Marymount Day Celebration

Today we celebrated Mary’s birthday and the founding of Marymount College and Marymount Primary School. The day began as the Marymount Primary School and the College came together for Liturgy of the Word in the Doyle Centre. The energy when both schools come together is so good. It is reflected in the joy on the faces of the younger students, especially the prep and year one students, and in the joy in the voices as we waited for proceedings to begin. We thank acting Principal, Annette O’Shea, the Primary School staff and students for making the Liturgy so joyful for everyone. We also thank Ms Anderson and Mrs Maitland for preparing the Liturgy and Father Ken who presided.

Following prayer the College celebrations continued with morning tea, games and zumba, a BBQ lunch, and finally, a Concert/Talent Quest. Our celebrations were about acknowledging how good it is to be part of this fine school, giving thanks to those who started the school and who continued this work so that we can be here today, enjoying the life-giving experience of learning (and teaching) at Marymount.

My appreciation to all for your contribution to the day’s events as we celebrated as a school community: Mrs Maitland, Mr Pereira, Mr Faughey, Ms Young, Mr Browne, Mr Wiblen, Mr Brooks, Mr Purnell, the Heads of Year and Assistant Heads of Year, Pastoral Teachers and House Patrons/Supervisors. The fulsome support of all teaching staff is essential to the smooth running of such a day. Finally, our appreciation to the students whose participation, cooperation and enthusiasm today, and everyday, is why we enjoy coming to Marymount.

Child Protection Week (6-12 September 2015)
As we remind students throughout Child Protection Week that:
• Everyone has the right to feel safe
• If it feels strange it is – trust your feelings
  Talk to someone about it
  Take control to feel safe
• Recognise, React, Report

We also remind all in our school community that Student Protection is everybody’s business.

Our policy mandates that any staff person or volunteer must report incidents of harm or of suspected harm to a Student Protection Officer, the Principal or the Executive Director Brisbane Catholic Education if the incident involves the Principal. Incidents of harm of a sexual, violent or abusive nature must be reported to police and to the Executive Director Brisbane Catholic Education.
Marymount College Student Protection Officers
- Angela Jeffries – Counsellor
- Madelaine Lawlor – Counsellor
- Jessica Joyce – Counsellor
- Heather Clarke – Counsellor
- Chris Noonan – Principal

All College staff have completed mandatory student protection training informing them of their obligations to report all incidents. Volunteer workers also complete mandatory induction to ensure they are aware of their obligations under law to report all incidents. Student Protection is everybody’s business and students must be listened to and taken seriously by adults when they raise a concern.

Senior Exam Arrangements

Year 11 Exam Block (Only Two & a Half Days)
Year 11 students are required to attend for exams/competency catch up:
11:00am Monday 14 September to 3:00pm Wednesday 16 September. Otherwise, Year 11 students have timetabled lessons through to the end of term. At 8:30am Monday 14 September Student Leadership 2016 speeches will be presented in the theatrette and all Year 11s should attend for this. Year 11s will then cast their votes. Maths A & Maths B exams will follow from 11:00am that day. Other Year 11 exams are scheduled for class time through to the end of term and Year 11s are expected to attend all classes outside the 2 ½ day exam block.

Year 12 Exam Block (7 days)
Year 12 students are required to attend for exams/competency catch up:
Monday 7 September to Tuesday 15 September.
All Year 12s are required for regular timetabled classes:
Wednesday 16 September – Friday 18 September

Chris Noonan
Principal
Year 12 QCS

Congratulations to the Year 12 group who completed a very rigorous but apparently very successful QCS program this week. They came prepared to do the hard work, were organised with equipment and essential items and worked through to the bitter end. As a group ("Team Marymount") they can rest assured they have given all their cohort the best opportunity to enhance the OP results each individual will get from their classroom tasks. My personal thanks to the very many staff members involved over the year with assisting our students get to this point. Special mention must go to Ms Anderson and Mr Ward, Year 12 Coordinators and to the Year 12 Pastoral teachers, who run the QCS preparation program.

The next part of the process actually takes place by the end of this term; verification of student work folios. Panels of teachers from local clusters will review the work of many of our students as ascertain that our work program are adequately covering the curriculum and our assessment regime is accurate.

Year 11 and 12 Exam Schedule

The Year 12 and Year 11 exam block schedule has been published. You can access this link here. Year 12 exam commence next Monday. They return to school for normal classes on Wednesday of Week 10 term 4 classwork. A reminder here that the Year 11 exam block has been considerably shortened, with many exams being run in normal class time doubles - especially in Week 9.

Senior Subject Selection

We meet next week with staff from BCE to continue the subject selection and timetable building for Year 11 2016 especially; but need to have this balanced against the whole College timetable before we can publish a finished result.

Peter Shaw
Assistant Principal Senior Curriculum

---

**TRY THIS YOURSELF**

Taken from QCS 2015 Paper 4

---

**Fig. 1**

Figure 1 shows a maze consisting of nine rooms, each identified by a letter. Each room has three doors — left (l), bottom (b) and right (r). Each door opens into a corridor (thin lines in Figure 1) that leads to another room.

A person in a given room chooses one of the doors to exit the room. To exit the maze, the person must go through the bottom door of room W.

---

**Item 55**

A person currently in room P decides to choose the right door six times in succession. After going through the right door for the sixth time, this person will be in room

- A. W
- B. X
- C. E
- D. V
FATHER’S DAY STALL

Demand was great and happy customers a-plenty at Tuesday’s Father’s Day stall.

It was a great chance for students to buy a special gift for their Dad, Grandfather or their Stepfather. The stall sold out very quickly of most items, which is a fabulous result.

The funds raised from this venture go straight towards the orphans in Timor, when our group of 6 students and 2 teachers visit in one week’s time. The Timor Immersion is an opportunity for students to reflect on their Catholic faith, their place in the world and ways they can help those less fortunate in the world. What better place than a third world country such as Timor Leste? Hoping this Sunday is a blessed time for all dads in our community.

Kylie Mathers
Timor Immersion Coordinator

This was a memorable experience for both the Preps and high school students; I encourage you to join us next year.

**LIGHT UP YOUR WORLD!**

Book Week was celebrated nationally from 22 - 27 August.

During this week, several students from Marymount College took books from the library and, while the rest of the College was eating lunch, went to visit the Prep classes. At the Prep classes the books were not only read out, but also acted out and some of us even wore costumes! The Preps watched in awe as the performances were taking place and after the books were finished, the students picked out books from the class ‘book corner’ and read some more.

“The book that was read in my class was Hairy Maclary. It was fun to watch because the girls pretended to be the dogs,” a Prep student giggled, while another stated, “It was cool because the big kids were funny.”

This was a memorable experience for both the Preps and high school students; I encourage you to join us next year.

**Grace Bopf-Lewis**  
Year 7 reporter and participant

This year’s Book Week competition is to answer a few simple questions about ‘light’ and be in the draw to win prizes of books and goodies! Be drawn to the lightbulb lamp, lighting up the globe and enter before Monday lunchtime, when winners will be drawn!

Some children seem to like telling me that they don’t like reading – why read? Well, the list is long, but, briefly, reading informs, reading entertains and, most importantly, it empowers. Through reading about what is going on in the world and asking questions, teenagers can begin to make decisions and express themselves with a fuller vocabulary. They may find a voice of their own and be able to make a difference in their lives. ‘Books light up our world.’

All the participants agreed that not only had they developed their collaborative thinking skills, but also they had fun.

YEAR 7 WINS THE SPIRIT OF OPTI-MINDS AWARD

Opti-Minds is an inclusive team challenge that empowers participants to think, create and communicate.

Students are asked to use their own initiative to resolve a challenge and organise a solution, props, costumes and a script without teacher input.

This year a team of Year Seven students which was comprised of Charo Palenzuela, Sarah Sharp, Lensa Lo Tam, Sefo Lo Tam, Dylan Chapman and Tom Browne impressed the judges and received The Spirit of Opti-Minds award in recognition of their outstanding teamwork and organisation in the Science Engineering division.

Gabriella Gorman, Sydni Taffe, Ann Filippova, Elly Rickets and Lauren Fitspatrick of Year Nine, were "unashamedly excellent" in their response to the social science challenge in which they drew upon their recent study of Romeo and Juliette as a source of inspiration for their presentation.

All the participants agreed that not only had they developed their collaborative thinking skills, but also they had fun.

Opti Minds Coordinator

DANCE EXPRESSIONS EXTENSION OPPORTUNITY

In exciting news, our Senior Extension Dance Team has just been offered the opportunity to dance with Expressions Dance Company next Thursday in an extended workshop at the Arts Centre Gold Coast.

The workshop will allow the students from Years 8-12 to develop their contemporary performance skills and also learn sections of repertoire from EDC’s program.

Following the workshop, on Friday 11 September, Dance students from all grades will be attending the acclaimed Expressions’ show, 7 Deadly Sins. This riveting contemporary work will challenge our students to understand the powerful and dramatic messages that this genre of dance can communicate. Viewing stunning professional artists like those in Expressions Dance Company will inspire our performing arts students.

Dance Coordinator
GRIFFITH UNIVERSITY SCIENCE COMPETITION

On Monday 24 August top science night entries from Marymount College were transported and set up for judging at the Queensland Academy for Health Sciences for the Griffith University Science Competition, along with entries from 16 other Gold Coast schools.

On Thursday 27 August an award ceremony was held, for the middle school category Years 7-10 out of a possible 24 prizes Marymount College took out 19 of them across the categories.

Marymount was also awarded the overall middle school trophy. All students should be congratulated on a fantastic job. Please see below for all prize winners.

On Saturday 29 August Marymount College had two teams in two culinary competitions.

The junior girls team consisted of Amber Heaton and Isabella Petracca and the senior team was Meggan Holyman and Zoe Allison.

This competition is designed to establish and develop links between school and industry in an effort to encourage more students to enter the commercial cookery industry. The Junior and Senior Culinary Competitions for 2015 will incorporate Gold Coast, Toowoomba, Brisbane North, Brisbane South regions and Far North Queensland. This competition is the property of the Australian Culinary Federation Queensland and the medals and trophies that are attained within this competition are fully industry recognised.

Amber and Isabella did extremely well, with a great dish and received a bronze medal. The Senior Team competed in the afternoon and also did extremely well, producing great dishes. Meggan and Zoe received a silver medal and narrowly missed out on going to the international competition.

Fantastic result!

David Grant
Home Economics Coordinator
GENERAL INFORMATION

YEAR 10 WORK EXPERIENCE WEEK

YELLOW Work Experience forms are now 2 WEEKS OVERDUE and half of the Year 10 cohort has yet to submit their details. Week Experience is a compulsory component of the Year 10 curriculum. We have encouraged students to visit the Marymount College Careers Centre should they experience difficulty in finding a placement over the past month. Parents/Caregivers are invited also to contact the Careers Centre should you require assistance with the process. Ms Petrina James is coordinating the program and can be contact on P: 55861073 or E: pjames@marymount.qld.edu.au.

Also parents/caregivers of those students who have successfully secured a placement, please check emails for WEP (Work Experience Program) Agreements as these are currently being sent home and require signing and to be returned to the Marymount College Careers Centre urgently.

Year 10 students are reminded that the Work Experience week should not only be relevant to your interests, but also an enjoyable experience. Be sure to consider your options carefully and take advantage of the opportunity.

TALE/TRAINING INSTITUTION INFORMATION

GOLD COAST TAFE – DIRECT ENTRY PROGRAM

Direct Entry is offered to students who can demonstrate learning and training commitment and excellence in the career area of their choosing. Placements will be offered prior to OP/Rank Release. These diploma courses can articulate directly into degree programs at university, or alternatively provide professional qualifications useful in terms of securing employment.

Applications are completed online at www.studentregop.com (CODE = TAFE2) and students are also encouraged to apply for a TAFE Queensland Scholarship. For further information, or to apply visit www.scholarships.tafeqld.edu.au. NOTE: Applications close online on 11th September 2015. If you require any assistance with your application, please feel free to contact Ms Leesa Lutze in the Marymount College Careers Centre on P: 55861063 or E: llutze@marymount.qld.edu.au or visit any time during school hours.

AURORA TRAINING INSTITUTE – CERTIFICATE II IN TELECOMMUNICATIONS

Aurora is offering the Certificate II as a part of their VET in Schools program. In this program, you’ll gain both theoretical and practical knowledge of indoor and outdoor installation, operation and maintenance of domestic, commercial and industrial telecommunication equipment and production. The course commences Year 10 (Term 1 - 12 month duration). Successful completion leads into the Certificate III Telecommunications with the opportunity for full time apprenticeship upon completion of Year 12. For further details, contact Aurora Training Institute 5522 0433 or www.aurora.edu.au or see the Marymount College Careers Centre.

UNIVERSITY INFORMATION

GRiffith university early ENTRY programme

Applications are now open for the Griffith University Early Entry programme for 2016. Students who are OP eligible and considering applying to a programme at Griffith should apply to this programme if they meet the criteria. Students must be OP eligible: must have a minimum B in English for Semester 1 this year (this can be a B-). Depending on the course you wish to apply for there are other requirements. Marymount College students have previously had much success gaining placements via this programme.

One of the biggest benefits is the early offer. You will know you have a place before you finish school and will be able to choose the best lecture times in December before the major offer round in January.

Applications are online and must be completed by 30 September at https://connect.gu.gi.com.au/. Please note as part of the application, you must supply copies of your Semester 1 and 2 Year 11 reports, and Semester 1 Year 12 report.

GRIFFith university connect acaDEmiC EXCELLENCE BURsARY

Applications will close on Wednesday 30 September 2015.

The Griffith Connect Academic Excellence Bursary is awarded to a high achieving student from each Griffith Connect Partner schools and is valued at $3000. All high achieving students who are completing Year 12 in 2015 at a Griffith Connect Partner schools are invited and encouraged to apply. To apply, submit an application through the scholarships website-http://extranet.secure.griffit-connect/bursaries

GRiffith university aptitude FOR ENGINEERING ASSESSMENT (AEA) EXAM

This pathway is available to Year 12 students who may not have the prerequisite courses or tertiary entrance score for direct admission to engineering.

DATE: Saturday, 19 September 2015 (10AM-1PM) – Gold Coast Campus

Applications are open until 7 September. Go to https://www.acer.edu.au/aea/registrations for further details and to apply.

Access Parent Portal for letters, forms, photos, and details about your child
CHANGES TO THE SECONDARY SCHOOLS TAX FILE NUMBER PROGRAM

The Australian Taxation Office in partnership with Australia Post is making it easier for individuals to apply for a TFN.

Students can now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

For further information on applying online visit www.ato.gov.au (search QC27248).

GRANTJTH UNIVERSITY QLD CONSERVATORIUM ROCK SCHOOL
Rock School is a studio based program run at Griffith’s Gold Coast campus. Students have access to the industry-standard music technology available at the Queensland Conservatorium, Gold Coast and receive guidance in stagecraft and live sound, with a focus on song writing, performance and recording in a studio context.

PROGRAM DATES: 4th – 8th January
For further details visit www.griffith.edu.au/music/popular-music/high-school-and-community-programs or see the Marymount College Careers Centre application details.

BOND UNIVERSITY YEAR 10 & 11 HEADSTART DAY
Bond Uni’s Year 10 & 11 Headstart Day is the perfect chance for ambitious students to experience university life. During this FREE event, students will uncover possible career paths, take part in interactive activities, meet Bond’s professors and current students, and get to know their way around the campus. Headstart Day will be held on the Student Free Day in Term 4 – Monday, 19th October (9am-3pm). Programme details and online registration can be found at www.bond.edu.au/study-at-bond/experience-options/headstart-day/index.htm.

Access Parent Portal for letters, forms, photos, and details about your child.
Students Personal Accident Insurance – School Care

As has the case in recent years, Marymount College has engaged Catholic Church Insurances to provide Students Personal Accident Insurance. Injuries incurred students undertaking School Activities only are covered at the Basic Cover level. It is important to note however that by legislation, this insurance does not cover medical expenses for which a Medicare benefit is payable. An information Sheet can be found at:

AGCC INTERSCHOOL SPORT

Next week are the grand finals in the AGCC Interschool Sport Competition. Good luck to all 35 of our sides that are playing in next week’s grand finals. All other teams will still be involved in games against other schools.

South Coast Regional Track and Field Championships

Good luck to our students who are competing in the South Coast Regional Track and Field Championships on Tuesday 8th and Wednesday 9th of September at the Gold Coast Athletic Centre. Good luck also to the two year 8 girls competing this evening in the tetrathlon as part of the same championships. Hopefully many of our students qualify for the State Championships next term.

Term 4 Recreational Sport Choices

Students in years 7 – 11 can now enter their Term 4 Recreational Sport choice on the Intranet. They will need to enter 3 choices as some sports have limited availability and they will fill on a first served basis. Please make sure you have read the email detailing the costs and requirements of each activity before you select it. Payments for activities requiring up-front payment can be made to the bookshop once the lists have been finalized.

Semester 2 Sport Dates:

- Tuesday 8 September and Wednesday 9 September – South Coast Region Track and Field Championships
- Thursday 10 September – Semester 2 AGCC Interschool Sport Competition Grand Finals
- Thursday 8 October – Term 4 Recreational Sport commences

Year 8 Swimming Program

Swimming for Year 8 students starts week 1 or term 4. All students MUST be wearing the correct uniform. That is, College swimmers plus the College swim cap. It is a Brisbane Catholic Education policy that ALL students MUST wear a swimming cap.

All sizes are readily available from the Uniform Shop, sizes & prices are as follows:

- Boys Jammers – sizes Boys 6 - Boys 14 plus Mens 14 – Mens 20  $40.00
- Girls Swimmers – sizes Girls 6 – Girls 14 plus Ladies 8 – Ladies 16  $45.00
- College Swim Caps – one size fits all $7.50
