Veterans’ & Political Representatives’ Visit

On Monday we welcome War Veterans and Volunteers from the Mudgeeraba Light Horse Museum. We are delighted that Christopher Pyne Minister for Education & Training and Leader of the House will join us for the occasion.
We will also welcome Karen Andrews, MP Federal Member for McPherson, and Michael Hart MP State Member for Burleigh.

We have invited the war veterans and volunteers from the Mudgeeraba Light Horse Museum to our College Assembly on Monday to show our appreciation for their support of Darcy Reynolds and Max Miskell with their entries in the Queensland Premiers ANZAC Prize 2015. Mr Lionel Veale, A World War II Veteran, provided further support to the boys. Darcy’s and Max’s entries were outstanding. No doubt, the collaboration inspired them and Darcy’s success owes much to this and the support they received. The presence of Minister Pyne, Ms Andrews and Mr Hart further recognises our indebtedness to our War Veterans.

Darcy will travel to Anzac Cove with the other 69 Premiers Anzac Prize 2015 winners for the 100th Anniversary Commendation on April 25.

Appreciation to Staff

Our appreciation to the teachers who accompanied the Seniors across the five retreat venues this week. Appreciation also to the teachers who accompanied the Year 11 Geography students on their camp to Tangalooma. Back at school it made for a busy time for teachers covering classes for colleagues who were helping with the retreats and the excursion. Mr Rezo, who was on one of the Year 12 Retreats, said that his Year 11 Geography Camp on Tangalooma and the Year 12 Retreat were two of his best memories of his time at Marymount as a student.

DEPUTY PRINCIPAL
Procedures to follow
There are students who are texting their parents to come and pick them up instead of following the correct procedures and/or using Sick Bay to avoid classes. When this occurs, it inconveniences both the parent and those who tend the office.
Please discuss the correct procedure as outlined below with your son/daughter so that the College runs smoothly and efficiently:

You become ill at school
• Request permission from the teacher you are with to attend Sick Bay
• The teacher will write a note in your diary
• Report to SAO and show the diary
• Do not ring or text your parents, if necessary, this will be done for you in SAO
• SAO will immediately contact the parent/guardian to arrange to collect their child from the school

You need to leave school early
• Bring a letter from your parent/guardian explaining why you need to leave early. Do not ring or text your parents
• Have your Pastoral Teacher and Pastoral Coordinator sign the letter during Pastoral Care period
• Immediately prior to departure report to SAO. Hand in your note and complete the early departure slip in the book
• We ask for parental support in ensuring each student follows the correct procedures

You will find an outline of this and other College Procedures in your child’s Student Record Book.

Lord,
May all that we do this day,
from morning until night,
begin with your inspiration,
and continue with your powerful help.
May our work this day be rooted in love and mercy,
that we might love you,
and love our neighbours,
as perfectly as you love us.
We ask this through our Lord Jesus Christ.

For the majority of Australians, good health and great food are part of everyday life.

But the story is starkly different for First Australians living in rural communities, where low incomes, limited access to nutritious, affordable food, and poor food choices (due to lack of education) are severely compromising the health and well-being of families.

In Central New South Wales, sole mother-of-six Karen had limited education in life-skills such as money management, cooking, nutrition and health. Food and groceries in remote communities like Karen’s are expensive due to freight costs and limited local competition. As a result, it was very hard to stretch her Centrelink payments to afford essentials like food and rent.

“I was in a lot of debt and wasn’t handling my money properly,” says Karen. “Feeding the kids was about what was easiest, not what is healthy.”

Karen had never linked good budgeting habits to good food, good health and a better (less stressful) life. So, two years ago, when she enrolled in the Centacare Wilcannia-Forbes Manage Your Income, Manage Your Life Program supported by Caritas Australia, a new world opened up to her. Through a series of budgeting workshops and monthly budget planning sessions, combined with nutrition workshops and cooking activities,

ROUND #1 INTERSCHOOL CHESS

On Wednesday, 13 students from Marymount College attended the annual Inter-school Chess Competition, the first qualifying round held at Somerset College.

Our large turnout was a credit to the students and the school as a whole. Students ranged from Year 7 to Year 11 and they all exhibited much enthusiasm on the day of the event. Players from Year 7 were Tom Browne, James Finn and Harrie vandenBroek. From Year 10 we had Ben Carolan, Thomas Whenuaaroa, Matt Fineran, Enzo Desalvo, Joshua Melfi, Nathan Janes, Jack Mallory, Aaron Kennedy and Ryan Suddes. Our Year 11 participant Shiralee Sweeny was the only female competitor, however there was plenty of support from her fellow Marymount teammates.

Once we arrived, all students were eager to initiate some pre-competition practice before the official rounds of the tournament began. Overall there were 126 students from Secondary schools on and around the Gold Coast, all of which exhibited their most serious ‘chess faces’ during game time. Marymount students demonstrated much comradeship and supported each other during all seven rounds over the day.

Overall, our Marymount teams came in 11th, 20th and 28th out of 37 teams. Nathan Janes obtained the school’s highest standing at 38th place, with Jack Mallory and Joshua Melfi finishing 52nd and 55th place respectively. I would like to commend all Marymount contestants on their school spirit, immaculate dress and exceptional behaviour and hope they will all be back next year.

TEACHER LIBRARIAN

Blind Date with a Book

Winner of the $25 draw was Swai-Anne Hill. She has been able to choose her own date or two at the bookshop, but she still borrowed something from the Library this week! Tiana Misic and Matisse Duncan both won themselves a free book. Did those dates turn out well, girls?

Reading & Growing

It’s been great to see the number of eager readers amongst our Year 7 & 8 cohorts. As well as the very busy lunchtimes on laptops in the Library, students are borrowing and reading, beyond the classroom texts. We’re a well-resourced library with something for everyone on the shelves, so even those daughters or sons who ‘don’t read’ can find something.

Borrowing

Generally, novels may be borrowed for 2 weeks and non-fiction for 1 week. Please encourage your child to keep to these loan times and to renew their overdues at the library circulation desk if they need the book for any longer. Children can be forgetful, so please remind them to return their library books regularly.

YEAR 11 GEOGRAPHY EXCURSION

Magnificent Moreton Island – Just 38kms from Brisbane

Fieldwork is a compulsory and very important component of Geography. It provides students with the opportunity to combine their knowledge with experiences and observations. Last week, Year 11 students embarked on a three-day excursion to Tangalooma Resort, Moreton Island. They were blessed with excellent weather, ideal conditions in which to explore the many geological, ecological and historical features that the area offers.

Staying in self-contained beach front villas the students were able to develop their cooking skills and independence. Beautiful, intangible sunsets were viewed from the balconies. Students endured the desert sand dunes, beach walks, wrecks and unique flora and fauna, learning about many valuable resources. Time was given to exploring the energy sources of the island and how it is carefully managed. Dolphin feeding was a highlight on the first night. Day three, driving across the historical Middle Road and to Blue Lagoon, Champagne Pools and Cape Moreton enabled students to enjoy learning beyond the classroom.

The 2015 Year 11 Geography class should be thanked for their exemplary behaviour, enthusiasm and involvement. Mr John Kelleher and Mrs Cathy Cooper enjoyed overseeing the field trip. It cemented the students’ knowledge and appreciation of the intrinsic value of national parks and the need for their careful management.

Presentation of Premier’s ANZAC prize

In the presence of Federal Minister for Education and Leader of the House, the Honourable Christopher Pyne, Federal Member for McPherson Karen Andrews and local State Member for Burleigh Michael Hart, the Marymount College Assembly on Monday, March 9 will see acknowledgement of the effort made by two dedicated Year 11 students Darcy Reynolds and Max Miskell. Over the past two years, with guidance from their mentor Ms Therese Mullins both students have researched and uncovered their personal journey towards Gallipoli.

Following the announcement of the Premier’s ANZAC prize earlier this year, Darcy’s stunning success was silenced by the thought his friend Max had not won. Darcy’s humility and Max’s graciousness in defeat are symbolic of the extraordinary mateship and good spirit, which was so evident amongst the men who fought at Gallipoli.

Mr Michael Hart MP, will present the Premier’s ANZAC prize to Darcy Reynolds. The Marymount student will make his way to Gallipoli this year joining thousands to honour and celebrate the ANZAC Centenary of 2015. Urging him on will be members from the Mudgeree Light Horse Museum and proud WW II veteran 96 year old Mr Veale.

We thank Darcy and Max for their extraordinary tenacity in persisting with their project. What wonderful role models they have become as Year 11 students.

Congratulations and best wishes to Darcy on his success.

SPORTS REPORT - STUDENT REPORTER

After two weeks in a row of interschool sport being cancelled due to wet weather, students were eager to get started with their selected sports.

Last week was the first week of trials and I am sure that everyone was trying their hardest to impress their coaches! This week was the start of competition against other schools. Even in this extreme heat, I am proud to say that everybody played fantastically and a majority of teams won their games!

The sports this semester include netball, Oz tag, futsal and tennis and for the boys it is AFL, basketball and also tennis and Oz tag.

Huge thanks in advance to all the coaches and supervising teachers! I look forward to participating in sport this year and continue our winning streak.
