Glimpses into the Divine

Because of our human limitations, we can only know God in human ways, but life is filled with glimpses into the divine. In the Gospel of John, Jesus promises that he and his Father are sending their Holy Spirit. This insight brings new understanding of God as perfect unity of three divine persons: Father, Son and Spirit.

A couple plays with a game with their young child, the husband whispering messages to the boy to take to his mother, she sending him back in delight to express her thoughts to his father. The game reveals the essence of love. The child who conveys each message is the message between his parents. He is the word made flesh, the expression of their love for one another. This, too, is more than biology or genetics. It is mystery.

Human life in all its aspects, joyful, sorrowful and glorious, is a continual encounter with grace revealed in life, God present in everything. At table, we divide food but multiply friendship. In service and work, we spend our bodies but increase our spirits. Alone, we hear a voice whispering in our consciousness, moving us with inexpressible longing to find communion with others. Every chance meeting is grounds for celebration, as glances and gestures remind us we are not alone, but always pointed toward love as our purpose and greatest joy.

In friendship (love, trust, fidelity), we surrender ourselves to one another, and in this we participate in the Trinity. Life itself is preparing us for an eternity in the community of God.

BCE Excellence in Teaching Awards 2014

Congratulations to all winners, finalists and nominees for the inaugural Brisbane Catholic Education Excellence in Teaching Awards. The Awards were presented Wednesday evening by Archbishop Mark Coleridge. Almost 200 nominations were received for the seven categories.

Congratulations to the winners of each of the categories:

Excellence in Teaching Religious Education:
Lorella Armijo, Stella Maris Primary School, Maroochydore

Outstanding Mentor for Teachers of Religious Education:
Marlene Warnick, San Sisto College, Carina
Excellence in Teaching (more than four years):
Adrian Biddulph, St Mark’s School, Inala
Excellence as a Beginning Teacher:
Liam Beatty, St Augustine’s College, Augustine Heights
Outstanding Mentor for Beginning Teachers:
Anne Chambers, Unity College, Caloundra West
Excellence in Leadership for Learning and Teaching:
Paul Mackay, St Peter Claver College, Riverview
Team Excellence in Learning and Teaching:
Curriculum Leaders Team, St Columban’s College, Caboolture

Congratulations to our Marymount College nominees: Ms Crawford, Mrs Fraser, Mrs Hurley, Mr Larkin, Mrs Mullins, Mrs Parker and Mrs Serong. Our Marymount entourage were part of the wonderful gathering of many principals, colleagues and families of the finalists (Mr Larkin and Mrs Serong), supporting them at the ceremony, which was held at the Victoria Park Golf Club. There was an air of genuine excitement in the room as we gathered to recognise the excellence displayed by dedicated teachers at Marymount and across the Archdiocese.

We thank, particularly, the Deputy Executive Director, Kevin Twomey, for instigating and co-ordinating the Excellence in Teaching Awards. It is a great initiative which will continue as an annual event. We also thank the sponsors of the Awards for their generosity and support of the Awards: Australian Catholic University, Teachers Union Health and Queensland Teachers Mercantile Bank.

Donna Grogan Rest in Peace

Your prayers are requested for the repose of the soul of Donna Grogan, mother of past students Louise, Kelly, Laura and Thomas (2013), who has died after a long illness.

Eternal rest grant to Donna, O Lord. May perpetual light shine upon her and may she rest in peace. Amen

Chris Noonan - Principal
DEPUTY PRINCIPAL

Student Late Arrival / Early Departure

New procedures have been introduced for students who arrive late to school or leave early. The procedures are as follows:

Late Arrival
1. Students will use their Student ID card to enter details regarding lateness into the computers (situated in the hall way in SAO).
2. The student receives a receipt from SAO, which together with the pink slip, the student takes to class.
3. The student must present the receipt to the teacher before entering the classroom. If the student does not have a receipt the teacher refuses entry and sends the student to SAO to sign in.
4. The teacher keeps the receipt and initials the pink slip for the student to take home.

Early Leave

The procedure for early leave where the student has their note signed by the PC Coordinator before leaving the school remains. The change occurs for the student when they sign out in SAO using their Student ID card and receiving a receipt before leaving.

It is important that all students carry their Student ID card at all times. The Student ID card is not only required for signing in late or early but for other usage such as the library and buses.

This new procedure will ensure that school data regarding student attendance is accurate and up to date.

ASSISTANT PRINCIPAL ADMINISTRATION - SENIOR CURRICULUM

Year 11 Work Experience

Exam block is almost completed for Year 11 students, who will move into Work experience from Monday 23rd June.

Year 12 Exams and QCS Practice

The Year 12 students continue exam block into next week. This includes a compulsory QCS practice for all QCS students on Tuesday morning. Only a very small minority of students have lost these privileges due to overdue assessment tasks.

Reporting and Parent Teacher Interviews

The semester reports will be mailed at the end of the term. The mail-out will include details on the Parent-Teacher interview process for next term and we encourage parents to avail themselves of this opportunity. There will also be important data information sent out to all Year 11 and 12 students and their families. This will be in the form of a print-out from our Student Data Capture system, which is the electronic link to the Queensland Studies Authority. It lists all necessary data relating to completion of semester units of work, names and addresses and the like; all for the purposes of assigning final results at Exit. Parents are asked to sign and return this document, acknowledging it is accurate or noting the necessary changes directly onto the sheet. Finally, there will also be information on the Principal’s Awards ceremony where we celebrate the very many outstanding results seen by a great number of students.

Meet the Mob from Nganmarriyanga - 25-26, 27th August 2014

Meet the Mob from Nganmarriyanga

Our friends from Nganmarriyanga arrive next term and we look forward to meeting them. Thanks so much to those families who have offered to host a pair of students from the Northern Territory. Here’s a sneak peak of the 12 students who will be staying with us in August. Please make them very welcome when you see them.

Kim Parker - Geography Coordinator and Mentor Teacher Indigenous Program

Congratulations Casey

Year 10 student Casey Randall has been selected to attend an Elite Titans Training Session on the 30th June.

Good luck, Casey!

We look forward to hearing how you went when you return after the holidays.

Seeking Non Anxious Children and Adolescents

Griffith University

At Griffith University we are conducting an exciting study investigating anxiety disorders in Children and Adolescents.

To help us understand how anxiety develop in youth we need to learn from children and adolescents who are not fearful or anxious.

We are seeking parents and their non-anxious children and adolescents (7 - 17 years) to participate in our study.

To thank you for your time and involvement in the study we will give you gift vouchers to the value of $50.

To find out more about this project, please contact Dr Ella Milliner and Dr Lara Farrell on (07) 567 88317 or email e.milliner@griffith.edu.au

Marymount Art Show will feature some exciting and well known Artists exhibiting their work at this year’s Art Show.

Over the coming weeks we will share the work and story of our Feature Artists.

Dean Cogle
Dean Cogle lives locally at Burleigh Heads. He arrived on Gold Coast around 1979-1980, and began airbrush work at Hot Stuff Surfboards.

Dean moved onto graphic design, art directing, illustration and print production, the rag trade, before opening an Art Gallery called Departure Lounge in Koala Park.

Aspirations:
To be free to create my own culture and keep going on my own path, spend more time painting and exhibiting my work.

One of his most popular works ‘Miami Party Ice’ was painted as part of a Gold Coast Fibro Exhibition.

“Painting the building crossed my mind more than once and with the trusty old rig borrowed from a friend it added something more personal.”

This project has helped make Agricultural Science real for the students and opened their eyes to the complexities of running a successful agribusiness.

Calves Return Home

With some sadness Blue, Gavin and Toby have now returned to Scenic Rim Dairy at Beaudesert to join their friends producing rich fresh “4Real” milk. In the 3 weeks these calves have been at Marymount they have each gained about 10kg in weight. The care and commitment giving by the students working with the calves has really impressed farmer Greg Dennis. On his facebook page he writes,

"Huge thanks to Chloe, Sophie and Lily...who put in the bulk of the work in keeping our babies healthy and well."

He has invited the girls to return to his farm on the 28th June to celebrate the first birthday of his business. At this open day the girls will look after the calves for the day, and tell visitors about the experience of having the calves at the school.

“BLUE will be the mascot for the day, as all funds raised will go towards Beyondblue” he said.

We would like to thank Greg for giving Marymount College this wonderful opportunity. This project has helped make agricultural science real for the students and opened their eyes to the complexities of running a successful agribusiness.

Recently Separated / Divorced?

Centacare is conducting a Divorce and Separation Recovery Workshop commencing on Monday Evening 11th August 2014. The workshop will run for seven weeks from 5.30pm to 7.30pm at Centacare 50 Fairway Drive Clear Island Waters, at a cost of $10 registration plus $5 each week. Total $40 - Coffee, tea and a light snack will be provided.

This gentle non-confrontational and supportive workshop provides a wonderful opportunity for people who are struggling to overcome one of life’s challenges. If you wish to register for this workshop please call Centacare on 07 55277211. Registrations close on Thursday 4th October.
Exam Block continues Monday 23 and Wednesday 25 June

Tuesday June 24 will require compulsory attendance for those intending to sit the QCS tests.

We ask that parents assist their son/daughter to check the date(s) and time(s) of set exams during the two-week period leading into the holiday break.

Copies of the Exam Timetable have been distributed to all students.

It is also accessible on the Marymount College Website.

Please Note

The full school uniform must be worn when coming in for an exam, to complete work, study or to see a teacher.

When coming in to the College for reasons other than to sit an exam, students must sign in at Reception and the Library if choosing to study in this area.

Formal

We encourage our young ladies to please ‘break-in’ their new shoes for the Formal by wearing them around the house. Get used to walking in them so that you can be confident for the red carpet entrance and of course the dancing later in the evening.

QCS Practice Days

A reminder to all students sitting the QCS test in September, that there will be two compulsory Practice Days. These are Thursday 24 July and Thursday 21 August. At this time, students will be asked to bring in the required equipment for each of the tests. This will be left after the Practice Test and stored in named plastic bags, ready for use on the days of the ‘real’ tests.

NOTE: Each test will require a set of equipment. For example, you will need 3 black pens – one for each of the tests mentioned. The Multiple Choice set will be reused. Students must bring in their own approved calculators on the Practice days as well as the days of the QCS Tests. These will not be collected and stored on the students’ behalf.

Equipment required is listed below.

YEAR NINE NEWS

Host Families Needed

Host families required for students of Yuhigaoka Gakuen High School from Osaka, Japan attending Marymount College from 10 August – 23 August 2014. This is a worthwhile opportunity for your family to learn about Japanese culture, while sharing with your Japanese student the lifestyle of an Australian family.

- Families are asked to provide all meals and a friendly home for their student
- They will travel to and from school each day the same way as arranged for your own children (please provide transportation fee)
- Payment to host families of $400 will be paid to assist with some of the expenses involved when hosting your student

If you would like to host a Japanese student this year, please contact: Kanae Aki (Japanese Teacher) kaki@marymount.qld.edu.au to obtain a Host Family Application Form

Please contact Yoko if you need information about this program.
Yoko Sugimoto (ISS – Study Tour Organiser)
3870-9114 / operations@griffithiss.com.au

Do we need Blue Cards?

Yes. If your family hosts an overseas student for 10 or more days, it is necessary for all family members over the age of 18 to have a current Blue Card. Please contact the school office to obtain blue card application form.

YEAR 9 VISUAL ART WITH MARI HIRATA

On Tuesday 3rd and Wednesday 4th June, both Year 9 Visual Art classes were given the opportunity to participate in an interactive workshop held by Mari Hirata, a fine art/photography artist who is currently practising on the Gold Coast.

During the workshop we briefly learnt about Mari’s Japanese cultural background and some of her most recent finely composed images, and were able to interact and experiment with long exposure light photography.

The finished photographs that we produced during the workshop were incredible and we were all extremely privileged to have learnt so much, not only about photography and the work of light but also about Mari’s intriguing body of work, where she explores issues of personal and trans-cultural identity and uses visual puns to create humour.

The workshop was overall an incredible experience, which we certainly took a lot away from.

Reflection Day was an amazing experience in which we all joined in the challenges and activities. We found partners of the opposite sex and played a challenge with them while also inviting them to sit with each other’s group at lunch. In other challenges, we made groups of 10 in which our host, Michael, played a classical song and we had to guess its title. There were also dance battles and singing contests.

Afterwards, we were given the chance to speak in front of the whole grade saying to one person, who wasn’t your best friend, why they inspired you and why you respected them! Many students built up the courage to say why they respected someone whom they didn’t talk to much, and it turned out that the rest of the grade felt the same way about that person. As the day drew to a close, Mr. Fren got up in front of the students who were waiting for the buses, and sang with Michael. There were lots of laughs and fun during the day and I really enjoyed it.

Erin Wilson - Year 9 reporter and participant

As all my Year 9 peers and I reach the halfway point of Year 9, Reflection Day couldn’t have come at a better time. This year, we tackled issues such as: False popularity, courage issues, and our opinion on Co-Ed Catholic Secondary schools. Michael Fitzpatrick, an excellent speaker and motivator, who managed to drag everyone out of their comfort zones, including myself, facilitated Reflection Day.

The various organised activities are very important for us to recognise how much courage we actually have, by singing and dancing in front of our whole grade definitely loosened the tension. The last section was by far the most important part of the day because it provided the opportunity to give recognition to those who earned it; we had over 30 students recognised for their courage, determination and love by all the other students. These days are very important for our students; it helps us recognise our true qualities.

MARYMOUNT MAKOS SKILLS MORNING

WHERE: Marymount College WHEN: 9:00am – noon Sunday 22nd June 2014 COST: Nil

WHAT TO BRING: Sunscreen, runners, mouth guard, water bottle, boots, training shirt/jersey

The purpose of the session is to develop our players and introduce to them the way we want our boys playing ‘The Greatest Game of All’.

It will be an excellent lead up to our Term 3 Rugby League competition.

The format of the day will see players moving between stations (catch and pass, defence, kicking, structure) where they will be coached by College and guest coaches along with example and advise from our 1st XIII Confraternity side.

At the conclusion of the session the boys will be given a sausage sizzle and soft drink.

Open to ALL boys who would like to attend

This is a new initiative of our College’s Rugby League program and we look forward to seeing every boy attend. If you have any queries, offers or suggestions please contact Mr Hamilton (55861000)
With only 9 days to go until the team embarks upon their quest to prove their worth in Confraternity 2014 preparation is nearly complete.

The team, which will be captained by Liam Donnelly (on-field) and Matt Ash (off-field), have left no stone unturned as they prepare for the biggest challenge in their time as members of the Marymount ‘Makos’ Rugby League program. The players are confident that the work they have done both on and off the field since October 2013, and in some cases over the last 3 years, will stand them in good stead against some of Queensland’s most dominant Rugby League Colleges.

The annual Confraternity Carnival, which began in 1980, is the countries largest schoolboy rugby league carnival. It caters for Catholic and Independent Colleges across Queensland and will this year see 44 schools compete. Marymount College has been a part of Confraternity since its inception 34 years ago and is seeded in ‘A Division’.

During the last two years Marymount has recorded it’s best results, bringing home the Bob Lindner Shield (top of second tier of A Division) for two years running. In 2014 the goal is to eclipse this by achieving a finishing position in the top tier of ‘A Division’.

During second term we have played in the Gold Coast Titans Cup where the team performed well but were underdone due to a lack of player ability. There were some very good signs though, particularly in our defence and physicality.

These traits were on show throughout our other trial matches during the first semester. Strong showings against St Peter Claver, Clairvaux MacKillop and Aquinas Colleges along with narrow losses to Keebra and Woodridge SHSs have given our boys the physical and mental preparation they will need to achieve.

The 1st XIII team for 2014 was presented to the College last week. Congratulations to all of these boys and a big thank you to the other twenty boys who pushed for a position, your efforts play a big part in the strength of our team.
Sports News

In addition we have twelve boys who have answered the call from other Colleges to play for them to make up numbers. A big thank you and well done to these boys:

- Good Shepherd College, Mt Isa: Liam Larkin, Bryce Jansen, Jake McMullan, Sham Hui
- Emmaus College, Jimboomba: Nick Demaio, Phil Oliver, Casey Randall, Tristan Seeto

This year’s carnival will be held during the first week of the upcoming holidays at Aquinas College, Ashmore. We will play two games on both the Monday and Tuesday with a match (hopefully semi and grand finals) on the Thursday and Friday. The draw and updated results will be available at www.confro2014.com

Our draw starts off interestingly with a game against the ‘power house’ of Ignatius Park College, Townsville (Confraternity winners for the last 3 years). This is followed by two other pool matches against St Mary’s College, Toowoomba, and St Patrick’s College, Mackay – both traditionally very strong outfits.

We hope that many members of the Marymount Community make the effort to support all of our boys during this week of competition, which they have worked so hard towards.

Thanks to all of the staff, parents and students who have supported the boys so far this year, it is much appreciated.

We wish the 2nd XIII all the best in their Titans Challenge Grand Final this Monday night at 5:00pm at Glennon Park, Nerang. The boys have performed very well all season and will be up against it again in this game meeting a very large Upper Coomera SHS team. Any support is welcome.
