TERM 3 WEEK 2
Friday 25 July 2014

ART SHOW OPENS
The Marymount Art Show Gala Opening is on Friday night from 7pm, and the show continues on Saturday and Sunday from 10am. Join us for an evening of Art and entertainment, light food and drinks, announcement of Art Show winners, door prize and raffle winners. Tickets are still on sale ($25) from the uniform shop or SAO.

If you miss the opening, take an hour or so on Saturday or Sunday to drop in. There will be Dance and Drama performances for those looking for added value. Without our sponsors the financial viability of the Art Show could not be sustained.

**BOQ - Palm Beach**
**Teece Air Conditioning**
**Amart All Sports**
**Prompt Electrical**
**Paperdolls**
**Bertoldi Architects**
**Island Way Sorbet**

Through their generous contributions we are able to commit to the Art Show costs and the community responds to ensure the social and financial success.

YEAR 11 RETREAT
It was a privilege to be able to visit all the Retreat sites last week. To be able to witness the interaction between the staff and students in the nurturing of a deeper understanding of God and their spirituality was inspiring.

Cooperation, participation and openness to reflection, sharing and prayer by all was evident across the five retreats.

Our appreciation goes out to the twenty staff who participated and in particular Mrs Dolores Maitland and Miss Eliza Kerklaan who organised the retreats, and to Mr Geoff Browne, Ms Marie Hansen and staff back at school for covering classes with so many away.

MARYMOUNT TOURS
The latest round of tours took place last Monday evening. We had an overwhelming response with over 160 people taking the opportunity to walk around our school and to see first hand the great work that is going on in our classrooms.

Many thanks to the 30 Year 11 and 12 students who volunteered their time to act as guides for the evening. More than the buildings and other facilities we offer at Marymount, it was the students themselves and their own story of life at Marymount that greatly impressed the parents and their children.

Thanks to Ms Jan Crick and Mrs Karen Harrison in organising the tours, and Mr Peter Shaw and Ms Amy Anderson for organising the students.

PARENT TEACHER INTERVIEWS
The Parent/Teacher interviews were helped last Tuesday evening on what turned out to be a cold and wet night.

Many fruitful discussions were conducted affirming students’ efforts and attitude towards their studies.

Thank you to the many parents who were able to attend and to the teachers for their preparation of the interviews, and their continued work with your son/daughter.

Kyle Connor – Principal (Acting)
This term will see laptop checks occurring during pastoral lessons. This will involve a quick inspection to ensure the machines are in good working order with all appropriate covers and casings. Laptops, which are considered to not be in good working condition, will require some maintenance. Students are encouraged to submit damaged laptops to the IT Support desk in order to rectify any problems as soon as possible. Cases, covers and accessories should be replaced if not in a suitable condition.

It is a timely reminder for families of all students to revisit their personal rules and guidelines that should be adhered to when using the College laptops. It is strongly recommended that laptops are not used in bedrooms or areas where parental supervision is not possible.

Students who do not adhere to the College guidelines in regards to the use of laptops will run the risk of losing the privilege of their use. The use of these machines will strongly supplement the classroom teachings but they do not replace the need for bookwork and collaboration within the classroom. Please remember that the laptops will only play a role in a percentage of class work and this should be reflected in their use for homework and assignment work.

Geoff Browne - Deputy Principal (Acting)

UNIFORM POLICY

Congratulations to all those students who turned up for Term 3 looking well presented and ready for work; particularly to the boys, who are doing a great job of keeping their shirts tucked in.

A reminder that in accordance with the College’s uniform policy, girls must limit jewellery to one pair of plain studs or sleeper earrings in the bottom of their earlobes, a watch and a necklace bearing religious insignia.

Students will be asked to remove any excess jewellery and issued with a uniform detention. Please also ensure that your daughter’s skirts are no shorter than 10cm above the bottom of their knees and the skirt is not being worn rolled up. With the colder weather, it so worth remembering that only the college jumper can be worn with the day uniform and that sports jackets and senior jerseys are only permitted on Thursdays with the sports uniform.

If a student is issued with a uniform detention they are expected to attend this during lunch time on the day they receive the slip. Failure to do so, will result in referral to the RTC.

Thank you for your continued support to ensure our students learn the value of being well presented and encouraging them to take pride in the way they both represent themselves and the College.

Amy Anderson - APA Pastoral (Acting)
SUBJECT CHANGES

A reminder that students have until the end of Week 3 in any semester to swap subjects via the process of collecting a form and discussing the change with Academic Coordinators and myself.

PRINCIPAL'S AWARDS TERM 3
WEDNESDAY 30 JULY

Please note the time and date for the Principal’s Awards which are determined by the Semester I individual results (effort and academic) in Week 2 of Term 3: Wednesday 30 July. We are looking forward again to celebrating these many academic achievements the students are so deserving of. Year 11 students were warned that Semester I of the four in their Senior schooling is the most difficult of all. It is pleasing that so many have achieved so highly.

STUDENT DATA FORMS

Again, a reminder to parents of Year 11 and 12 to check the Student Data Sheets (linked to the QSA databank) for accuracy. Please return the sheets, regardless of any alterations needing to be made or not. These forms were mailed home with the Semester Report last term.

PARENT/TEACHER INTERVIEWS

Thank you to the many parents and carers who came to discuss the progress of students earlier this week. We strongly believe that education today is a three-way process of communication between teacher, parent and student. I encourage you all to continue the communication and to follow up any points of discussion from the interviews.

THURSDAY AFTERNOONS - YEAR 12

Year 12 students do not participate in Sport on Thursdays after lunch in Term 3. They will be involved in an alternate careers/study/QCS program for much of the term. Compulsory attendance at school is required in Week 2 and 6 for all students sitting the QCS test. This week they ran through a program replicating Day #1 of the Core Skills Test program, coming up on Tuesday, September 2nd. This involved a 2 hour Writing Task and a 50 question Multiple Choice paper. Both will be marked and the result fed back to the students during the coming weeks.

Peter Shaw - APA Senior Curriculum
Going on Retreat with our students and colleagues is always a new experience. It is a privilege to be a part of these significant moments in these young people’s lives and it is also a privilege to work closely with members of staff for three days, to see their wonderful personal qualities and share the joy of seeing the students moving forward in themselves.

Our Year 11s were outstanding in the way they entered into the spirit of Retreat and opened themselves up to receive all the blessings on offer. They have got to know themselves better, made many new friends, deepened their relationship with God and had an enormous amount of fun in the process.

Heartfelt thanks to all staff who attended, to those who covered for the absent over three days and to Mr Connor, our Acting Principal, for visiting all venues. Special thanks must go to Fr Ken Howell, Fr Huong, Fr Lucius, Fr Peter Gablonski and Fr Chima for travelling to the venues and celebrating Mass for us. Knowing how interminably busy our priests are and the amount of preparation they put into celebrating the Mass with us only serves to underscore how fortunate we are to have them.

Five Year 12 students and a teacher spent some time last week, on the street with the Rosies team serving homeless people in our locality. The College has had strong connections with Rosies for over twenty five years, since it was first set up on the Gold Coast and our support takes several forms from fundraising to food collections, collecting donations of suitable clothing and blankets and compiling hygiene packs. Donations through the College are welcome at any time.

A bus load of students attended Families Back on Track this week and enjoyed an afternoon in the company of the children who are currently living at this St Vincent de Paul run project. The students provided a variety of activities and games for the children culminating in the greatly anticipated sausage sizzle and ice cream feed provided by Mr Chris Murphy.

Last Sundaes third Youth Mass for this year saw a fair number of students in attendance. Many became involved in music, reading and as Ministers of Communion. It was an enjoyable time for everyone including parents and other parishioners who were there.

Catholic Education Week begins with a special Mass celebrated by Archbishop Mark Coleridge in St Stephen’s on Sunday afternoon. Reflect this year’s theme of, “Living life to the fullest”. A short film which reflects this year’s theme, “Living life to the fullest” and made during our Year 8 camp at Mapleton, is already on the BCE website.

Watch this space for news of our involvement in the Parish’s project to support Santa Theresina’s High School in Ossu, Timor Leste. Out of our abundance may we be moved to make a difference for those who are in such desperate need of our help. The school is in extreme need of a new roof, water floods the classrooms when it rains and there’s no electricity. The Parish Social Justice Group aim to be able to reroof the building and provide a separate toilet block. Surely optimism, energy, generosity and deep gratitude for what we enjoy will drive the project.

On the subject of Catholic Education Week, have a look at our submission to the Catholic Education Week youtube stream. We had our Year 8s expressing their love of ‘Living Life in all its Fullness’ while involved in various activities during their recent Camp at Maleny.

The direct link is http://youtu.be/OZWt7n03nhc but there are many other schools and organisations who have also contributed to the site.

2015 Uniform Changes

Uniform Issues - Girls
Now is the time for all our students to review the state of their uniforms in readiness for Semester Two. We are proud of our College uniform and we expect all students to wear it with pride.

I am disappointed in the way that many of our girls are not wearing the skirt at the appropriate length. Some of our older students are still wearing the skirt that was purchased when they started the College and are much too short. The skirt should be on the knee.

The present stock of skirts will be available at a reduced price. Please take advantage of this opportunity to replace the skirt and the shirt if necessary.

The NEW skirt that will be available in November is set at the appropriate length and adjustments will NOT be necessary.

2014 MARYMOUNT YEAR 12 FORMAL - PROFESSIONAL PHOTOGRAPHS

The photographers will start at 5.00pm for FAMILY PHOTOS, SINGLE and COUPLE photos. Please get in early as a lot of people usually arrive 6.00pm to 6.30pm and you could miss out.

PARKING may be difficult, so pre-plan - 4.00pm to 5.00pm generally to leave home if picking up other students.

THE STAIRCASE PHOTO

All students need to meet upstairs at the Garden Terrace at 7.00pm. and a Ceremony Walk for all students will happen to proceed onto the staircase in the correct order.

A display book of all photographs will be at the College Bookshop 1 week later. It will remain at the Book Shop for 1 month so that you can view and order. If you prefer, please contact the photographer to view at their studio.

**F.E.A.S.T**

F.E.A.S.T was definitely an amazing experience as I got to meet so many like-minded students my age from all parts of Queensland and Northern New South Wales, who I hopefully will be able to stay in touch with in future years to come. During the week I got a thorough and in-depth insight into University life especially at the UQ Gatton and St Lucia campuses. Now I have discovered where University will take me, and what my future holds for me after school.

I was able to take part in several workshops such as Animal Reproduction, Parasitology, CSIRO Forensics, UQ Veterinary Medical Centre tours, Physics tours and many more! I experienced lectures and tutorials from key note speakers who were extremely intelligent people ranging from a Crop Physiologist, Whale Acoustician and even a Cosmologist who was investigating new fundamental physics, such as the properties of dark energy and dark matter and the mass of the neutrino, and again many more tutorials lectures from other influential people. In the evening I experienced a wide range of activities such as Trivia nights, UQ Sport challenges and even Bai Rui Taekwon – Do. The best part of this experience was being able to speak to University students/ ambassadors and get insight on career pathways and what tertiary education is like.

This was definitely an amazing opportunity and I’m so glad that I got to be a part of this remarkable experience.

GRIFFITH UNIVERSITY SCIENCE AND ENGINEERING CHALLENGE

On Thursday 24th July, 4 year 9 students & 28 year 10 students took part in the Griffith University Science and Engineering Challenge.

These students were Emily Dickson, Leah Allison, Arisa Atanyakul, Meggan Holyman, Riley Williams, Kyle Heir, Georgia Freese, Jack Webber, Abigail Joseph, Georgia McGuire, Max Koschel, Darcy Reynolds, Brigid McElroy, Ashley Pade, Maddy Macpherson, Tanya Massey, Jordan Gentile, Aiden Keogh, Hayden Lally, Lachlan Bennett, Kyle Anderson, Izaak Whitesides, Mason Tomkins, Sam Reiher, Cameron Horrocks, Tom Morey, Fletcher Collins, Dom Larkin, Rachael O’Conor, Lahni Biggins, Alexandra Harris, Jack Mallory.

The Science and Engineering Challenge was developed by the University of Newcastle to inspire young people, through fun and practical hands on activities, about the opportunities available in science, technology and engineering.

The Challenge aimed to engage students in science and engineering activities with minimum introduction and theory, enabling them to explore scientific principles for themselves.

Congratulations to all our participants who as a whole took part in 8 various activities throughout the day. These ranged from earthquake sturdy towers to load bearing bridges. Overall we were ranked 5th out of all the Gold Coast schools that attended on the day. The students did us proud.

BRAIN BEE CHALLENGE

Congratulations to Abigail Joseph after winning a place in the Queensland State Finals of the Australian Brain Bee Challenge (ABBC) at the Queensland Brain Institute (QBI) at The University of Queensland (UQ).

She outwitted and outsmarted 1100 teenagers from 65 Queensland schools in a multiple-choice neuroscience quiz to make the top 170.

Abigail then travelled to QBI on 22 July 2014 for the state finals, where she took part in a brain-teasing challenge and neuroscience quiz to test her knowledge of the brain and how it works.

She was given an exclusive tour of the world-class facilities at QBI and got to meet with renowned scientific researchers at the Institute.

“This competition gave students a feel for what a career in neuroscience might be like. The very best students from around the state were allowed to explore the facilities and be challenged in a fun and exciting competition,” ABBC organiser and QBI neuroscientist Professor Linda Richards said.

“Neurological and mental illness account for a huge proportion of the disease burden in our community so we need to attract the best and brightest minds to take up a career in science.”

Abigail enjoyed the experience and challenge of competing against some very strong competitors. We are extremely proud of her.

Marymount College’s Extension Dance Program allows for highly experienced dancers to further their skills by participating in intensive workshops and challenging routines to be performed at numerous eisteddfods and events.

The Senior Extension Group is conducted on a Thursday afternoon during sport time and the Junior Extension Group is on a Thursday afternoon from 3.00pm-4.00pm.

Auditions for 2015’s Dance Extension Programs (current Year 6 & 7 students)
* Saturday 6 September and Sunday 7 September, 2014
* 10.00am-3.00pm (30 minute session time to be allocated upon registering)
* Dance Studio (E17) at Marymount College

* Girls are to wear ¾ tights, bike pants or shorts with tights
* Boys may bring shorts/track pants and t-shirt or singlet
* The audition will be primarily contemporary and students can wear bare feet or other dance footwear, if desired

A 30-minute session time will be allocated upon registration of interest. Students will be taught a short contemporary routine to perform in small groups and will be asked to demonstrate a series of corner work exercises. Students will be required to already have completed a brief warm-up before their audition and there will be a waiting room available.

To book an audition time, please contact the Principal’s Secretary Jan Crick onjcrick@marymount.qld.edu.au or 5586 1003 by 28 August or call Shona Press (Dance Coordinator) on 55861000 with any queries.

DEBATING FINALS – ROUND OF 16 RESULTS

Congratulations to the two Marymount Year 8 debating teams who won their Round of 16 debates last night and now progress to the Quarter Finals. Team 3 defeated St Hilda’s by arguing the negative side of the topic “Schools devote too much time to sport”, while Team 2 won by forfeit from Coomera Anglican College. These teams join the Senior Open A team in the Quarter Finals on Wednesday, July 30. Good luck to all three teams!

In preparation for the finals, we recently organised a demonstration debate between our Senior Open A team and a team of past students, all accomplished debaters. While it was great practice for the seniors, it was also a wonderful opportunity for our beginners to see a polished debate by experienced debaters.

I’d like to thank past students Janie Burgess, Michael de Salvo, Lauren Sposato and Isabella Van der Meer for generously sharing their talent and time with our current students.

SPORTS REPORT

2014 SURF LIFE SAVING QUEENSLAND IRB CHAMPIONSHIPS

Last weekend Talor Marshall competed in Kingscliff in the SLSA National IRB Championships. Talor was member of the Queensland team that won the Gold Medal in the Interstate Championships, before winning 4 Gold medals in the clubs championships for North Burleigh (Male Surf Rescue, Female Surf Rescue, Female Mass, Taplin). Congratulations Talor on a great season!

2014 AUSTRALIAN SKI & SNOWBOARD INTERSCHOOLS SNOWSPORTS CHAMPIONSHIPS

Congratulations Zach Smith on his qualification into the snowboard event at the Australian Ski & Snowboard Interschools in the September school holidays! Zach qualified on the back of his second placing in the Queensland titles during the last holidays.

COLLEGE TRACK & FIELD CARNIVAL

The College Track & Field carnival will be held on campus next week on Friday 1st August. Leading up to the main carnival we have the following events run at lunch times: Monday 28th – 1500m, Tuesday 29th – Hurdles, Wednesday 30th – High Jump.

Make sure you get in and give your all in any events you nominate for.

THURSDAY SPORT

This week we had round 1 and we continue with round 2 next week. It was disappointing to have to forfeit 3 games in the year 11 sports (Oztag, Tennis & Touch Football) due to students not showing up for sport. Make sure you know which sport and team you are in and come prepared for your games next week. It is unfair on other students and other schools if we have to forfeit games because you don’t show up to the sport you are expected to be at.

QUEENSLAND GOVERNMENT YOUNG ATHLETE ASSISTANCE PROGRAM

If your child has competed at a State or State School Championships, National or National School Championship or International Championship you may be eligible to receive $200 financial assistance from the Queensland Government. Go to http://www.nprsr.qld.gov.au/funding/overview/young-athlete.html to find out more information and to see if you are eligible.

SPORTING RESULTS

Many of the sporting results that happen outside of school only make their way to our newsletter because the students or their family inform the school. If you would like to have your results or your child’s results published in the newsletter, please contact me via email: info@marymount.qld.edu.au and I will make sure we have the details in the next newsletter.

Trent Balym - Head of Sport
During the winter holidays, over 800 students from 44 schools all around Queensland participated in arguably one of the largest schoolboy rugby league competitions in Australia— the QISSRL Confraternity Shield.

With over 40 students from Marymount trialing to make our first XIII, many players from this squad missed out on being selected to play for our College.

Fortunately for twelve of these Marymount students, some country schools needed players to complete their squads. These players are to be congratulated for showing great character in taking a risk, by playing in teams they had never met before, and representing these other schools.

We would like to thank the coaches and players of St Luke’s Anglican College Bundaberg (Pat Macpherson, Jay Rosenthal, Lucian Nilan), Good Shepherd Catholic College Mt Isa (Sham Hui, Bryce Jansen, Jake McMullan, Liam Larkin), Emmaus College Jimboomba (Zac Dickens), St Teresa’s Catholic College Noosaville (Casey Randall, Phillip Oliver, Tristan Seeto) and St Augustine’s College Springfield (Reid Henderson).

These teams gave us the opportunity to participate in Confraternity. We got to make many new friends and have memories that we will cherish forever. By all accounts, these boys represented Marymount and their adopted schools with great pride. It is a credit to Mr Hamilton and the Marymount Rugby League Program that these boys were able to participate.

As written on Facebook by Justin Smillie, a player from Good Shepherd Catholic College,

“I went away with a few mates (to Confraternity), and came back with 17 brothers! Thanks, guys, for one of the most amazing weeks of my life.”

Thank you to the GSCC boys for letting us be a part of your family for the Confraternity week and we (Sham, Jake, Bryce and I) will see you all soon— maybe at Schoolies!

Liam Larkin - School Captain & Full back GSCC
Marymount now has a facebook page for Alumni: 
https://www.facebook.com/MarymountCollegeAlumni

In 2018 Marymount will celebrate its’ 50th Anniversary, so we are collecting photos and stories ready for our celebrations.

If you have any photos or memories from your days at Marymount as a student or staff member, they can be added to the facebook page or email info@marymount.qld.edu.au - ‘Marymount Alumni’
