Year 7 Camp - Mapleton (until 20/3)

Friday 20 March
Year 9 & 10 Textile/Craft Excursion

Monday 22 March
1:00pm - 8:00pm Year 7 2016 Enrolment Interviews

Tuesday 23 March
1:00pm - 8:00pm Year 7 2016 Enrolment Interviews
Wednesday 24 March
3:30pm - 10:30am Year 10 Drama Excursion QPAC

PROJECT COMPASSION APPEAL

Each day during Lent we invite donations to Caritas Australia’s Project Compassion Appeal. Please encourage your son/daughter to give a little each week to this appeal. They may give it from their lunch money or they may be passing on from what their parents give them. The College students have raised in excess of $5,000 each year during Lent and Caritas Australia is very appreciative of this generosity. Please support the 2015 Campaign this Lent.

OCEANIC SWIMMING CARNIVAL

Congratulations to our College Swimming Team for their achievements at the Oceanic Carnival on Wednesday. Their second placing concludes our many years as Oceanic Champions but does not diminish their efforts this year. We congratulate the 2015 Champions Miami High School as we promise to challenge them for the title next year. Congratulations to our Boys who finished second and our Girls who finished second and to Age Champions Jacob Vincent (16yrs), Greta Peterson (17-19 yrs) and Matthew Homer (17-19 yrs). Appreciation to Mr Klouzal for training the quad and to Mr Balsem, Ms Andersen and Mrs Smith who managed the squad on the day.

MAJOR EXCURSIONS/CAMPS MAKE FOR A BUSY TIME

This week we had the Year 11 Geography Camp and thank Mrs Cooper and Mr Kelleher for their planning, preparation and time to ensure these students had this ‘field’ experience at Moreton Island National Park. Such shared experiences provide a context that teachers and the students can draw on as the course continues throughout the year.

Next week we have the Year 10 Retreat Day on Wednesday and the Year 12 three day retreats across five venues involving 20 staff. Again, these experiences provide rich contexts to compliment what students learn in class. At the same time the experience changes the learning dynamic during the time away that often enhances understanding back at school. With retreats we also hope some of this understanding permeates relationships with each other and at home. We thank Mrs Maitland, Mrs Serong and Mr Pereira for their planning and the five teams of four staff who will lead at each of the retreat venues.

There are two more camps in week 7. We have a Year 11 and 12 Agricultural Science camp and a Year 12 Marine Studies Camp. Again, there are teachers to thank for their commitment. Our students are very lucky. They have parents

Parents & Friends Meeting - 6:30pm Tuesday 10th March
College Meeting Room

We invite Year 7 and 8 parents to attend this meeting to raise/discuss transition to high school issues for their son/daughter.
who send them to Marymount College and allow them to choose subjects where additional fees are charged. As a result, the students experience rich learning contexts that their parents never experienced and the opportunity to better understand what they are learning. However, it does make for a very busy time for the Deputy and the teachers back at school as they cover for the staff away and help students, on their return, with work they miss while on these excursions, camps and retreats.

Marymount Tours 5:30pm Monday 9 March
Please tell all prospective Marymount families about our student led tours of the College that begin with this first Tour on Monday week. The tours are about families being able to walk through the College grounds and facilities with senior students. We let the students “tell it like it is” and believe it gives parents and students an honest understanding of what it’s like at Marymount College. There is an opportunity to meet the College Principal and Senior Administration Team at the end of the Tour. Most families are very busy and stay for a very short time to meet some of the team after the Tour before taking a College prospectus and heading home for dinner. We enrol students who are in Year five and six and the next enrolment interviews are scheduled for Monday 23 & Tuesday 24 March. Applications completed and submitted by 17 March should be able to be included in this round of interviews.

Patrick’s Day Tuesday 17 March
St Patrick’s Day is just two weeks away. It’s the day that beginning teachers are told (according to legend) that it is OK to relax just a little and smile in front of their students. That’s because the end of term one is nigh and they have successfully established their authority and capacity with their students. It is also true, that with the approach of St Patrick’s day, that the end of term assessment is close, so we remind all students to prepare now, and every week night, to ensure you are ready for exams, to ensure your assignments are submitted on time and to ensure you can go to your Easter holidays on Holy Thursday 2 April, knowing that you did the best you could possibly do in your school work in term one.

Twilight Professional Development
Staff professional development continues on Monday evening with the first of four Twilight Professional Development Programs 3:30pm to 6:30pm for this year. On Monday there will be a number of sessions including Fire Safety training, departmental meetings to further the whole school pedagogy plan (Art & Science of Teaching) in their teaching and some personal time to finalise and submit their Teacher Professional Development Plan.

Principal
BCE Connect mobile app

BCE Connect, our mobile app for all our BCE Schools, is another great way to participate in our community. BCE Connect gives parents, staff, extended family, friends and the public easy access to school information, making it easier to keep track and stay in touch.

It works with Google maps for location and directions, and gives instant access to phone numbers, emails and public school information. BCE Connect has been designed to work on both Apple and Android devices.

You can download our app from:

Google Play Store
Apple Store - iphone

Search for BCE Connect. The app is designed to work on both Apple and Android devices.

• Search for Marymount College
• Use either Name search, Map search or Schools near me, to find Marymount College.
• Tap the ribbon with the star to make it your favourite.
• If you choose to enable push notifications you will be notified when new announcements are made.

Always have information at your fingertips!

Use the app to keep up to date with coming events, schedules, forms and communication sent home, and announcements.

DEPUTY PRINCIPAL

Policies to Follow - Early Departure

If you need to leave school early:
• Bring a letter from your parent/guardian explaining why you need to leave school early
• Have your Pastoral Teacher and Pastoral Coordinator sign the letter during Pastoral Care period
• Immediately prior to departure report to SAO. Hand in your note and scan your ID card
• Collect your slip from the SAO Counter

Parents should report to the Student Administration Office collect their son/daughter. The carpark is not supervised during school hours and we do not permit students to meet parents there.

Kyle Connor
Deputy Principal

ASSISTANT PRINCIPAL SENIOR SECONDARY

Navigating the College Website

Now that our students are well and truly settled into the term and year, it would be timely to inform you of several important links available from the College website. Our website is an excellent resource and is both professionally maintained and very user friendly. I encourage you to access the following and make use of the information contained there:

From the Quick Links tab on the front page > click on the Electronic Submissions tab ... this is where students can upload assignments electronically or click here: http://www.marymount.qld.edu.au/Pages/Electronic-Submissions.aspx

From the Curriculum tab in the main menu > click on the Year 11 tab ... locate a link in the information there to the ‘Planning a QCE’ brochure or click here: http://www.qsa.qld.edu.au/downloads/senior/qce_brochure.pdf

From the Curriculum tab in the main menu > click on the Year 12 tab ... locate a link in the information there to the QCAA website – especially linking information on the QCS Test / or click here: http://www.qcaa.qld.edu.au/587.html

Peter Shaw
Assistant Principal - Senior Secondary
The College values homework as it encourages independent learning outside class times and we appreciate the support of the parents in this area.

ASSISTANT PRINCIPAL JUNIOR SECONDARY

Homework

The term is now in full swing and it is now a busy time. Many students are involved in the Musical rehearsals, debating teams have been formed and students representing the school in swimming. At this time there is a lot of demands on the student’s time and time management is important in particular when it comes to homework.

The College values homework as it encourages independent learning outside class times and we appreciate the support of the parents in this area. At this particular time, students are completing assignments and preparing for tests that provide feedback to students, parents and teachers which is an important part of the learning process.

Parents should carefully monitor the quality and amount of homework being done by their son or daughter. I encourage parents to communicate with the classroom teachers if they judge that the homework is either too demanding or not demanding enough. Please use the student’s Record Book to communicate with the subject teachers. Teachers appreciate this feedback.

We do not expect our Junior Secondary students to spend excessive time with Homework. Year Seven Students should be spending at least four hours a week on homework, Year Eight students at least five hours and Nine students up to six hours per week.

A reminder to the students to keep the Record book up to date and make sure that the homework and assessment due dates are recorded.

Please do not hesitate to contact me if you have further concerns about homework or any other issues around the transition to the College.

Have a good week.

Marie Hansen
Assistant Principal Junior Secondary

LEARNING SUPPORT COORDINATOR

Homework Club

Our Homework Club runs every Thursday afternoon from 3.10- 4.30pm in the College library.

All students from Years 7-12 are welcome and there is no need to book in; students just sign in when they arrive. The three Learning Support teachers supervise and are available to assist students with homework and assignments as needed.

Homework Club also provides an opportunity to access the library facilities after school hours and is a great place to meet with classmates to work on group assignments.

Annette McMahon
Learning Support Coordinator

Tips for Success in Learning

Have you set goals for your learning?

These goals can be broad like becoming a better note-taker.

These goals can also be more specific like improving your results in Maths.

You can try to improve on these goals during the term or over the year.

Second Mass – Sunday 1/03/2015
• 5:30pm Doyle Centre
• Games and refreshments after mass.
• Musicians and singing practice at
• Needed- Singers to join in the Choir (all ages welcome)

Lord, you have called us to stand and commit ourselves wholeheartedly to the good of all people.
We give thanks for all the opportunities we have had in our lives to learn and develop the gifts you have given us.
Nourish our spirits and minds in your infinite love and generosity this Lenten season.
We pray that we are able to work together and commit ourselves without hesitation, to the good of our brothers and sisters around the world.

Amen

APRE

Project Compassion Week 2
This week Project Compassion focuses on Niger, where life is very tough. Many live in extreme poverty, often unable to afford or access food and water.

This week we meet Mariama who is raising her daughter in Niger, a country that suffers widespread poverty. When her little girl became malnourished, she received life-saving food and care at a Nutrition Centre, supported by Caritas Australia.

Your donation to Project Compassion 2015 helps save the lives of people living on the brink of survival in Niger, giving them access to nutritional support and essential food for life.

www.caritas.org.au/projectcompassion

Year 12 Retreat

Students will leave to go on Retreat on Wednesday 4 March and return on Friday 6 March by 3:00pm.

If you have not yet returned your permission slip, the letter can be downloaded from the website here. Please complete and return to the College as soon as possible.

A reminder to please label all items of clothing and personal belongings. Electronic items such as iPods, or mobile phones should not be brought to camp. Teachers will take photos and these will be available for students and parents after retreat. Students should focus on the retreat experience.

Dolores Maitland
Assistant Principal Religious Education

CAMPUS MINISTER

Hi, I’m Edwin Pereira, the Campus Minister at Marymount College. I look forward to being a companion with the students, to journey, listen, chat and be a friend.

I am passionate about working with young people and have over 15 years experience, and enjoy sharing my faith.

Pray that my time here will be fruitful to all.
Blessings.

Edwin Pereira
Campus Minister

Visit Project Compassion website - Click Here
Voice of Youth is a prestigious public speaking competition, which is held in every state of Australia. It is the only national level competition in this country that is open to students at all year levels.

Any Marymount College student who is interested in public speaking would be well advised to enter the competition as it provides excellent experience in developing speaking and communication skills. These attributes are absolutely invaluable for all students, not only in the classroom situation, but especially when they progress to job applications and applications to tertiary institutions for any scholarships when they graduate from school.

Ever wondered why the school collects money for charity? We are offering a chance for a small group of students to see first hand where Catholic Mission and Caritas donations end up, with an immersion to our near neighbour, Timor Leste.

Students at all year levels have been informed about the competition through the daily notices, and already a pleasing number have indicated that they will be entrants this year. All students who are interested, but who have not yet received information sheets, still have the opportunity to enter the competition. They will be most welcome, but will need to act quickly as drafts of speeches should be completed by March 17. For further information, students should enquire at SAO.

Bill Bruce
Public Speaking Coordinator

--

Lost Property

Please ensure that all items of your uniform have your name on them. Items found can be collected from the Main Office.

Lost: A bag with a complete boys senior uniform and shoes was lost on a recent excursion. Has this showed up at your house? Please bring to the College Main Office.

Marymount Fete

Marymount Fete will be Saturday 17 October, which is the second Saturday of Term 4.

The first Fete meeting to begin the preparation process for this event will be 6:00pm Monday 9 March, in the Primary School Staff Room

Parents who would like to be involved in any way are most welcome to come along to this meeting. The Fete is a great community event for our schools and the local area so it would be fantastic if we could get as many parents along to this initial meeting.

As in previous years we would be looking to hire a Convenor who oversees the coordination of the Fete. This is a paid position and involves participation and facilitating of our monthly meetings as well as dealing with much of the paperwork for insurances, permits, signage and so on.

If you, or anyone you know of anyone who would be interested in this position please contact Marymount Primary Parent Reception 55351803.
Please remind your child that the MacBook should be charged in a central area of the house at the end of the day.

YEAR 7 COORDINATORS

The Year 7s must have thought it was like Christmas last Thursday as they opened their MacBook boxes and finally got to see their laptops for the first time!

The students learned how to set up their email accounts, and how to access the school’s internet, printers, portals and drives. The teachers reported that our Year 7s handled this process very well and were cooperative and attentive. All students received an equipment list form with their laptops, which were due to be returned last week. Please remind your child that the MacBook should be charged in a central area of the house at the end of the day to eliminate bedroom use at night. This will also ensure the computer is also fully charged for the following school day.

Year 7 Camp

Year 7 Camp at Mapleton on the Sunshine Coast is fast approaching, and students have now received camp details and consent forms. Please return completed medial/consent and paracetamol permission forms to your child’s pastoral teacher before March 6. The consent form also includes a section to include any allergies or dietary requirements.

There is also an orange packing list, which outlines all camp requirements for students. Please ensure that all of your child’s belongings are clearly labelled. Laptop computers, iPads, tablets and other electronic equipment are not to be brought on camp.

If you have any questions or concerns, please do not hesitate to call Mrs Sheehan or Mrs Lynch regarding this matter.

Jacqui Sheehan
Year 7 Coordinator

YEAR 9 ENGLISH-SOCIAL JUSTICE ORAL

With each new school year, new assignments are distributed. When the Year 9 English classes heard a few weeks ago that they would be doing a speech on social justice, all that could be heard was groaning.

Since then, so many students have been getting involved and have realised that there are a lot more important First World problems than not knowing what to have for breakfast. Year 9 students have been able to choose a topic that they feel strongly about such as racism, domestic violence or Human Rights.

With most classes now completing their drafts, many students have noticed that the expectations they originally had of this assignment were very different to their thoughts now. Many students are enjoying experimenting with different persuasive techniques and are looking forward to the designing of a persuasive poster.

This assignment is also helping to develop new skills for Year 9 students. Many of us have enjoyed using our creativity and imagination to form puns, write sentences filled with emotive language, invent the best rhetorical questions and practise our formal language.

As we near the due date and presentation for our social justice speech, we will have become aware of how naïve we may have been to the problems of the world in which we live. We all hope that as a result of this task, we will all be able to use our voices to contribute and improve the social justice within our world.

Matilda Teitzel
Year 9 reporter

Performing Arts Classes

Performing Arts Classes are held every Tuesday after school in the Doyle Centre Drama Room. There are a few spots still available this year.

With years of experience in both live and TV/film work, my daughter Cleo Massey and I like to offer the students a variety of experiences. Some take part in festivals and the older students will do some film work.

Classes cover acting skills, role play, character work, improvisation and more. If you would like to enrol your child email or text me as below

Anna Waters-Massey

Planning a Holiday? Check term dates here
**Junior Secondary News**

**Year 7 Out of the Box Day**

I walked to the desk at the far end of the library and took my case and bag.

My group walked to J Block and we sit down in the classroom. The girl who sat next to me had never had a computer before; she was insanely excited. We opened our case and bag as more people streamed into the room. Finally, we are told to open the box and get our computers out.

The screen is clean and there are no fingerprints on it.

After that, we went through the process of setting up the computer. The Wi-Fi had to be set up, our emails too, then everything else.

My last lesson of the day, Period 6, was History, and we finally got to use our Macs. I was excited and nervous at the same time. But eventually we got to open them up and use them like all of the other students.

The 19 February has come and gone and now and every single person in Marymount College has some type of computer.

When we arrived in the morning, all of the Year 7 students couldn’t wait. We all knew they were about to get our shiny new, MacBook Pros.

There was excitement in the air as we made our way to the Amphitheatre. Mrs Sheehan and Mrs Lynch spoke to us about rules to be observed and Mr Browne explained the order of the day as we were divided into three groups.

As we lined up in the Library, it seemed to be taking forever. But finally, FINALLY, I got to the front of the line. I told the IT Department my name and they handed me a clean, white box.

Students were taught how to set up and use their Macs. There are always rules with everything and that means there are rules with the Macs.

Just some of those rules include - don’t downloaded games or music. In the words of my Year 7 friend “ I think having this computer is a great idea and very helpful for our learning”. I believe that having a 1-1 computer system is a very good idea. Having to organise two Year levels to get their computers, meant a whole lot more organisation. The school has dealt with this amazingly. Thank you to all the helpful and friendly staff and the Year 11 Peer Mentors who assisted on the day. I hope all Year 7s enjoy their Macs and feel inspired to learn more, just as plan to do!

Mai Chang

Marymount College
Careers Centre

6:00pm - 8:00pm
Tuesday 28 July 2015

Representatives available from Universities, Training Institutes, Organisations and Exchange Programs to provide advice.

Come and discover a wide range of career opportunities by speaking to our parent practitioners working in the industry.

All year levels are encouraged to attend.

Changes to the Secondary Schools Tax File Number Program

The Australian Taxation Office in partnership with Australia Post is making it easier for individuals to apply for a TFN. Students can now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

For further information on applying online visit www.ato.gov.au (search QC27248).

Marymount College Website Careers Centre Link

Information is currently being added to the Careers Centre section of the Marymount College Website under the ‘Student Services’ heading. Up-to-date information and forms are being made available on the wide range of services and support provided including Job Seeking/Resume Writing, Work Experience, Traineeships and other student opportunities.

Year 12 undergraduate showcase **date change**

Year 12 students should take note of the date change for this important event previously scheduled for 18 March, now being held in the Doyle Centre on Tuesday 17 March (8:50am-9:50am). This event is not to be missed! Info on the transition from High School to University will be presented, with representatives from the Gold Coast and Brisbane Universities available for one-on-one advice. Even if your plans are not to pursue university studies after finishing, this compulsory event will provide a very valuable insight and may open your eyes up to opportunities you otherwise had not considered.

Don’t miss out!!

Year 11 work experience program 2015

Well done those Year 11 students who have secured quality placements for Work Experience Week already. Can we encourage students, parents and caregivers to consider options early as many of the Gold Coast schools undergo similar programs the same week and placements can be limited (Term 2 – Week 10). Anyone who has not received the information mailed home last week, should visit the Careers Centre or contact Ms Petrina James pjames@marymount.qld.edu.au.

Gold Coast Health – Nursing/Midwifery Work Experience Workshop

Places are filling fast for this popular program offered by Gold Coast Health and delivered at the Robina Hospital. The one day workshops are offered to Year 11 & 12 students with Career presentations including:

- **Medicine:**
- **Nursing:**
- **Dietetics:**
- **Occupational Therapy:**
- **Physiotherapy:**
- **Social Work:**
- **Simulation Activities**

Bookings are essential for the remaining dates as follows:

- 14 April
- 23 June
- 15th September
- 22 September
- 10 November

For further details and to register, see the Marymount College Careers Centre urgently, or contact Ms Petrina James pjames@marymount.qld.edu.au.

The University of Queensland “Careers that Shape the World”

The free event is a great way for Year 11 and 12 students to discover a range of career and study opportunities. Students can participate in a wide variety of interactive sessions delivered by industry professionals, academic experts and UQ students from various areas of study. Interested students should set aside the date Wednesday, 15 July with further information to come. Watch this space!

AGCC Interschool Sport

Round 1 of the AGCC interschool sport competition commences next Thursday 5 March. Semester 1 draws will soon be available on the College website. A reminder that students who have chosen tennis as their interschool sport will require their own tennis racket; while students participating in soccer and futsal are required to bring their own shin pads, and purchase a pair of the College football socks.

SPORTS NEWS

Oceanic District Swimming Carnival

Our swimmers finally got the opportunity to compete at the Oceanic District Swimming Carnival on Wednesday after the meet was postponed last week due to the impending cyclonic conditions. All students raced strongly placing us second as the Overall Champion Swimming School as well as second in the Boys and Girls Aggregate Trophy and Percentage Trophy. Three of our students were successful in winning Age Champion Awards:

Jacob Vincent – 16 Years Boys Age Champion
Greta Petersen – 17-19 Years Girls Age Champion
Matthew Homer – 17-19 Years Boys Age Champion

Thank you to Mr Harry Klouzal, Mrs Kim Smith and Mr Trent Balym who assisted with team management and time keeping at the carnival.

We wish all of our students competing at the South Coast Region Swimming Trials next Monday and Wednesday nights at the Gold Coast Aquatic Centre, Southport Parklands, all the very best.

Oceanic District Sports Trials

The following Oceanic District sports trials will be held next week:

Monday 2 March:
14 Years Boys Cricket (No Oceanic trial. Nominate with Miss Andersen to attend the South Coast Trials)

Tuesday 3 March:
12 Years Boys AFL

Thursday 5 March:
15 and 19 Years Girls Netball
15 Years Boys AFL

Students wishing to participate in these trials must visit the sports office to register and collect the relevant newsletters and South Coast School Sport permission booklets.

Student Achievements:

Ocean Assault Series

On 7 February, Year 12 student, Greta Petersen competed in the third round of the Ocean Assault Surf Life Saving Series at North Burleigh. Greta swam brilliantly to win the Open Surf Race beating a highly experienced field including national pool and surf race champions. Congratulations Greta on your wonderful achievement! Greta’s swim and her post-race interview were televised on Fox Sports.

National Canoeing Sprint Championships

Congratulations to Year 8 student, Sophie Rixon, on her selection in the Queensland Canoe Sprint Team to compete at the National Sprint Championships at the Sydney International Regatta Centre next month. Sophie will also compete in the National Canoe Marathon Championships in Canberra in April. Well done Sophie! We wish you all the very best in Sydney and Canberra.
