ART SHOW

With a big crowd intent on enjoying the great art, good company, quality music and fine food, the Art Show was off to a wonderful start last Friday night. This momentum carried into the weekend with the drama and dance performances a highlight on the Saturday, and various other activities on the Sunday which culminated a very successful and quality Art Show.

Our appreciation to the very professional and passionate committee led by Pauline Cook, with generous support from Karen Harrison, Lynne Bray, Margaret Donald, Colleen Kinging, Anita Sgalippa, Carol Rennie, Jenny Isaacs, Richard Treggiden, Deb Cronin, Nicole Modine, Traci Touzell, Greg Casey, Geoffrey Browne, and Craig Humphries. Also to David Grant and Theresa Cameron and the Hospitality students, Paul Faughey and the concert band and individual performers, Mel Howe, Deanne Seigle-Buyat and Amy Anderson with our drama students together with Shona Press and her dancers.

Thanks to other members of staff who volunteered their time to serve food and beverages over the course of Friday evening and the weekend. Aaron Turner for making new plinths for displaying the art work. The secretarial staff and groundsman from both the College and the Primary school for all their work to ensure we were ready for the show. To Steve O’Keefe, Ebony Horn, Jo Nairn and Jenny Lems-Johnson in the Art Faculty for the wonderful work produced by other students. Finally to Janet Cartlidge and the library team for organising and setting up of the library for the masses on Sunday.

PRINCIPAL’S AWARDS

On Wednesday we acknowledged and celebrated, at our Principal’s Awards ceremony, those students who excelled in their studies during Semester I. It was indeed encouraging to see the number of presentations made and the pride displayed by the recipients. Equally pleasing was the great number of parents that were able to join us. Our guest at the assemblies was Mr Michael Murtagh.

Michael has taught at Marymount College for the past 30 years. He is currently the Vocational Education & Careers Coordinator as well as a teacher of French and Senior Religious Education. Unfortunately Michael is leaving the Marymount community at the end of the year. (More about this event will be attended to later in the year.)

Michael spoke passionately about the importance of having the courage to always do your best and to get involved in the life of the school. Michael acknowledged how difficult learning can be, however that it is those that persist who reap the greatest rewards and the shape and form of those rewards can sometimes surprise you! We thank Michael, Marie Hansen (APA Junior Curriculum), Peter Shaw (APA Senior Curriculum) for their organisation of the assemblies, the office staff for producing the certificates and letters to parents and to Terri-Lea Johnston and Catherine McCosker for providing the morning tea.

CATHOLIC EDUCATION WEEK

Every week we celebrate Catholic Education through events that begin, continue or the culmination of classwork, co-curricular activity or play.

Events over the past few weeks such as the Art Show, Year 11 Retreat, Careers Expo, Athletic Carnival, Parent/Teacher Night and the Principal’s Awards are testimony to that. It is also celebrated in the relationships that we form in our school community. To that end, our appreciation goes to the STAC Reps for enthusiastically embracing the Random Acts of Kindness concept where each year level took a one day of the week to conduct a different activity to celebrate Catholic Education Week.

We thank Dolores Maitland (APRE) and the following Year 11 students who travelled to...
Our community of schools is committed to the development of the whole person and the development of Catholic schools which provides loving, caring and secure environments. recognises the individuality and dignity of each student, and fosters life-giving relationships within the school community.

Marymount College reflects this in the way in which we foster the dignity, self-esteem and integrity of each person, the quality of relationships within the school and the pastoral care of each person, & the recognition given to the variety of learning styles of students.

Promoting inclusive practices related to race, socio-economic circumstances, culture, gender, religion, physical and cognitive abilities and mental health.

In each case, our support for students is grounded in a faith-centred environment which honours the dignity and uniqueness of students. It enhances their formation as disciples of Jesus Christ, values the conscientious and collaborative efforts of students, parents and staff involved in the learning process in their school communities, communicates our Catholic faith throughout the learning process, through prayer, reflection, connectedness and the celebration of the giftedness of the students and staff in our schools, cares for the individuality and sacredness of human life & promotes an inclusive community.

Geoff Browne - Deputy Principal (Acting)
SUBJECT CHANGES
A reminder to all that it is now too late to swap subjects this Semester. Students have had 3 weeks to make this arrangements.
Any alteration into new subjects comes at a price the later in the term / Semester it is. Some students are behind in school work commitments already.
It becomes increasingly difficult to argue they have completed all the course requirements when they move into subjects too late.

PRINCIPAL’S AWARDS TERM 3
WEDNESDAY 30 JULY
It was a pleasure to again celebrating these many academic achievements the students are so deserving of, given their achievements of Semester I, 2014. Year 11 students were warned that Semester I of the four in their Senior schooling is the most difficult of all.
It is pleasing that so many have achieved so highly. We were addressed by a long-standing member of staff, Michael Murtagh; who had many inspiring words of wisdom to impart.
To all those who did not recive an award this time, work hard to make it happen next year.

THURSDAY AFTERNOONS - YEAR 12
Year 12 students do not participate in Sport on Thursdays after lunch in Term 3. They continue to be involved in an alternate careers/study/QCS program for much of the term. Compulsory attendance at school is required in Week 1 and 3 for all students. Compulsory attendance at school is required in Week 6 for all students sitting the QCS test.
This week Year 12 students took a 50 question Multiple Choice paper from 2013, which was returned for feedback opportunities. The paper is still being marked and the result fed back to the students during the coming weeks.

UNIVERSITY OPEN DAYS
There is plenty of media coverage around universities marketing their Open Days over the coming weeks. Make use of your browser search engine to find plenty of information on these:

ASSESSMENT CALENDAR
An assessment calendar listing all assessment tasks for all subjects for all Senior students is now published electronically. Please have you son/daughter print a version of this and locate it in a prominent place. They need to highlight the subjects and exams, assignments, tests and practical task requirements for each of their subjects.
While occasionally the dates need to be altered, the actual tasks rarely change. Exam blocks for Years 11 and 12 are listed on the school calendar, published in December last year.

Peter Shaw - APA Senior Curriculum

Please note - The industrial complex across the road from the College is not a designated school carpark. Cars that use that area to drop off or pick up students can be fined for doing so.
Jesus’ invitation to us to, “COME LIVE LIFE IN ALL ITS FULLNESS!” is the theme of this year’s Catholic Education Week which began on Sunday last with Mass at St Stephen’s Cathedral in Brisbane. Marymount was well represented with four Year 11 students who attended.

New experiences can be too often be taken for granted by many but it is impossible not to get caught up in the youthful awe and exuberance of encountering something wonderful for the first time. As a teacher it is one of the perks of the job. Student’s eyes lit up just travelling on the train! Seeing Brisbane notched it up, but when the choir fired up and Archbishop Coleridge and priests entered the packed Cathedral in procession at the beginning of Mass, they were truly gob smacked! Colour, sound, ritual and they were a part of it. Priceless!

Archbishop Coleridge spoke of Catholic Education in Australia being, “an old story …….but always a new story”. He told the students there was a difference between ‘knowledge’ and ‘wisdom’ and that the role of Catholic schools was to foster wisdom in young people.

‘You can find the facts about everything via Google, but that’s not where you find wisdom,” he said.

Random Acts of Kindness has been a feature of College life this CEW with everyone being encouraged to get involved. Perhaps you have been the recipient of one at home it would be great if you could send me a brief description it can be shared. Some Year 11 students were quietly wandering around during the Athletics Carnival offering surprise lollies to unsuspecting recipients. Other quiet little moments noticed were happy greetings between staff and students on the beautiful day all have been enjoying.

Celebrating the success of so many students in the Principal’s Awards on Wednesday was also an eminently appropriate thing to do to mark this special week.

Thank you to Father Lucius for joining the Year 11s on Thursday morning to celebrate a Liturgy of the Word, also to help the students reflect back on their recent Retreat experience.

In reference to the Timor Leste project mentioned in the last Newsletter, there are donation forms available from Church or from myself. These donations will be directed to the project via Marist Solidarity and will go directly to the project. Tax deductible receipts are available for donations.

Migrant and Refugee Week is held over 25th - 31st August and a special Multicultural Mass will be celebrated by Archbishop Mark Coleridge at St Stephens Cathedral to mark the event. This year’s theme is “Migrants and Refugees towards a Better World,” as contained in the message of Pope Francis for the 100th World Day of Migrants and Refugees.

If you haven’t noticed Fr Paul Turner’s presentation advertised in the Parish Newsletter, check it out. Fr Paul is well known writer and liturgist. He will present in our locality on Monday evening, 11 August from 4.30pm.

Uniform Issues- Girls

Now is the time for all our students to review the state of their uniforms in readiness for Semester Two. We are proud of our College uniform and we expect all students to wear it with pride.

I am disappointed in the way that many of our girls are not wearing the skirt at the appropriate length. Some of our older students are still wearing the skirt that was purchased when they started the College and are much too short. The skirt should be on the knee.

The present stock of skirts will be available at a reduced price. Please take advantage of this opportunity to replace the skirt and the shirt if necessary.

The NEW skirt that will be available in November is set at the appropriate length and adjustments will NOT be necessary.

We wish the entire Year 12 cohort a fabulous night at their formal.

2014 MARYMOUNT YEAR 12 FORMAL - PROFESSIONAL PHOTOGRAPHS

The photographers will start at 5.00pm for FAMILY PHOTOS, SINGLE and COUPLE photos. Please get in early as a lot of people usually arrive 6.00pm to 6.30pm and you could miss out.

PARKING may be difficult, so pre-plan - 4.00pm to 5.00pm generally to leave home if picking up other students.

THE STAIRCASE PHOTO

All students need to meet upstairs at the Garden Terrace at 7.00pm. and a Ceremony Walk for all students will happen to proceed onto the staircase in the correct order.

A display book of all photographs will be at the College Bookshop 1 week later. It will remain at the Book Shop for 1 month so that you can view and order. If you prefer, please contact the photographer to view at their studio.

Enjoy your night everyone!
**ROSIES**

Rosies is an amazing organisation that reaches out to those that are most abandoned in the community. Their mission is to act as friends for the homeless in order to allow them to feel a sense of belonging. Rosies run several Outreach Visits each week to Southport and Surfers Paradise.

Marymount has been associated with Rosies for several years, and raises money and collects goods for Rosies through fundraising events such as Have a Heart Day and Coats for a Cause.

Year 12 students have the opportunity to volunteer to attend the Rosies Night Outreach Program. Five Year 12 students including myself and Ms Press, attended the night visit to Surfers Paradise last Tuesday night. We helped prepare dinner for the patrons at the Rosies Centre and then went in the Rosies van with the other volunteers to the Surfers Paradise Esplanade.

At first, we were slightly apprehensive because we were unsure of what to expect of the experience and of the patrons. When we arrived, the patrons were waiting for the Rosies service. This highlighted their dependency for Rosies and how much of a positive influence the organisation has on their lives. We served tea/coffee, dinner and sweets to the patrons and went around talking to them and listening to their stories. The homeless patrons are all living with varying circumstances; some have small jobs and low-cost accommodation, while others have no home, no job and are suffering mental conditions. Hearing their stories was incredibly eye-opening and put everything into perspective. It makes me appreciate my life so much and realise the enormity of the struggles people in our local community are dealing with everyday. I can honestly say that this was one of the most rewarding experiences! It was so fulfilling to be told by the patrons how much they appreciated our time and the free dinner. I definitely hope I have the opportunity to assist with this program again through Marymount, and I aim to become a permanent volunteer in the future. I encourage Year 12 students to volunteer for this program the next time the occasion is available.

**YEAR 12 UPDATE**

The emphasis this week has been preparation for the big night of the Formal. Students have been advised about times for arrival, photographic sessions with family and friends, the staircase photograph and finishing time. Dance practices were held on two occasions to help students familiarise themselves with the traditional “Pride of Erin”. All information concerning the Formal on Saturday August 2, is available on line.

A reminder of the following points:

1. The Formal is for Marymount students; this includes the walk on the red carpet.
2. Remember family photos need to be taken before 7.15pm
3. Students are not to wait on the staircase, watching others arrive; a video of arrivals will be played during dinner
4. Once you arrive, go right through to the top of the stairs and find the Terrace Garden room.
5. Arrivals begin at 5.30pm
6. The evening concludes at 11.15pm
7. Parents may collect their sons/daughters between 11.00pm-11.15pm

Best wishes to our Year 12s for a wonderful night.

Once the Formal is over, our attention will be drawn to the continued preparation for the QCS tests in September. A list of the necessary equipment will be published again next week. It will be necessary for each student sitting the tests to bring the required equipment to school and place it in the plastic bags made available by the school.

The subject of uniforms is also concerning. Too many students are not wearing their uniforms correctly. The procedure for students not complying with this school Policy, is outlined by the Acting Assistant-Principal Pastoral.

Congratulations to Year 12 Art student Aisling Waugh for winning the Encouragement award at this year’s Art Show. Special thanks to Carly Burge, Year 12 reporter who has vividly put into words the effort and excitement shared by the Home Economics students preparing for and then executing one of the greatest array of finger foods made by the Home Economic Department under the guidance of Mr David Grant.

Should you have any queries regarding Year 12 matters, please do give us a call on 5586 1000.

EXTENSION DANCE PROGRAM AUCTIONS - 2015

Marymount College’s Extension Dance Program allows for highly experienced dancers to further their skills by participating in intensive workshops and challenging routines to be performed at numerous eisteddfods and events.

The Senior Extension Group is conducted on a Thursday afternoon during sport time and the Junior Extension Group is on a Thursday afternoon from 3.00pm-4.00pm.

Auditions for 2015’s Dance Extension Programs (current Year 6 & 7 students)

* Saturday 6 September and Sunday 7 September, 2014
* 10.00am-3.00pm (30 minute session time to be allocated upon registering)
* Dance Studio (E17) at Marymount College
* Girls are to wear ¾ tights, bike pants or shorts with tights

* Boys may bring shorts/track pants and t-shirt or singlet
* The audition will be primarily contemporary and students can wear bare feet or other dance footwear, if desired

A 30-minute session time will be allocated upon registration of interest.

Students will be taught a short contemporary routine to perform in small groups and will be asked to demonstrate a series of corner work exercises.

Students will be required to already have completed a brief warm-up before their audition and there will be a waiting room available.

To book an audition time, please contact the Principal’s Secretary Jan Crick on jcrick@marymount.qld.edu.au or 5586 1003 by 28 August or call Shona Press (Dance Coordinator) on 55861000 with any queries.

The Extension Dance Program allows for highly experienced dancers to further their skills by participating in intensive workshops.
**BEGINNING EXPERIENCE**

Beginning Experience Brisbane is holding its next weekend from Friday evening 24th to Sunday afternoon 26th October 2014 at QCCC Brookfield. The weekend offers widowed, separated and divorced people who have moved through the initial shock phase of grief the opportunity to work through their pain and move into the future with renewed hope. It is a live-in weekend with meals and accommodation provided.

**PRINCIPAL’S AWARDS**

The Principal’s Award Ceremony was held on 30 July. To my surprise I was actually one of the lucky students to receive one of these awards.

Mr Connor said over the intercom “everyone receiving awards today please come to Doyle centre”, so we all made our way there, unsure of what to expect.

When we arrived at the Doyle Centre all our families were all there to see us receive our awards. After the presentation we had a big lunch with them to congratulate us on such a success.

What a good start to term 3.

Sebastian McIntosh - Year 8
ART SHOW
A LONG BUT WORTHWHILE DAY

behind the scenes of the Art Show

When the school bell goes on a Friday afternoon, the majority of the students and teachers bolt for the doors, and try to get out of school as soon as possible to try and start the weekend sooner. Well not for myself and the rest of my Hospitality class last Friday. We all knew that it was going to be a hectic couple of days. Starting to prep food on Wednesday periods four, five and six, once again prepping the next day after our QCS practice test, and again all day Friday.

Friday was an extremely long day for those of us who were lucky enough to have to cater for the school Art Show for our last practical assessment piece. I, like most of the twelve other girls arrived at school at 8am, and unfortunately did not leave until 10.30pm. I am pretty sure that we were on our feet for over 12 hours; constantly thinking of what needed to be done when, and what needed to be taken down to the Doyle Centre kitchen; how we were going to prepare 3000 canapés; how were going top stay awake for a 14 hour day at school. Luckily it was easy to stay awake with Mr Grant forever giving us tasks that sometimes would have nothing to do with the food items that we were in charge of!

This function was not only different in that we had to complete every task on a much larger scale, but we also had one of the most vital members of our team missing - Ms Madden, who is on long service leave. Luckily for us, the school selected a very worthy replacement for her being Mrs Cameron. I don’t know how many times I went to her and asked where something was, or if she needed this or if that was what needed to go over to the other kitchen. Mrs Cameron did as much work as the rest of us, and she did not cook a single thing!

Progressively, the night sky came along, and with that came the nerves, and more than 300 hungry customers. They were all so eager to see what we were going to serve them. I may just say that some people even started gathering around the service bench at which the wait staff were collecting the serving plates to offer the food to people. As every different course floated out into the crowd, the “Wows!” “Oh my goodness!” and “Oh, what is that? I think I might try some!” comments started to become regular conversations.

With a menu consisting of fresh bread and homemade dips, olives and cheese, hand rolled spring rolls, fresh Arancini balls, cucumber and salmon bites, cheese puffs, feta, sundried tomato and cucumber bites, roast beef and horseradish bites, satay chicken skewers, satay prawn skewers, mini New York cheesecakes, mousse cups, Turkish Delight and chocolate brownies, who could not be completely full at the end of it all!

I have to thank the rest of my class for making the day and evening run as smoothly as it did and especially Tahlia Cruice and Tegan Jones, Mr Connor and Mr Browne for constantly coming up to check if they could eat anything yet, Mrs Cameron for all of her help and the laughs we had. But most of all Mr David Grant, for putting up with 14 annoying teenage girls even though we gave you a really hard time, you were always trying to help wherever you could - helping us cube four kilograms of tasty cheese and telling me that my first spring roll was too fat, chunky and short, but thank you for all that you do for us, and the night would definitely have not gone ahead without you. You were one of the reasons why the night was such a huge success. THANK-YOU.

Thanks to the Art Show Committee for putting on such a great event, and to every single person who came on the opening night. Thank-you, you all made the night a breeze and a success.

MARYMOUNT COLLEGE CAREERS EXPO THANKS

What a night! If you missed it, you really did miss out! 100 exhibitors shared their knowledge and experiences with over 300 students and parents who made the effort to come out on a chilly Tuesday night. We gauge the success of this event by the conversations had, and by all accounts, information shared exceeded expectation.

Our most sincere thanks to everyone who provided invaluable insights and supported the event. Many of these individuals are part of our wider Marymount Community, with an impressive group of ex-students also present this year.

BOND UNIVERSITY HEADSTART DAY – YEAR 10

Headstart Day is a great opportunity for ambitious Year 10 students to try university subjects from across Bond’s four faculties.

During this complimentary event, attendees will enjoy fun, interactive activities, learn more about different careers from our teaching staff, meet current students and get orientated with the Bond campus.

To register, please see the Marymount College Careers Office today. Places are limited, so don’t delay. Visit www.bond.edu.au/headstart-day.
**SPORTS REPORT**

**COLLEGE TRACK & FIELD CARNIVAL**

The College Track & Field carnival was held today. It was great to see the students giving their all for their houses and competing to the best of their abilities.

During the week we also held the 1500m, hurdles and high jump at lunch times. We had two 32-year old records broken in the 1500m on Monday:

- **16yr Boys**: Jack Adams – 4min 26.85s; Old Record: R Campbell – 4min 32.30s
- **Open Girls**: Maddie Dick - 5min 14.00s; Old Record: M Dalton – 5min 23.00s

A full run down of the results from today will be in next week’s newsletter.

**SLSQ STATE POOL RESCUE CHAMPIONSHIPS**

Congratulations to Hannah Van Den Broek who finished 2nd in the 11-12yrs 12metre line throw relay at the SLSQ State Pool Rescue Championships held at Caboolture last weekend. Hannah will now travel to Sydney to compete at the National Championships on the 8 – 10th of August.

Good Luck Hannah!

**THURSDAY SPORT**

This week we had round 2 and we continue with round 3 next week. It was disappointing to have to forfeit 2 games again this week in the Year 11 touch football due to students not showing up for sport. Make sure you know which sport and team you are in and come prepared for your games next week. It is unfair on other students and other schools if we have to forfeit games because you don’t show up to the sport you are expected to be at.

**QUEENSLAND GOVERNMENT YOUNG ATHLETE ASSISTANCE PROGRAM**

If your child has competed at a State or State School Championships, National or National School Championship or International Championship you may be eligible to receive $200 financial assistance from the Queensland Government. Go to [http://www.nprs.r.qld.gov.au/funding/overview/young-athlete.html](http://www.nprs.r.qld.gov.au/funding/overview/young-athlete.html) to find out more information and to see if you are eligible.

**SPORTING RESULTS**

Many of the sporting results that happen outside of school only make their way to our newsletter because the students or their family inform the school. If you would like to have your results or your child’s results published in the newsletter, please contact me via email: info@marymount.qld.edu.au and I will make sure we have the details in the next newsletter.
