Candidates for 2016 Student leadership

Following 35 nominations and speeches by each nominee to their Year Eleven grade, the following students were elected as candidates for student leadership positions for 2016.

Captain & Vice Captain:
Dom Larkin     Arisa Atanyakul
Luke Miller    Alannah McMullen
Tom Morey     Karla Macpherson
Josh Muir     Carlie Rached
(Two to move to Team candidacy)

Leadership Team:
Isaac Beacall   Alahni Brown
Norby Csiki-Bege Letisha Duveck-Smith
Rhys Field     Paige Hocking
Max Miskell    Abi Joseph
Nick Muir      Claudia Slaven
Nelson Prior   Shiralee Sweeny

The calibre of the nominees was very high and we thank each student who nominated and congratulate them for their confidence, optimism and commitment to the College. Candidates for Captain and Vice-Captain positions will be required to address the School Assembly 8:45am Tuesday 6 October on the topic – What a student needs to bring for lifelong, life-giving learning. Interviews of candidates for the Captain and Vice-Captain positions and a process of discernment by the College Senior leadership Team will follow.

Official Opening of Franciscan Centre

We look forward to the opening of the Franciscan Centre 9:30am Friday 9 October. In doing so we confirm our Franciscan beginnings, the role of the Missionary Franciscan Sisters of the Immaculate conception and our motto Deus Meus Et Omnia - My God and my all. We invite parents to join us on this important occasion. RSVP info@marymount.qld.edu.au

Art Union Tickets & Spring Fete 17 October

Art union tickets were to be returned before the end of Term. Students should now bring back $40 and the ticket stubs by the end of week 1 Term 4. The draw will be held at the Spring Fete at 4:00pm. Proceeds from the Fete, including those raised by the Art Union, will be shared by the College and Primary School Parents and Friends Association. Following the purchase of aluminium picnic table seating ($21,000) for the Senior Secondary students earlier this year, the College P&F is focussing on Shelter for the Junior Secondary Students.

We ask for your support of the Art Union and look forward to a glorious spring day on Saturday 17 October, where our school families will come along and contribute generously, buying rides for the students, look for bargains at the stalls and enjoying an early/late lunch and the student entertainment on the lawns of the Junior Secondary precinct. The success of the Fete as a fundraiser depends on each one of us contributing to the cause.
Ozman Villa

Last Friday afternoon, a group of students from Interact went to Ozanam Villa to share some interaction with the elderly as a belated father’s day celebration. The students chatted with the residents and entertained with singing, led by Arisa Atanyakul and Josh Muir and Trivia led by Nixon Brass. It was rewarding for the students and a delight for the residents. They were told “just the best thing. Look at everyone having fun”. Thanks to Captain, Taya Oxenham, Vice-Captain, Nixon Brass and Mrs Scott for their leadership and all the students who attended.

Social Justice Sunday will be celebrated on 27 September

Titled “For Those Who’ve Come Across the Seas, the Australian Bishops’ statement makes very thought provoking reflection and can be accessed online at this link: http://www.socialjustice.catholic.org.au/files/SJSandresources/2015-SJS-Statement.pdf

An excerpt from the Chairman’s message, Auxiliary Bishop of Melbourne, Chair of the Australian Catholic Social Justice Council, Vincent Long Van Nguyen DD is printed here. It is particularly noteworthy that Bishop Vincent’s personal motto from Luke 5:4 “ Put out into the deep” not only challenges asylum seekers to seek new horizons but also ourselves, at this time in history, when Pope Francis and Archbishop Mark Coleridge are encouraging us very pointedly to become proactive in accepting refugees into our parishes and even our homes. We pray for the courage and grace to respond to the present emergency to the fullest of our possibilities.

For Those Who’ve Come Across the Seas

Justice for Refugees and Asylum Seekers

For years Australian society has been divided by the debate over asylum seekers who arrive by boat. In the words of our National Anthem, they have ‘come across the seas’, but both sides of politics have exaggerated the challenge they present to this country. Australia’s response has been to devise ever-harder policies that aim to deter those fleeing war and violence and to incarcerate people who are in fact victims. It has worsened over time. Twenty-five years ago, the Catholic Social Justice Statement on immigration noted: ‘underneath the surface of the Australian debate there are often unresolved fears of newcomers, other “races”, pluralism, conflict and change.’ Today, the panic and mistrust that is stirred up by this debate are out of all proportion to the true scale of the issue in Australia.

The majority appear to regard asylum seekers as a problem and associate them with so-called ‘illegal’ arrival, the evils of people smuggling, and as a burden on the taxpayer. It seems as though the policies of successive governments – of intercepting and pushing back boats, detaining asylum seekers and stopping people applying for protection in Australia – have been accepted and are regarded as effective, however harsh they may be.

A minority have appealed for us to find a better way.

Bienvenue New Caledonian Visitors

In Week 1 a small group of New Caledonian Students will visit the College for a day. They will attend French classes on 7 October and also buddy with Year 9 French students to attend other classes. The Year 9 French class will then join the visitors on an excursion on 8 October.

Chris Noonan

Principal

Australian Catholic Social Justice Council, Vincent Long Van Nguyen DD

For me, the desperate plight of refugees is particularly poignant because I came to Australia as a boat person, fleeing as a teenager from Vietnam. I experienced communist oppression and I saw how tyranny and cruelty can leave people with no choice but to seek refuge elsewhere, in any way possible.

That personal history was one reason why I chose for my motto as a bishop the evocative words of Jesus to his disciples, Duc in Altum – ‘Put out into the deep’ (Luke 5:4). His words to his companions were a challenge to encounter new horizons, to go where they might not have dared, to seek grace where they had not found it before. That is the journey and the hope of all asylum seekers.

With every blessing,

Vincent Long Van Nguyen DD

The Timor Leste Immersion group has already sent some great photographs over the past couple of days. Looking closely into these the warmth of the connection between the students, our staff and those with the children they are getting to know is revealed. As they move towards week two of their experience they will become a tad more familiar with the culture and the realities and challenges of life for the people of Ossu and environs. We look forward to seeing more images and hearing their stories.

Eleven students from across the year levels, accompanied by Ms Amy Anderson and Campus Minister, Edwin Pereira will attend the Ignite Youth Conference from Thursday 24 – 27 September. We wish them a most enjoyable experience over the four days as they meet with young Catholics from all over Australia, hear some outstanding presenters, participate in exciting activities and have the opportunity to deepen their own faith.

May all our students and families enjoy a refreshing break and return safely for Term 3, the Official Opening of the Franciscan Building and the Spring Fete!

APRE

St. Joseph was born in 1603. After spending his childhood and adolescence in simplicity and innocence, he finally joined the Franciscan Friars Minor Conventual. After his ordination to the holy priesthood, he gave himself up entirely to a life of humiliation, mortification, and obedience. He was most devoted to the Blessed Virgin Mary and promoted devotion to her among all classes of people.

Help raise funds for EAST TIMOR, OSSU, Come and see the Film, BEATRIZ’S WAR.

Burleigh Heads Catholic Parish is joining with Burleigh Heads Rotary Club, to screen, “BEATRIZ’S WAR,” the first film to be made in East Timor. It is the passionate story of one woman’s conviction to remain true to the man she loves and the country for which she fought. The film is rated M.

The money raised, will help fund the purchase and transportation costs of a container, to be packed with resources and shipped to East Timor for the Parish of Ossu, in November 2015.

The BH Social Justice Group hopes that the viewing of “Beatriz’s War” will help raise funds and awareness of the need for continued friendship and assistance for the Parish and schools of Ossu, East Timor.

Music Tuition

Marymount College offers a wide range of instrumental and vocal ensembles. We are also one of the few schools to offer a Popular Music program supported by instrumental and vocal teachers. Our ensembles include:

• Concert Band
• Jazz Ensemble
• Rock Bands
• Musical Band
• Female Vocal Ensemble
• Drum Line
• Liturgical Music

Ensembles Tuition

The Music Department prides itself on offering high quality tuition from professional teachers and practitioners of their instrument. Lessons are 30 minutes in duration, and are held throughout the timetabled day. Teachers organise lessons so that a student’s lesson occurs at a different time of day each week, so as to avoid absence from the same class.

YEAR 8 BUSINESS

Each term to celebrate the end of their assessable classwork, Year 8 Business venture to Treetops Plaza where they identify selling strategies used by the stores and the hidden persuaders used by the larger stores such as Coles. The excursion is topped off by a visit to McDonald’s where they refresh and refuel before the gruelling walk back to school. Ms Organ’s term 3 class—8BUS5

YEAR 10 REPORT

What an incredibly busy, yet rewarding term for the Year 10 cohort.

We embarked on a term of discovery and clarification around future pathways for the students, and we have enjoyed seeing the shift in their thinking and ambitions. We have been thoroughly impressed with the way in which this group of students have attacked this term, with the combination of career development and the ever-demanding workload of a senior student. We have noticed the students maturing in both their behaviour and ambition this term.

SET plan and subject selection

We would like to thank parent/caregivers and students for the way in which the SET Plan interviews and subject selection process were carried out. From the feedback received by the year 10’s, the process has helped give them a clearer picture of what pathways work best for them. We echo the key message that Mr Jason Hamilton expresses, this is a 3-way communication channel, where parents, staff and the student themselves are all equally key players in the education process. We appreciate your support in this as the year 10s head towards year 11.

Work Experience

Thank you to those students who returned their work experience forms promptly to the careers office. It is a great opportunity for this group of students to gain further clarification of a future career, and really enjoy the working experience in their chosen field. Those who have been unsuccessful to lock this in, it is important the student visits Petrina James and Leesa Lutze in the careers office to discuss possible options for the week.

Battle of the Sexes

Round 3 of the Year 10 Battle of the Sexes was a great hit, with the two genders battling it out on the Volleyball Courts. There was some fiercely contested matches across the pastoral groups, with great banter as well. The result was 5 wins to the boys and 5 to the girls. The battle was followed by a BBQ lunch for all Year 10s as a reward for their hard work and dedication to term 3.

Timor Immersion

On behalf of the Year 10s, we wish those students on the Timor Immersion all the very best. For Ronan Hill, Tom Weatherall and Mia Dickinson, we look forward to the stories of one of the most rewarding adventures of your lives.

Cruise

The Year 10 end of school social is a charter cruise on the Broadwater with Imagine Cruises. We look forward to celebrating the end of their schooling year in week 8 of term 4. A detailed letter will be issued at the start of term 4 for the full details.

Ensure you all have an enjoyable and safe holiday, recharged to end your Year 10 schooling year.

ST AUGUSTINE’S MATHS CHALLENGE

The St Augustine’s Maths Challenge took place last week in Currumbin, and it was an event for students having an interest or passion for Mathematics.

For two of our team members, Seamus and Ryan, it was a return to their old school yard and they were very excited to see their old teachers again.

Students from St Augustine’s, Marymount College and Marymount Primary took part in the Challenge. The event was divided into three parts, the ‘Team Challenge’, the ‘Relay Challenge’ and the ‘Bedroom Blitz’. Students from all the different schools were mixed up into seven teams, to allow students to work with other students who are good at maths, from other schools.

Team Challenge
This is an event where all team members worked on ten tricky questions, within a limited amount of time. These problems included word-solving questions. Calculators were allowed. The best possible score was twenty points, each question worth two points. The best score of all the groups was twelve points.

Relay Event
This challenge was similar to the Team event, but whole of the team was only allowed to work on one question at a time. After they think they have the answer, one person of the team has to run up to the marking tables and see if they got their answer right. If they do, the team moves onto the next question, if not, the team can either try again or pass the question. Most of these questions were word problems and very hard. Questions were ranked with three points, four points or five points, five being the hardest.

Bedroom Blitz
This one was much more different to the rest of the other events. This task required students to design a bedroom, with certain compulsory items or furniture, and they were allowed to spend the rest of their $8000 budget of items of their choice. School laptops were used to search up prices of whatever they needed. This event was more relaxed then the others and there was no scoring point system.

The entire event at St Augustine’s was challenging and enjoyable, and while there was no trophy or prize for winning, the organizers just wanted the students to experience working with other student that are talented in the subject of mathematics and have a little bit of fun too. It was an awesome event and we’d like to thank Mr Spilsted for accompanying us on the day.

The seventh annual Marymount Rugby League Presentation Function was held last Friday afternoon in the Doyle Centre and as usual provided an opportunity to celebrate success and improvement.

Thanks to the 150 players, parents and guests who attended in particular ex-Melbourne Storm player Mr Marcus Bai, who delivered a powerful and relevant address.

A highlight of the event was Year 10 boy Zai Harris performing a surprise recital of his ‘now famous’ poem: Marymount Makos.

Also, seeing all of the players who had attended 100% of the season’s training sessions receive a recognition certificate was a thrill. (See right)

Congratulations go to these boys on their Team Awards presented on the night:

**SPORTS NEWS**

**SPORTS REPORT**

**South Coast Regional Track and Field Championships**

Last week we listed the students who won selection in the South Coast team to compete at the State Titles and there were 2 students whom we missed from the original list: Tia Nikpalj (14yr Javelin) & Jack Pearce (16yr 200m) have both also won selection in the team and will be competing next term – congratulations Tia & Jack.

**Term 4 Recreational Sport**

Students in years 7 – 11 should now know what sport they are in for next term. The students in activities requiring up front payments can now make their payments at the bookshop where your payments will be recorded. You will have until recess on the 8 October to make payments at the bookshop for those sports. If you don’t make payments by the end of recess on the 8th of October you will not be able to go to your sport that week as we have to have the rolls finalised and numbers to the venues by then.

**Gold Coast Secondary School Surf League**

Next term on Friday the 16 October Surf Life Saving Queensland is holding the Gold Coast Secondary Schools Surf League at Coolangatta beach. It is open to all students – not just surf club members. If you are interested in competing please see Mr Balym to register.

**OPEN BOYS AND GIRLS RUGBY 7S**

On Wednesday afternoon, the Open Boys and Girls Rugby 7s teams travelled to All Saints Anglican School to embark on capturing the inaugural Gold Coast Combined 7s trophy.

This is a competition which will be contested over three afternoons with overall points accumulating to determine the winners. Our girls are off to a flying start after a dominant performance over hosts, All Saints 25-5 and Miami SHS 30-5. The girls represented the school with pride and commitment. The many hours on the training paddock learning to play the game definitely paid off as the girls continually broke the line in attack and made damaging tackles in defence.

Special mention to Ms Henniger who moves forward with a 100% coaching record. The boys faced All Saints in their opening game, going down 26-17. Game 2 was another tight contest. 2 points down with 30 seconds to go Jack Nelson dotted down under the posts to put Marymount ahead 31-26.

Round 2 will be held at Marymount on Tuesday 13 October. We encourage you to pop down and check out the action.
