Those chosen for consideration for College Captains and Vice-Captains will address the College Assembly at 9:00am on Tuesday 7 October in the Doyle Centre. Determination of positions will be based on the students’ applications (including their speeches), the ballot...
We wish all our students and families a very happy holiday.

Determination of Academic, Cultural, House and Spiritual Captains will be, by discernment based on the students original application for nomination for the ballot for leadership and the requirements of the roles. The outcome will be published early in Term 4 and the Senior Leaders will be introduced to the community at the College Awards Evening on Wednesday 29 October.

NIKARA RANGESH

A belated congratulations to Nikara Rangesh, Year 12 Student Leader and a leader in Public Speaking and Debating throughout her five years at the College. Nikara was Runner Up in the Queensland Final of the Plain English Speaking competition. An outstanding speaker and academic student, Nikara’s achievement is a fitting result to mark the quality of her efforts and contribution to these areas of College life.

It follows the success of Ayla Beaufils (Senior 2013) who contested the International Final of this competition in London in April this year, finishing in the top six.

Our appreciation to Mr Bill Bruce who mentors our public speakers each year and is highly regarded by these students.

RUGBY LEAGUE PRESENTATIONS

Congratulations to the players, coaches and managers of our College Rugby league teams for 2014. The annual presentations to playres was held last Friday. These are to provide the opportunity to recognise the efforts of the teams in training and competition for the year and to acknowledge Best Forward, Best Back, Most Improved and Best & Fairest.

We have many good teams and fine players who enjoy the support of generous staff, parents and supporters. In particular we acknowledge the sponsorship of our Open Rugby League Team by Therese and Michael Gundry of MTG Contracting and who ensure our Rugby League reputation continues to prosper on the Gold Coast and at Confraternity.

P&F MEETING 6:00 PM OCTOBER 7

(Evening of the first day Term 4)

An important meeting that will consider College Laptop Policy, and an increase in the P & F Levy coupled with a small credit against the P & F Levy for rostered tuckshop volunteers each term. It’s easy to forget so please make a note to attend this meeting now.

**SENIOR CURRICULUM**

We are currently completing collation of sample folios of work for all our Year 12 subject groups in preparation for the moderation process known as Verification. This is where students are currently ranked according to their positions in each of their subject classes. Collections of folios covering the range of standards are presented along with the rankings data. These folios of work, along with samples of the assessment items, the approved Work Programs and so on are passed on to other Panelist teachers from other schools in the district for review. This process always culminates on the Monday of Week 3 in Term IV (thus the reason for the Pupil Free Day on this day each year).

It is always pleasing to see examples of the exceptional work being produced by the students at the top of each of their subjects; and to see those high performing students’ achievements across the range of all their subjects.

Once verified on this day, this data becomes the basis for the results which will eventually become the result calculated to produce an Overall Position (OP). Each student will have only one more piece of assessment for each subject; to be completed in Term IV. If they continue to produce work of a similar standard in each of these, their current position in this stage of ranking remains. Results of the QCS test, within each class group, are later added and the data scaled, as is an overall cohort scaling. A final Student Achievement Indicator is published just after the students graduate from the College. We ask that this is checked for accuracy, as it is a most important piece of data. Errors can occur, as it is derived by manual input; so the checking is highly recommended.

Best wishes to all our Year 12 students as they move quickly towards their final days of secondary education.

**PASTORAL**

**DRIVER EDUCATION**

Getting behind the wheel of a car as a young driver is said to be the most dangerous thing that a person will do in their entire life.

The College Pastoral program and P&F are committed to providing our students with a program designed to equip young people with the tools and knowledge they need to stay safe on the road. On the first Friday back next term, all Year 11 students will travel to the Southport Community Centre to take part in six interactive road safety sessions, provided by the RYDA program. The students will depart from the College by bus at 8.30am and return by 3pm. The program includes the following sessions:

**Stopping Distances:** Demonstrates the distance it takes to stop a vehicle travelling at different speeds, highlighting the huge impact an extra 10km/h can have. Students have the opportunity to participate, as passengers, in a vehicle driven by a licenced driving instructor.

**Hazards, Distractions & Risks:** A high energy session familiarising students with common crash types and how to avoid or minimise their impact.

**Plan B - Alcohol, Drugs and Fatigue:** An interactive workshop focusing on the impact that alcohol, drugs and fatigue have on driving ability.

**Road Choices:** A discussion, routinely led by a Police Officer on consequences of poor choices on the road, from the tragic human toll to financial and legal ramifications.

**Crash Survivor:** A powerful presentation by a person who has a brain or spinal injury as a result of a vehicle crash.

**My Wheels:** Students learn about vehicle safety, covering such topics as ABS brakes, car maintenance and insurance.

As the College has been gradually growing quieter in the course of today while Term 3 draws to a close, the understanding of “school” is shown into sharp focus. Without our students the energy dissipates and one can almost feel the buildings gently squeaking into rest mode. The mood mirrors the mellow spring warmth and all begin to breathe more slowly. Year 12s has finished the QCS and all exams and assignments have been completed, for them mysterious future beckons.

Year 11s begin to realize they’re almost there too. Junior students just want to get out into the sunshine. So may everyone burst out into the next two weeks, reenergise and come back safe and ready for all the new work of Term 4. Thank you to the team of teachers who wrote the new programmes for Religious Education last week!

The big hearted band of students who have been visiting Families Back on Track have been there once again this week. It is interesting to look at the names of those who have now been involved in this project since for a couple of years. A recent comment passed on these students pointed out how “comfortable” they are while they interact with the children and their parents. They began being rather shy and retiring and now they show how much they have grown in themselves over the time.

Another group of students spent some time this week putting together about one hundred and fifty hygiene packs which will be delivered to Rosies. These will then be distributed to homeless men and women here on the Gold Coast.

With regard to these aspects of our College life I am privileged to witness the goodness and generosity of many here. During the colder weather freshly cleaned coats and jackets would appear in my office and food items pop up regularly for Rosies or St Vincent de Paul. A member of the ancillary staff heard about the hygiene packs and, just in time this week, a pile of handmade drawstring bags were delivered for that very purpose…. courtesy of a local woman who is completely bedbound!

Congratulations to Mrs Kristina Baker on the arrival of baby Connor and our best wishes to Mrs Rachel Evans who leaves us today to prepare for the arrival of her first baby.

Farewell and thank you to Eliza, our Campus Minister, who leaves today to travel to the USA. May she find her dreams and have a wonderful future.

Your prayerful support is requested for many members of our Marymount community who need this at this time.

Enjoy the holidays!

Dolores Maitland
APRE

God of perfect peace, violence and cruelty can have no part with you.
May those who are at peace with one another hold fast to the good will that unites them; may those who are enemies forget their hatred and be healed.
We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, for ever and ever.

GRIFFITH UNIVERSITY “ROCK SCHOOL”

“Rock School” will be run over a 1 week period offered at the Gold Coast campus only over the Summer period in 2015. The program will run for 5 days and will provide tuition in areas core to popular music performance and production while also introducing students to a tertiary environment.

Students who play and who have at least a developing instrumental skill, and a passion for popular music should not miss this opportunity to mix with students from around the state and to work with and learn from highly experienced teachers from the music industry.

For further details and to apply visit www.griffith.edu.au/music/popular-music/high-school-and-community-programs or see the Marymount College Careers Office.

GRIFFITH UNIVERSITY – SPORTS COLLEGE

The GSC provides “one-on-one” support to athletes in the planning of their degree.

Assistance is provided to young developing athletes graduating from school that have done great things at Regional/State level and are showing potential to continue on in their sport. It is always worthwhile for athletes to apply for sports scholarships.

There are currently 4 different scholarships available with more information available at www.griffith.edu.au/sport/elite-athletes.

For further details on the Griffith Sports College email: gsc@griffith.edu.au or visit www.griffith.edu.au/griffith-sports-college.

2014 QUEENSLAND SCHOOL CANOE MARATHON CHAMPIONSHIPS

On Sunday 31st August three students competed on Currumbin Creek in the Queensland School Canoe Marathon Championships and they came away with some great results.

Congratulations to Tyler Cook (2nd U16 Girls K1 – 6km & 2nd U16 Girls K2 – 6km); Joli-Belle Cook (4th U14 Girls K1 – 3km) and William Frost (4th U14 Boys K2 – 3km & 7th U14 Boys K1 – 3km).

QUEENSLAND TRACK & FIELD CHAMPIONSHIPS

Congratulations to the following students on their selection in the South Coast Regional Team to compete at the State Track & Field Championships in Brisbane from the 23rd to 26th October: Jack Adams; Caitlin Banner; Xavier Coates; Maddie Dick; Georgia Freese; Will Munro; Tom Popovic; Tristan Seeto; Lachlan Smith; Jack Taylor and Simi Thomsen-Ajayi.

THURSDAY SPORT

Next term we have recreational sporting activities on a Thursday afternoon for years 8 – 11. All students should now know what activity they are in and you have the holidays to ensure they have the correct equipment and money for that activity. If you wish to change sports you will need to see Mr Balym before Thursday to change to a different activity.

QUEENSLAND GOVERNMENT YOUNG ATHLETE ASSISTANCE PROGRAM

If your child has competed at a State or State School Championships, National or National School Championship or International Championship you may be eligible to receive $200 financial assistance from the Queensland Government. Go to http://www.nprsr.qld.gov.au/funding/overview/young-athlete.html to find out more information and to see if you are eligible.

SPORTING RESULTS

Many of the sporting results that happen outside of school only make their way to our newsletter because the students or their family inform the school. If you would like to have your results or your child’s results published in the newsletter, please contact me via email: info@marymount.qld.edu.au and I will make sure we have the details in the next newsletter.
2014 has been yet another successful year in Japanese, with Ms Kanae Aki having worked firmly throughout the year to plan and organise the annual Japanese exchange program.

During the commencement of this term between the 10th and 23rd August, a new relationship was formed for the first time with Yuhigaoka Gakuen Koko high school located in Osaka. The students who visited the College comprised of twenty girls and one boy, along with accompanying teachers Ms Nishimura and Ms Tani. During their visit, students gained a taste of Australia’s diverse educational culture, accompanying their buddies to various lessons, baking scones and delicious treats alongside the College’s Home Economics students, as well as joining several Japanese classes for intellectual conversations, activities and learning opportunities including origami!

One unique opportunity for the Japanese students was their visit to the Currumbin Wildlife Sanctuary. Accompanied by the Year 10 Japanese class, the students beamed from ear to ear at the sight of the natural wildlife, despite the unfortunate wet weather. The annual Japanese Exchange Program is most rewarding, providing the opportunity for students from varying cultures and backgrounds to form lasting relationships and friendships. Ms Aki, the College’s Japanese Coordinator described this year’s exchange as, “A great success! It always makes me happy and grateful to see the faces of the exchange students with their big beaming smiles after experiencing Australia’s culture within a short time frame – a once in a lifetime opportunity.”

On behalf of Marymount College, Ms Aki would like to thank all staff and students who made these Japanese visitors feel welcome and accepted during their stay, and of course the program would not be possible without the generosity and hospitality provided by our host families. Thank you!

Dylan Stipancic is a committed dramatic arts student who has had remarkable success and achieved very high standards this year. At the Gold Coast Eisteddfod, Dylan entered three sections including Individual Drama, Humorous and Mime. He received two 1st place awards and a Very Highly Commended. Dylan was also awarded the Jessica Bird Memorial Trophy for Outstanding Achievement in Speech & Drama for 11-14 years.

Dylan participated in the Year 8 Drama Festival play ‘The Demon Headmaster’ and played the role of the headmaster. He is enrolled at NAPA (National Academy of Performing Arts) taking classes in Musical Theatre, Jazz, Hip-hop and Eisteddfod Performance troupes every Tuesday, Wednesday, Thursday and Sunday. In July, he was also part of the mass ensemble for the musical CATS, which also starred Marina Prior. He did 5 performance shows at the Brisbane Convention and Exhibition Centre. Dylan has been doing Speech and Drama since Year 1 and has loved it! Since then, he has performed on stage, theatre, musicals and film sets.

He loves challenging himself in all areas of acting and the performing arts.

REFLECTIONS ON YEAR 9 END OF TERM

Like any high school student, my year so far has been filled with homework, procrastination and more homework. Ahhhh, the joys of high school. But like any good student, I soldiered on.

The stress of assignments and having opinions of 250 different people can affect any person, especially the weak mind of a teenager, like me and most of you reading this. But I know that having an education from a great school like this will help me through the rest of high school, life generally and of course when I tell my grandkids about my ‘good ole’ school days.

Stress affects everyone at some point in their life, and when you have so much on your plate, like homework, assignments, clubs, outside commitments and friendships it’s hard for it not to beat you up emotionally, and that leads to being over tired, angry and being ‘snappy’. So, that concludes that homework is literally killing us. Take that, doing three assignments in one night. I’m told it must be my lack of time management. But I know that high school is actually possible to survive, just ask any teacher; they chose to do the worst and best of years of their life all over again!

Reece Jackson - Year 9 reporter

OZANAM VILLA VISIT

On Father’s Day each year many families all over the world come together to celebrate their fathers, grandfathers and great grandfathers with gifts and special activities. This year, our Marymount College Interact Club in conjunction with the charter of Rotary Interact, visited the Retirement Village of Ozanam Villa at Burleigh Heads to celebrate the joy of Father’s Day with the residents.

Ms Kanae Aki and Mrs Irene Scott escorted our Interact group. When we arrived in the main gathering room we joined the elderly residents sitting around a few tables; they were all very enthusiastic to share some stories with us. Then some of the members of the Marymount Interact club performed songs for the residents which added to the positive atmosphere of the gathering. After the performances we continued to chat with the residents; it was a very interesting and heartening experience talking to and hearing about their life stories.

The afternoon continued with a game of trivia hosted by Nixon Brass (Year 11) challenging the residents and Interact students with their general knowledge skills. After this the Father’s Day gifts were handed out. The elderly gentlemen enjoyed reading their Father’s Day cards and opening their gifts, which were small, but highly powerful L.E.D torches that shone very brightly. After the gift giving Taya Oxenham and Nixon Brass thanked the staff and residents on behalf of the Marymount College Interact group for inviting us and allowing us to share this time with the elderly residents at Ozanam Villa.

POPOVIC TWINS & YEAR 12 UPDATE

Marymount College students outdid themselves at the school’s Athletics Carnival. It was a successful day for our keen athletes, with eleven records broken on the day.

Year 12 students and twins Tom and Matt Popovic had special reason to give their all at their last sports carnival at Marymount as their grandparents had flown up from Sydney to watch them compete.

“Our grandparents are always so proud of our achievements,” said Matt, whose grandparents travel up each year to cheer on their grandchildren.

“They enjoy seeing our school Athletics carnivals in particular with Pop keeping us eagerly updated while Nan smiles, waves and prays us on.”

The twins certainly made their two biggest supporters proud, winning first or second place in seven events between them. As well as achieving their own personal best across the board, Tom broke a long-standing shot put record on his last throw.

The boys’ grandparents are amazed at Tom and Matt’s abilities, and would love to see them continue with athletics after school.

“They know we have always tried to do our best and always say, if you come last and have achieved a personal best, you are a winner,” Matt said.

The boys’ granddad gives them advice and inspiration, saying that any training is good training, even if you have trained badly.

“He’s the wisest man we know.”

The Popovic twins’ strong family support led to a strong finish at their last school carnival, and the boys are happy with their results.

“We feel very lucky and proud to have shared our last carnival with both Nan and Pop.”

With the strong support from their family, particularly their dedicated grandparents, we can expect to hear big things from Matt and Tom Popovic in the future.

Year 12 reporter

YEAR 12 UPDATE

With the end of Term 3, our Year 12 cohort looks towards five weeks of classes, and a two-week exam block. To ensure a successful conclusion to 2014 and indeed twelve years of education, we emphasise the importance of a good rest over the coming holidays. Ensure all preparation is made for the last term of school. We encourage parents and guardians to help students get ready for what will be a hectic last term. Priority must be given to study, the organisation and management of time for assignment work and preparation for exams. Arriving on time each day with correct attire and being ready for the business of learning and active participation.

GRADUATION LITURGY 12TH NOVEMBER

A feature of this event is to show a photo capturing each student during their baby/toddler or first school year moment. We ask that you seek out these precious shots, scan them and send them to Mr Cornor as an attachment: kcornor@marymount.qld.edu.au

All photos need to be received by October 31st.

Anyone having difficulties scanning their photos can bring the original and have it scanned at school.

GRADUATION DINNER 20TH NOVEMBER

Advising that a letter to parents and guardians has been sent home regarding this event. Please make a note of the payment deadline and work towards securing a spot for what is always a wonderful evening of celebration.

If you have not received this notification, please contact Mr Kevin Cornor or obtain the information on line by clicking HERE.

Correspondence confirming table numbers will be forwarded to parents and guardians prior to the Graduation Dinner.

We thank our Year 12 students for the positive way in which they have conducted themselves over the past weeks and wish everyone a relaxing and safe holiday break.
