**Art Show Gala Opening Tonight**

Tickets will be available at the door so come along tonight by all means. Dress: semi-formal. With over 250 guests expected, music by the College Jazz group until 8:00pm and Tommy Sheehan from 8:00pm to 11:00pm, canapés and complimentary welcome drink, a great night for adults is assured. The exhibition continues on Saturday from 10:00am-4:00pm, and on Sunday from 10:00am-3:00pm. There will be a dance performance at 10:00am and Drama at 10:30am. There will be a jumping castle, sausage sizzle and cafe open both days. Volunteers are required to assist on Sunday afternoon with pack up from 3:00pm.

**Athletics Carnival Today**

As Deputy Kyle Connor invited them, so they came, with good attitude, in great numbers and in red, blue, green and gold. Results will be published next week but the students enjoyed a great day. Our appreciation to Ms Andersen, the House Patrons and the Senior House Leaders for their efforts that ensured a well-organised and successful day.

Allambee (Gold) ‘House in a quiet place’
Captains: Alahni Brown, Isaac Beacall
Patrons: Ms Howe, Mr Tom Carroll

Bulimah (Blue) ‘House beyond the sky’
Captains: Letisha Duveck-Smith, Rhys Field
Patrons: Ms Kennedy, Mr Cassidy

Katandra (Red) ‘House in a place of birds’
Captains: Claudia Slaven, Nick Muir
Patrons: Ms Seigle-Buyat, Mr Raward

Patanga (Green) ‘House among trees’
Captains: Alanah McMullen, Dom Larkin
Patrons: Ms Press, Mr Matt Carroll

Finally, thanks to all staff – grounds, ancillary and teaching staff for assisting with set up, organization, marshalling, conducting events, catering and recording on a very important day in the life of the College.
Our Students Our Best Ambassadors

This year we introduced College Tours during the school day. We wanted to improve the experience for visitors, who previously came 5:30pm to 7:00pm. Now they come and visit classrooms. It is an opportunity to see our facilities, meet Senior Administration Staff and most importantly, be in classrooms. They see how our teachers enjoy their work, how the students like their teachers and how healthy classrooms are. However, the way our students respond to visitor’s questions is quite remarkable. They are our best ambassadors. They love their school and tell the visitors why.

Shannon Fentiman

We certainly felt honoured when Minister Fentiman attended the Year 10-12 Principal’s Awards last Friday. Clearly Shannon gave her alma mater priority to return and pay back for her time at Marymount 1996-2000. In her address she spoke of her involvement with Mini-Vinnies while at the College which helped inspire her commitment to social justice. She encouraged our students to take the many opportunities available at the College before presenting all the Awards to Year 10, 11 and 12. Certainly all present were much impressed with her presence and message and recognised the hope that youth and understanding in our politicians brings. Wonderful to see Shannon at Splendour in the Grass at Byron Bay on Saturday. As one of our Queensland youth, and as Minister for Communities, Women and Youth, it was most appropriate that she took some time on Saturday to be there with other youth. Of course she was back at work Sunday.

Chris Noonan
Principal
Tuckshop Helpers Needed
We urgently need extra helpers over the serving times of 10:30am-1:30pm.
If you are able to volunteer one day per month or term, please call Tuckshop Convenor 55861 177 or email info@marymount.qld.edu.au

Lord, make me an instrument of Your peace.
Where there is hatred, let me sow love; where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.
O, Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; For it is in giving that we receive; it is in pardoning that we are pardoned; it is in dying that we are born again to eternal life.

ST FRANCIS
PEACE PRAYER

Welcome everyone to our College Assembly as we celebrate Catholic Education Week. This week, in particular, we join with Catholic schools all over Queensland as we open our doors to show God’s face of mercy in the ways we welcome and value every person who steps through the threshold of our gates or doors.

And thus began the College prayer at this week’s assembly. The scripture which was from Isaiah allowed us to focus on how we live as people of mercy at Marymount College in our daily encounters and our social justice action for St Vincent de Paul Society- through the Marymount Day food collection, Sleepout for the Homeless, the Blanket Appeal, Rosies, Catholic Mission, Project Compassion, Timor Leste Immersion and support of the Parish’s Timor Leste project. Encouragement to carry out deliberate Random Acts of Kindness were encouraged and to “pass it on” when one was received.

Isaiah 58:7-10
Share your food with everyone who is hungry; share your home with the poor and homeless. Give clothes to those in need; don’t turn away your family.
Then your light will shine like the dawning sun, and you will quickly be healed.
The appeal for foodstuffs for Marymount Day baskets was launched at the assembly. All PC groups will have a basket in their room which hopefully will be filled to overflowing with very much needed food items. These will be presented to representatives of the local chapter of St Vincent de Paul during our Marymount Day liturgy and will be distributed to local families in need.
There is a great need for canned food, in particular, corn, carrots, peas, meats, spaghetti, beans, tuna, sweet and savoury biscuits, crackers, condensed milk, Weetbix. All donations will most gratefully received.

Congratulations to the Year 8 students who attended their year group Mass last Thursday. Their participation and behavior was excellent. It is heartening to see that their growing familiarity with Mass since last year is being clearly reflected this time around.

Thank you to Fr Dantus who celebrated the Mass. It was the first time most students had met him apart from his presence at the Holy Week liturgy earlier in the year.
The Marymount Sleepout for Homeless which took place in the Doyle Centre from last Friday night into Saturday morning involved twenty seven students from across the year groups. The night’s program included a visit from the Vinnies Youth representative and a surprise visit from other members of the local chapter.

Congratulations to the students who participated raising $1044 for St Vincent de Paul. Many thanks also to our Principal, Mr Chris Noonan, Miss Ellie Davis and Mr Edwin Pereira for their supervision of the students and on their own participation.
Permission slips will be sent out next week for Year 11 SOR students who will be doing field work at the Buddhist Temple at Springwood and Temple Shalom (Synagogue) at Surfers Paradise on 19 August.

Dolores Maitland
APRE
CHEMISTRY GUEST SPEAKER

Water, aqua H2O, the molecule which keeps us alive! Our Year 11 Chemistry students have drafted and are now currently in the thrones of finilising their first senior EEI (extended experimental investigation).

The students have been very busy researching, writing and understanding the chemistry involved in water. Last term, they spent time (their weekends!) out on the field, testing and collating data from various waterways that dwell within the Gold Coast catchment. Our waterways are one of the features that help to make it the beautiful place that it is. The people of the Gold Coast and the tourists that visit the Gold Coast region spend a lot of their recreational time in these waterways, so it is imperative that these are monitored regularly to maintain safe levels of potential contaminants. In relation to this EEI, the chemistry students had a very special visitor to their class. On Monday 18 July, Mr Michael Boake, a recently retired top chemical engineer from the very reputable company, Veolia, in Sydney, visited us in our chemistry laboratory and addressed our budding chemists. He spoke with them about his background, what experiences he has had and what he studied that lead him to the career he spent many years pursuing. He then discussed what the profession of a chemical engineer entails and the day-to-day activities of a chemical engineer. Prior to the visit, Mr Boake also had a look at some of the reports our students have been writing and was very impressed by the standard they have produced. It was really great feedback for our students.

Mr Boake spoke very passionately about the future of science and the opportunities our students will have as they progress through secondary to tertiary level and then into the real world. We discussed STEM (science, technology, engineering and mathematics) and its relevance to us presently. He excited our students, and instilled in them a sense of motivation and drive to succeed in science as well as in school. Together we created a list of what skills students can use to keep them ‘excited’ about work, be it school work or employment so that they get the most out of the experience. All in all, everybody involved gained something very valuable from the experience.

On behalf of the Year 11 Chemistry students, I would like to say a massive thank you to Michael for sharing his story with us and for his time. Well done to the students for getting so involved! The future of Australia is exciting!

Erica Hennigar
Chemistry teacher
With so many talented netballers across Queensland, it was only a matter of time before we knew that there would be a rising number of great players walking the halls of Marymount.

The number of girls interested in being selected in the Marymount QISSN team was growing. Because of this, it was necessary to start a Development Squad for the girls who might be a little too young, or who were showing great potential for the future.

Throughout the year, Ms Jacks and myself selected a junior squad (made up of Year 7 and 8 students), and an intermediate squad (made up of year 9 and 10 students). We met once a week and focussed on skills and fitness. This led to taking both teams to Catholic Cup in Brisbane in Term 2. Mrs Smith took the QISSN team and also a senior B team to Catholics as well. From this competition we decided that we could create a development squad of girls from both the Intermediate and Senior B team, to later train together and play at Vicki Wilson Cup in Term 3.

The girls that made up this team were chosen because they showed great potential and were certainly being tagged as future QISSN players. The girls met every week and played against the QISSN team. These were tough games but certainly highlighted the fact that there is great future talent at Marymount.

The girls went to Vicki Wilson Cup where their great attitude and sportsmanship was on display. It was evident that we were not only growing great netballers but great young women as well. I hope to see many of these girls trying out for QISSN next year. I also encourage all girls who love netball to try out for the junior and intermediate teams next year. Training will start early in the year and continue throughout the school terms. From the Intermediate and the Senior B team we will once again choose a Development Squad.

Thanks to all the girls who tried out this year and to each girl who played in either Catholic Cup or Vicki Wilson. I hope to see you all again next year. Remember – hard work pays off and when your legs get tired, let your heart do the work.

Nicky Browne
Coach
QISSN Presentation at this week’s assembly

We were lucky enough to have so much support while competing at QISSN in Rockhampton over the holidays, so we would like to extend a huge thank you to the friends, family and staff who not only came up to support us, but those who tuned into our live streamed games. As well as this, we really appreciated all the messages of support from so many of the staff consistently throughout the week, motivating us to work for that number one spot. We were also fortunate enough to have the Confraternity boys come and watch a couple of our games in the first few days of the competition and be invited to dinner with them on the Wednesday night.

Thank you to Mr Hamilton and all the staff for all your effort this year; we really appreciate it all. And finally to the girls - this week is not just about the wins on the court, but the memories made off it. Thank you for giving us, the senior girls, a year to remember.

It has honestly been a highlight of my time at school!

Georgia Brown

On behalf of all the girls we would just like to say a massive thank you to Mrs Smith and Ms Crawford for all the time and effort you have put in and everything you have done for us. We couldn’t have done it without you!

Izy Hamilton
College dance students were given the opportunity to work with some performers from one of the best contemporary companies in Australia. On Wednesday, two dancers, Fiona Jopp and Kristina Wallbank from the Sydney Dance Company, visited the school to give intensive workshops to students involved in the Senior and Junior Dance Extension Teams as well as students from the Year 9 and 10 Dance classes.

We learnt about the correct contemporary technique and the dancers guided us through warm up and technique exercises that they do daily with the Company. We were then taught a section of repertoire from Rafael Bonachela’s piece Lux Tenebris which we were to see performed at the Arts Centre Gold Coast on Saturday night. As it was a professional piece of choreography specifically for a professional dance company, it was difficult to grasp at first, especially since the pace of the movement increased more and more as we got a little more comfortable with it. From this, we learnt that it was better to feel the movement rather than concentrating solely on the actual steps.

This lesson was strengthened as on Thursday, some members of the Senior Dance Extension Team were invited to another intensive workshop organised by The Arts Centre. Despite the fact we had already participated in a similar workshop, it was good in that we partially knew the choreography and exercises so we could really focus on our technique, feeling the movement, and conveying the message of exploring light and darkness. We were then played a clip of instrumental music and were asked to write down or draw our interpretations and the emotions we felt as we listened to the music, to then turn that into a piece of movement which we shared with the group. This was a choreographic task similar to that used by the Artistic Director of SDC and choreographer of Lux Tenebris, Rafael Bonachela.

On Saturday night we went to see the performance of Sydney Dance Company’s CounterMove: a combination of two pieces Lux Tenebris by Rafael Bonachela and Cacti by Alexander Ekman. These were two entirely different pieces in that Lux Tenebris was serious and the more “typical” style of contemporary whereas Cacti was a light-hearted, humorous piece made to poke fun at some critics’ interpretations of dance. Year 10 student Aimee Maunder said, “I enjoyed it. I always love the different techniques.”

Maggie Reynolds
Year 10 Insider
**Vocational Education & Training Information Night**

**Date:** Monday 1 August  
**Time:** 7:00pm - 8:00pm  
**Location:** Doyle Centre

**Who should attend:** Parents and Year 10 students who may be interested in completing a Certificate or Diploma qualification while at school.

**Dress:** Students are required to wear their formal school uniform.

Essential information will be provided on the variety of courses available. Included will be specifics on Certificate/Diploma courses offered at Marymount College including:

- Certificate I Construction
- Certificate II Kitchen Operations
- Certificate II Business
- Certificate II Electrotechnology
- Certificate II Engineering
- Certificate II Information, Digital Media & Technology
- Certificate II Sport & Rec/Certificate III Fitness
- Certificate III Hospitality
- Certificate III Early Childhood
- Certificate III Dance
- Diploma in Business

Students interested in studying any form of qualification whether that be as a school subject, as a school based traineeship or as a course offered outside of school by a private institution should also attend.

**Year 12 QTAC Key Dates & Fees**

**Application opening/closing dates:**

- Applications open: 2 August 2016
- First offer round date: 18 November 2016
- Final offer date: 24 July 2017

**Application fees for Year 12 students:**

- 2 August 2016 – 30 September 2016 $37
- 1 October 2016 – 31 January 2017 $138
- 1 February 2017 – 17 February 2017 $37
- 18 February 20174 – 31 July 2017 $69

**Change of preference:**

- First three changes: Free
- Fourth and each subsequent change $37
- Additional document submission fee $37

Visit www.qtac.edu.au or page 19 of your QTAC 2017 Guide for further details. If you have yet to collect your copy, see the Careers Centre today.

---

**Transport:** Bus transport provided

Courses covered include Electrical, Plumbing, Marine, Horticulture, Engineering, Carpentry, Cabinet Making, Painting, Bricklaying, Tiling, Plastering, Health, Fitness, Nursing, Hospitality, Travel, Hairdressing, Tourism and Events.

Details have been emailed to all Year 10 students. To register, visit the Marymount College Careers Centre as soon as possible.

**Year 10 Gold Coast Institute Of Tafe Open Day**

**Date:** Friday 5 August  
**Location:** Ashmore TAFE

**Who should attend:** Students who would like to do one of our Certificate Courses at school during Years 11 and 12.

Student who would like to do any other qualification at TAFE which is not offered at school.

**Dress:** Students are required to wear their formal school uniform.

---

**Marymount College Careers Expo**

**Date:** Tuesday 2 August  
**Time:** 6:00pm - 8:00pm  
**Location:** Doyle Centre

Posters have been placed throughout the College, and flyers will be coming home with students this week.

Over one hundred industry experts armed with the most up to date resources will be available for one-on-one consultation.

Representatives from:  
Tertiary Institutions  
Defence Forces  
Services  
Trades  
Business Professionals  
The Arts  
Council  
Government

This event is not to be missed.

“All THINGS ARE POSSIBLE” LUKE 18:27.
**Bond University – Student For A Semester**

Applications for Bond’s September Student for a Semester program are now open and will close on Friday 5 August. This program is the perfect chance for ambitious Year 11 and 12 students to gain an authentic and memorable university experience. Students who successfully pass two Student for a Semester subjects may be eligible for direct admission into Bond’s full degree programs upon completion of their Year 12 studies. The online application form, further program information and key dates can be found at www.bond.edu.au/student-for-a-semester.

**Griffith Connect Guaranteed Admissions Scheme 2016-2017**

Griffith Connect offers OP eligible students guaranteed entry to a range of Griffith University programs, based on their Year 11 and Semester 1, Year 12 results. Applicants must meet relevant subject pre-requisites to be eligible for an offer. Details have been emailed to all Year 12 students, with further details by visiting the Marymount College Careers Centre. Applications Open: Tuesday 2 August 2016.

**Kool Kids Training College 2016 School Based Traineeship Program**

Kool Kids Training College are offering a number of school based traineeship positions within a variety of locations for current Year 10 & 11 students who are interested in a Certificate III in Early Childhood Education and Care qualification. Applications are open from Monday, 1st August 2016 with trial days scheduled for November, with commencement in February 2017. For further details visit www.koolkidstrainingcollege.com.au or email admin@koolkidstrainingcollege.com.au. See the Marymount College Careers Centre for more information.

**Griffith University – Speech Pathology**

“A Look Inside The Work And The Profession” Qld Seminar

**Date:** Wednesday 10 August 2016 (6pm-8.30pm)

**Time:** 6:00pm - 8:00pm

**Venue:** Griffith University – Gold Coast Campus, Parklands Drive, Southport, Building G11, room 3.56

**Register:** Email Kathryn@fabric.com.au or phone 0431 740 654

**RSA (Responsible Service Of Alcohol) – Aurora Training Institute**

Would you like to work at a café, bar or restaurant? What about on a cruise ship, casino or hotel once you’ve completed school? Aurora Training Institute provides a simple solution to gaining your RSA qualification:

**Southern Cross University – Star Early Entry 2017**

Southern Cross University STAR Early Entry enables Year 12 students gain early admission to SCU on the basis of their school principal’s recommendation. Undergraduate course options include: Business, Education, Environment, Science and Engineering, Health and Human Sciences, Humanities and Social Science, Indigenous Studies, Information Technology, Law and Justice, Media, Music and Visual Arts, Tourism and Hospitality. For further information visit scu.edu.au/star or call 1800 626 481. Applications are now open, and close on Wednesday 7 September 2016.

**Marymount Primary Certificate III Sport & Recreation - School Based Traineeship Program**

A number of positions are currently being advertised for students interested in being involved in the Primary Schools weekly sports program & associated carnivals, as well as the after school swimming program. Students are required to assist with the swimming program Monday, Wednesday and Fridays (3pm – 4pm) and to be in the water teaching children to swim (following a structured lesson plan).

Students with an aquatics/swimming background or who have an interest in becoming a teacher would best suit this opportunity. To apply, submit a cover letter and resume to Ms Petrina James E: pjames@marymount.qld.edu.au or call: 5586 1073.

**UQ Young Scholars Program**

The University of Queensland is offering students the opportunity to participate in the Young Scholars Program (YSP) which involves:

- A five-day (four night) Residential Camp at the St Lucia Campus (Sunday, 27th November – Thursday, 1st December).

Students will be challenged to think critically about today’s major global issues and are exposed to a wide range of potential study areas and career opportunities. For further details and to apply, visit https://young-scholars.uq.edu.au/. Applications close Friday, 12th August 2016.

**TAFE Qld Gold Coast Direct Entry Program**

Secure your place early into any Diploma program commencing in Semester 1, 2017 at TAFE Queensland Gold Coast by applying at www.studentrego.com (CODE _ TAFE6). This program recognises students who can demonstrate learning, training commitment and excellence in the career of their choosing. Applications are now open and close on Friday, 9th September, with further information available from the Careers Centre.

**University of Southern Queensland**

**USQ Toowoomba**

**Date:** Sunday 7 August

**Time:** 10:00am - 2:00pm

**Location:** West Street, Toowoomba Queensland 4350

USQ Ipswich

**Date:** Sunday 14 August

**Time:** 10:00am - 1:00pm

**Location:** 11 Salisbury Road, Ipswich Queensland 4305

**USQ Springfield**

**Date:** Saturday 21 August

**Time:** 10:00am - 2:00pm

**Location:** University Drive, Springfield Central Queensland

For further details, visit www.usq.edu.au

University Of Queensland Open Days 2016

**St Lucia Campus**

**Date:** Sunday 7 August

**Time:** 10:00am - 2:00pm

**Date:** Sunday 7 August

**Time:** 9:00am - 3:00pm

**Gatton Campus**

**Date:** Sunday 21 August

**Time:** 9:00am - 3:00pm

Who should attend: Year 12 students and parents considering UQ

For detailed information visit https://future-students.uq.edu.au/open-day.

Also, a FREE Engineering and Technology Careers Evening is being held on Thursday, 18 August (5pm-8pm). For more information and to register visit www.engtechevening.eventbrite.com.au

**Southern Cross University Careers in Health Day**

**Date:** Tuesday 23 August

**Time:** 9:45am - 2:00pm

**Location:** Southern Cross Drive Bilinga QLD 4225

Attend the annual SCU Careers in Health Day at the Gold Coast campus which will feature eight different interactive laboratory workshops. Join academic staff and current students to explore study options in: Biomedical and Clinical Sciences, Midwifery, Nursing, Occupational Therapy, Podorthics, Podiatry, Speech Pathology, Sport and Exercise Science. To register, visit: https://www.eventbrite.com.au/e/scu-careers-in-health-day-2016-tickets-26110500209

Please also advise the Marymount College Careers Office of your registration to attend.

**USQ Springfield**

**Date:** Saturday 21 August

**Time:** 10:00am - 2:00pm

**Location:** University Drive, Springfield Central Queensland

For further details, visit www.usq.edu.au

Many excellent performances and personal bests were recorded amongst the usual fierce, yet friendly inter-house rivalry.

COLLEGE TRACK AND FIELD CARNIVAL

What a wonderful day for a track and field carnival! Congratulations to all students for making it another very memorable and colorful occasion.

Many excellent performances and personal bests were recorded amongst the usual fierce, yet friendly inter-house rivalry. A full list of Age Champions and House Champions will be available in next week’s newsletter. Results are still being finalized due to a couple of incomplete high jump events. Students who finished in the top 2 places in the 12 years events and top 3 places in the 13 – 19 years events have now qualified to compete at the Oceanic District Track and Field Championships in the coming weeks.

Our 12 year old qualifiers will compete at the Oceanic Primary District Track and Field Competition Day at Pizzey Park Athletics Track on Wednesday 3rd August. Students who qualify in the top 8 places there then go forward to compete at the Oceanic Primary District Track and Field Championship Day at Pizzey Park Athletics Track on Thursday 11th August.

Our 13 – 19 Years qualifiers will compete at the Oceanic District Track and Field Championships at the Gold Coast International Athletics Centre, Griffith University on Thursday 18th and Friday 19th August.

Any students who would like to compete in the Oceanic District Track and Field “Odd Events” trial night on Friday 5th August must see Miss Andersen in the sports office to nominate. Events include:

- Girls and boys 15Yrs, 17Yrs and 19Yrs 2000m Steeplechase.
- Girls and boys 13Yrs 1500m Walk
- Girls and boys 15Yrs 3000m Walk
- Girls and boys 17Yrs and 19Yrs 5000m Walk
- Girls and boys 15Yrs 200m Hurdles
- Girls and boys 17Yrs and 19Yrs 400m Hurdles
- Girls and boys 15Yrs, 17Yrs and 19Yrs Hammer Throw
- Girls and boys 15Yrs, 17Yrs and 19Yrs Pole Vault

Cherie Andersen
Head of Sport
Marymount College Science Night
Doyle Centre
Thursday, August 11 at 6pm

We open the doors of the College to the community and invite you to attend a showcase of science excellence at the Annual Marymount College Science Night. Science projects on display consist of Year 8 and 9 entries in the following categories.

- Scientific Investigation
- Engineering & Technology
- Classified Collection
- Environmental Action Project
- Science Communication
