New Set-down, Pick-up & Car Park Work Commences (see page 2 for layout)

From Monday 31 August work will begin in earnest on the internal Set-down, Pick-up & Car Park. There will be no vehicular access into the grounds from Reedy Creek Rd 31 August to 6 October. Pedestrian access to the ovals will be at the eastern end of the Doyle Centre through to the Canteen Courtyard.

Staff and Year 12 Student Parking arrangements for this period have been communicated. Access to this parking is via Sunlight Drive from this Monday 31 August. Safety must be foremost in all drivers’ minds, especially so 8:10am – 8:50am and 2:40pm – 3:20pm.

The Civil firm completing the works, Main Construction, will provide a single lane controlled vehicular access from Reedy Creek Road from 7 October to 4 December.

Fete Art Union Tickets in the Mail

Each College family (who do not have siblings in Marymount Primary School) will receive a book of 20 Art Union Tickets to buy/sell at $2 a ticket. The book of tickets are in the mail. The Art Union is run every two years and the draw of winning ticket numbers is held at the College Fete on Saturday 17 October.

All proceeds from the Fete go to the College and Marymount Primary School Parents and Friends Associations. Please buy/sell all your tickets and return the ticket book stubbs and $40 to The College Bookshop before the end of term. Visit http://www.marymountspringfete.com.au/ for more information about the Marymount Spring Fete.

Qld Core Skills Test – Tues/Wed

We wish the seniors well as they complete the QCST this coming Tuesday and Wednesday. Despite this week’s announcement of proposed changes in 2018 (which will be first experienced by our current Year 8 students) the seniors enjoy significant benefits from the School-Based assessment model that relies on QCST data for scaling. Provided they have prepared well for the QCST through classwork, homework and school-
based assessment seniors can approach the test with quiet confidence. Some nervousness can be healthy, but the format is familiar to students following QCST preparation and practice tests. Students must have the right materials for each test, arrive early and apply the strategies they have developed as they work through the test papers. After these two days of QCST the students must focus their attention on End of Term assessment. This assessment work will be added to the subject folios as teachers prepare College submissions for Verification of students’ work and grades by QCAA District Panels. It is a very important time for the seniors.

Appreciation
Students in Year Seven and Year Eight are having a very good first year at high school. We certainly recognise the support of their families. This was clearly evident on Monday evening with almost all students in attendance with parents for the Subject Information Night. The considered leadership of the Heads of Year – Mrs Sheehan (7) and Mrs Cooper (8) (with the Assistant Heads Mrs Lynch (7) and Mr Carroll (8)) was reflected in their feedback to parents on the night. Appreciation also to Mrs Hansen Assistant Principal Junior Curriculum, Mr Browne AP Pastoral and Mr Connor DP who provide senior leadership support for the Year Sevens and Eights.

Marymount Day Liturgy
9:15am Friday 4 September
Parents/Guardians are most welcome as we celebrate Mary’s birthday (8 September) a little early due to Senior Exam commitments. In doing so we give thanks for her example to us of love, service, abundance and humility that helps us to be mindful of our motto Deus Meus Et Omnia – My God and my all. God is present in this place, Marymount, and Mary calls us to let God work through us. Pastoral classes are collecting donations for hampers which we will give to the parish St Vincent de Paul Society on Marymount Day for families in need.

**Reminder**

Important Message of the alteration to Year 11 exam block: A trial in being run for Year 11 Term III.

Simply put, large group exams of more than one class group will be run in an exam block, as normal. All other classes, especially elective subjects of just one class will have any exam in the doubles of the week(s) prior to exam block. The College will act to ensure there are no interruptions to these lessons - no excursions, assemblies, etc can take the place of exam time in doubles for Weeks 8 & 9. A draft of the Week 10 exam block proposes the following:

**Year 12**

QCS is now only days away. Students have been intently getting into final preparations. Please assist them in collecting their required equipment for the so-called QCS ‘packs. The are no alterations to the year 12 Exam Block, compared to the trial in year 11 (above). The Exam Block will be published a week prior, by Monday 31 August. Yr 12 Exams commence on Monday 7 September. Normal school classes resume on Wednesday 16 September; in readiness for the very short Term IV class lessons program.

**Year 10**

SET plan and Subject selection process has been a major success; particularly as we have moved increasingly to the On Line systems. Again, my thanks and congratulations to all the parents, carers, students and of course teaching staff who made the most of the opportunity to meet and discuss. We have now commenced the arduous tasks of sorting though the subject choices and making important decisions on what subject can run on what lines, etc. This will take us through to the end of the term; before we can announce a 100% completed timetable for Year 11 2016.

**ASSISTANT PRINCIPAL JUNIOR CURRICULUM**

All Year 7, 8 and 9 students have been now received the Subject Selection booklets for 2016.

Please complete the subject selection forms and return them to SAO and also go online and enter the selections on the school intranet. These forms must be returned by Tuesday 1 September. Please let us know if you have any questions about the process or having difficulties adding the selections to the Intranet.

We will let you know early next term the subjects that have been allocated and then there will be a small window of opportunity to make further changes.

Help raise funds for EAST TIMOR, OSSU, Come and see the Film, BEATRIZ’S WAR.

Burleigh Heads Catholic Parish is joining with Burleigh Heads Rotary Club, to screen, “BEATRIZ’S WAR,” the first film to be made in East Timor. It is the passionate story of one woman’s conviction to remain true to the man she loves and the country for which she fought. The film is rated M.

The money raised, will help fund the purchase and transportation costs of a container, to be packed with resources and shipped to East Timor for the Parish of Ossu, in November 2015.

The BH Social Justice Group hopes that the viewing of “Beatriz’s War” will help raise funds and awareness of the need for continued friendship and assistance for the Parish and schools of Ossu, East Timor.

Marymount College is generously providing the use of the Theatrette, Doyle Centre, at Connection Road, Burleigh Waters.

Bookings online at [http://trybooking.com/153213](http://trybooking.com/153213)

$20.00 for advanced bookings and $25 for tickets purchased at the door at each of the three sessions:

Friday 9 and Saturday 10 October at 6:00pm for 7:00pm start. (Glass of wine and nibbles before each evening showing.)

Saturday 10 October, Matinee 1:00pm for 2:00pm start, including Afternoon Tea (Seniors: $15.00)

Tickets on sale after the weekend Masses through September, in each of the Burleigh Parish Churches.

Sacramental Program

On August 6, after an intense four weeks’ preparation, 14 students from our College fully embraced the Catholic faith by being initiated into the sacraments of Reconciliation, Holy Communion and Confirmation.

It was the first time such a programme was offered to our College by the Parish and we are happy that so many students took advantage of it.

A display of some of the highlights of the day is in the Library. Hope and pray that it be an inspiration to others to follow in their footsteps when such a programme is offered to our College next.

The theme this year is ‘Books light up our world’ - lighting up our minds, knowledge, understanding and imagination!

READING WITH THE PREPS

To celebrate Book Week some of our students visited the Prep classes to share a book or two.

The Preps really loved having the visitors come into their class, act out a story or even participate in one and then read with them. It can be quite scary for those unused to being amongst so many 5 year olds, but everyone came away with a smile on their faces, having made new friends.

The theme this year is ‘Books light up our world’ - lighting up our minds, knowledge, understanding and imagination! Students might not want to miss entering the simple competition running over a couple of weeks - with book prizes to the winners of the draw. Come to the Library and find the light and the globe!

One game required us to throw a tennis ball instead of a spear, at a rolling, bouncing gym ball that represented a kangaroo!

**CULTURAL ACTIVITIES**

Last Wednesday, a group of Indigenous students from Marymount College and Marymount Primary took part in a day of cultural activities led by Eric from Ngutana-Lui.

First up, Eric taught us how to make a traditional damper, and Maddie Mulherin, Year 7, particularly liked the fact that she was making something her ancestors would have eaten. There were a few mishaps along the way, but we were all pretty proud of our finished product. Nothing beats fresh, hot damper, straight from the oven, slathered with your choice of honey, syrup or jam for morning tea. Year 9 student, Brandon Fischer particularly enjoyed the damper making as he could fully take part in this activity despite being on crutches. Swai-Anne Hill, Year 7, also enjoyed cooking damper alongside her younger sister, Windsor.

Next Eric taught us several traditional games with some modern twists. One game required us to throw a tennis ball instead of a spear, at a rolling, bouncing gym ball that represented a kangaroo! Hitting the moving target was much harder than we thought, and made us realise how skilled our ancestral hunters were. Not only did we learn to play the games for our own enjoyment, but we learnt how to teach others to play them too. The games were definitely enjoyed by all with Year 9 student Sam Mulherin commenting that they
I definitely think the primary school students got a lot out of it when we went and taught them how to play the games and I think they had a lot of fun also.

CULTURAL ACTIVITIES

were “very good for team building”. Mitchell Weatherall, Year 11, who learnt many of the games during work experience at Ngutana-Lui, said, “I like the idea of the MMC Mob developing a games’ kit that we can pass on to future students.”

Afterwards Eric taught us how traditional dance is used to tell a story. He taught the boys a dance that required us to show off our finest ‘shake-a-leg’ moves, then taught the girls an emu dance, before combining our new-found skills into a dance about the rainbow serpent creating the kangaroo, emu and brolga. Some of us felt a little awkward at first but Eric helped us overcome this and now many of us are keen to learn more so that we can share these dances with the rest of Marymount. Year 11 student, Nick Muir, enjoyed the fact that he had learnt more about his culture through the numerous dances and games we had been taught.

We finished the day at Marymount Primary, working with 150 Year 2 students! The Mob students split between five classes, teaching the little kids traditional games and an activity using the Yugambeh language app on their iPads, before joining together for a dance presentation. Mob Co-Captain, Sarah Riseley, said it was a great way for the Mob to bond with the younger kids from the Primary school, and this was reinforced by Co-Captain Will Rowlings, who described the day as “a great experience and one that everyone seemed to enjoy.

We thank all those who put so much time and effort into making the day such a success, particularly Eric, Ms Napper, Mrs Weatherall and Mrs McCane, and also Mrs Brosnan for helping supervise on the day.

Thomas Weatherall
Year 10, Participant and Student Reporter

Lahni Biumaiwai new to Year 11 Marymount this term, enjoyed being part of her first MMC Mob cultural day.

The day overall was so much fun! My favourite part of the day was probably making the damper and learning and playing the traditional games. I definitely think the primary school students got a lot out of it when we went and taught them how to play the games and I think they had a lot of fun also. The traditional dances were cool. It was fun to learn the dances and hear about the stories behind them. Thanks heaps to Eric and friends for such a great day.

JINGERI WALLAL WAHLU – WELCOME!
Recently the Year 11 Children Services class visited the Jellurgal Cultural centre at Tallebudgera, to experience an amazing and accurate insight into the spirituality and society of the Yugambeh Aboriginal people, one of the oldest living cultures in the world!
The students watched traditional dancing and received a blessing with Ochre. They then went on a tour of the Burleigh Hill to learn about the Aboriginals use of a seasonal calendar, the importance of local flowering fauna, the remains of an ancient shell midden and local creation stories. The girls have come away with a much deeper cultural awareness of their local traditional landowners, and the important role they have played both socially and environmentally. They will use this information in their written assessment for their Cultural competency, as well as to create culturally appropriate resources for the childcare they attend.
The goal of the unit is to improve communication with different cultures within the childcares, creating an environment that is culturally aware and accepting of diversity, by challenging stereotypes and celebrating each unique individual.
