teaching careers when they begin, fill you will joy and the certainty that the work in which you are engaged is life giving and will influence the future of many. I have no doubt that your parents, family and the community of your old schools- San Sisto and Marymount College are very proud of your achievements. Know that we at Brisbane Catholic Education are also very proud of you and you keep for other Indigenous students to look to your success and follow in your footsteps.

Presentation to Tarni and Sinead.

Well done girls. I wish you every blessing with your studies and a wonderfully fulfilling career.

Students dressed up in pink and red and held activities to raise money for Rosies.

HAVE A HEART DAY

Everybody donned the colours red and pink last Friday for the annual Have A Heart Day to help raise money for Rosies, a not-for-profit organisation that provides food, blankets and unconditional acceptance and friendship to those marginalised by our society. Games and bake sales were held in the P&F courtyard to help raise money while the last performances of M-Fest were held. In the weeks prior to Have A Heart Day, each grade was asked to bring in things like toothpaste, blankets and jumpers so that hygiene packs could be assembled for Rosies to distribute.

The school community rallied magnificently to raise over $1,000 for Rosies.

To all who participated and contributed, thank you on behalf of the tireless workers who made the event happen for the benefit of others.

Host Families Needed

Host families required for students of Yuhigaoka Gakuen High School from Osaka, Japan attending Marymount College from 10 August – 23 August 2014. - Families are asked to provide all meals and a friendly home for their student
- They will travel to and from school each day the same way as arranged for your own children (please provide transportation fee)
- Payment to host families of $400 will be paid to assist with some of the expenses involved when hosting your student

If you would like to host a Japanese student this year, please contact: Kanae Aki (Japanese Teacher) kaki@marymount.qld.edu.au to obtain a Host Family Application Form

Please contact Yoko if you need information about this program.

Do we need Blue Cards?

Yes. If your family hosts an overseas student for 10 or more days, it is necessary for all family members over the age of 18 to have a current Blue Card. Please contact the school office to obtain blue card application form.

Thirteen Year 11 and Year 12 students wore the College blazers with pride as they represented the school last Tuesday visiting the Queensland Parliament House.

We arrived to see several media crews setting up and preparing for the big news day ahead, due to the Treasurer handing down his 2014/15 State Budget. Upon entering the building we were introduced and met one of MP Michael Hart’s advisors Mr Matthew Taylor, who accompanied us throughout the day.

We were given a guided tour of the Parliament and were fortunate to sit-in on Question Time prior to the budget announcement that afternoon. Currumbin MP and Minister for Tourism, Major Events, Small Business & the Commonwealth Games, Jann Stuckey kindly gave up her time and accepted questions from the students. A photo opportunity was organised when in the ‘Red’ room (now used for smaller meetings). State MP for Burleigh, Michael Hart joined the students for a BBQ lunch and shared a “Q&A” session revealing his motivation to become a politician and noting some aspects of his campaign, encouraging his young attentive audience to become aware of what is happening in their community.

After lunch we made our way to the Parliamentary Library, which is home to over 20,000 books. The books reached from floor to ceiling and covered all of the walls in the room. Some of the books contained details of the first sitting of the Queensland Parliament with the total collection being regarded as “priceless”.

A quick peek at Mr Hart’s office, helped us to realise how much time is spent on the job and the importance of having supportive families as politicians spend time away from their loved ones to work for others.

On behalf of the entire group I would like to sincerely thank Mrs Scott for organising and planning the day, which was gratefully appreciated by all of the students involved. Additionally, I would like to thank MP Michael Hart, MP Jann Stuckey and Mr Mathew Taylor for making the day so informative and enjoyable.

Exam Block

This term’s Exam Block begins on Monday June 16, for Year 12 students.

We ask that parents assist their son/daughter to check the date(s) and time(s) of set exams during the two-week period leading into the holiday break.

Copies of the Exam Timetable have been distributed to all students.

It is also accessible on the Marymount College Website.

Students who may have lost Exam Block privileges due to assignment work not being submitted, or the consequence of not attending detention during the term, are expected to come to school next week beginning at 8.30am to fulfill their obligations.

Please Note:
The full school uniform must be worn when coming in for an exam, to complete work or to see a teacher.

When coming in to the College for reasons other than to sit an exam, students must sign in at Reception, and the Library if choosing to study in this area.

Formal

On Thursday afternoons, students have been practising their dance for the occasion. We are very pleased with the way in which this has been progressing. We thank Dance teacher, Ms Press for her time in demonstrating the steps required to become accomplished participants for the ‘Pride of Erin’.

We encourage our young ladies to please ‘break-in’ your new shoes for the Formal by wearing them around the house. Get used to walking in them so that you can be confident for the red carpet entrance and of course the dancing later in the evening.

QCS Practice Days

A reminder to all students sitting the QCS test in September, that there will be two compulsory Practice Days. These are Thursday 24 July and Thursday 21 August. At this time, students will be asked to bring in the required equipment for each of the tests. This will be left after the Practice Test and stored in named plastic bags, ready for use on the days of the ‘real’ tests.

NOTE: Each test will require a set of equipment. For example, you will need 3 black pens – one for each of the tests mentioned. The Multiple Choice set will be reused. Students must bring in their own approved calculators on the Practice days as well as the days of the QCS Tests. These will not be collected and stored on the students’ behalf.

Equipment required is listed below.

YEAR 10 DRAMA

We have all been working so hard for the last two weeks and this Wednesday, all the rehearsals and preparation paid off. This term the Year 10 Drama classes had to create a collage drama about an issue that affects teenagers. A collage drama is a collection of short scenes that are creatively linked to the topic chosen. You can create these scenes using many different styles of drama. E.g.: poetry, scripted scenes, movement, speeches, songs and television segments.

Year 10 Drama students spent the day in preparation and ultimately performing dramas in front of Year 9s and Drama teachers Ms Howe, Ms Anderson and Ms Seggy. Leading up to our performances everyone was running around frantically trying to create the finishing touches and becoming frazzled when the sound and projectors were not working. However, the performances went off without a hitch and the quality of the dramas were amazing.

My group created a collage drama about the "Image of Perfection". We used scripted scenes, songs and videos to convey our message about our generation’s obsession with "perfection".

I am so proud of everyone who performed the collage dramas and I am glad to be part of the Year 10 Drama Family.
