TERM 1 WEEK 03
Friday 10 February 2017

Year 7 students spent periods 1-4 on Thursday setting up their laptops

Year 12 Retreat

It was a privilege to enjoy Wednesday to Friday with the Seniors on Retreat at Bornhoffen PCYC in the Numinbah Valley. At retreat the seniors explored who they are, what they value and believe and philosophies and reasons for being. Ultimately allowing God to work in, and through us, to make the world a place of peace, generosity and understanding is our Franciscan way. Mary, the Mother of Mercy, and St Francis, are our iconic examples. I thank the 20 teachers in the retreat teams (at Bornhoffen, Boonah, Kalangar and Lennox Heads) on behalf of the students on retreat. Particular thanks also go to Mrs Maitland (APRE) and Mr Pereira (Campus Minister), Father Ken Howell and Father Stanley Orji (Burleigh Parish) and Father Peter Gablonski (Boonah Parish) and to Deputy Principal Kyle Connor and the teachers who managed to cover the many classes for 20 absent teachers over the three days. The simplicity and beauty of retreat is not readily available to busy parents. Reports from each retreat confirm that parents of these seniors can be justifiably proud of their sons/daughters.

Opening Liturgy 9:00-10:30am Wednesday 15 February

Parents are most welcome as we celebrate the opening of the 2017 school year, give thanks for our many blessings, welcome Year 7, new students and staff, and invest the 2017 Student Leaders.

P&F Meeting 6:00pm Tuesday 14 February

The new P&F executive is looking forward to your attendance at this meeting, particularly if you are a Year 7 -10 parent. With parents of seniors 2016 moving on, a healthy P&F needs renewal. Parents who believe education is the key to their child’s future are needed. Where we have this we find reasoned discussion and sound advice flows. The College leadership needs this as it seeks to balance provision for the educational and developmental needs of students. The P&F Executive for 2017 are:

President: Grace McIntock
Vice-President: Tracey Fitzpatrick
Secretary: Nicole Modini
Treasurer: Lajos Csiki-Bege
Committee: Karen Harrison Despina Toparis-Nelson
Fiona Hore Dawn Young
Jenny Isaacs
Out of the Box

Each year we roll out new MacBooks to students in Year 7 and 10. This is a very significant undertaking which includes the Out of the Box Day for Year 10 (week 2) and for Year 7. On this day students receive their new MacBook and are taken through the processes to set up their MacBook. To get to this point our IT staff ‘image’ every device with the necessary software. They also work with teaching staff who ‘volunteer’ to be ready to lead students through the Out of the Box Days. We thank our IT Support Staff and the teachers involved:

Geoff Browne
Nicole Browne
Kyle Connor
Jacqueline Cooke
Daniel Cousins
Leigh Dornan
Matt Geyer
Teagan Griffey
Jodi Hamilton

Matthew Hurley
Michelle Lynch

Appreciation to Staff

Our appreciation goes to the College staff who are producing the College Musical, Rock of Ages. Preparation has been ongoing since Term 3 last year. Three days of Musical Camp last Friday through Sunday has moved this to a higher level. Ongoing rehearsals through to Opening Night on Thursday 4 May will excite and challenge the whole company and parents of students involved. Thanks to the following staff involved in the Camp:

Amy Anderson
Kristina Baker
Janie-Marie Burgess
Paul Faughey
Teagan Griffey

Melanie Howe
Tamara Meade
Shona Press
Deanne Seigle-Buyat
Jodie Young

Year 10, 11 & 12 Parents & Students Information Night – Implications

We have three goals for Seniors as it has become clearer to us how popular Certificate III/IV and Diploma qualifications have become over the period since 2012. Common sense and accurate advice is needed for seniors and their parents as students aim for:

1. Academic Outcomes: QCE & OP 1 – 15
2. VET Outcomes: QCE & Certificate/Diploma qualifications
3b) QCE, Rank & Certificate/Diploma qualifications

In 2016 for option 3a) eight students performed worse on their OP than they did by achieving a Certificate III/IV (OP equivalent 15) or a Diploma (OP equivalent 9/10). This is not in their best interests. They should have moved to Option 3b).

Student performance will be more closely monitored so that students and parents know their standing and make the right decision. When students are not on track for Option 1 or Option 3a) we will be strongly advising them to move to option 2 or 3b).

Strong advice will also be made available to parents where Literacy and Numeracy requirements for the QCE are not being achieved and/or attendance to completion of VET competencies is a problem.

Click here to access Mr Shaw and Mr Hamilton’s presentation.

SIGN UP DAY

On Thursday 16 February at morning tea and lunch there will be stalls set up outside the Franciscan Centre for students to come along and find out all the information about the many different extra curricular clubs and activities you can be involved in at the College.

As Cultural Captains for this year, Tom and I would love to focus on having as many students as possible involved in as many things as they can. Marymount offers a lengthy list of clubs and activities to participate in so there something for everyone.

We believe that to make the most of schooling life you need to be involved in all aspects of the College. It makes the years memorable and helps students find their interests and career pathways they may like to follow.

All students are welcome to come during morning tea and lunch on Thursday of Week 4 to see what they can get involved in!

Matilda Anderson
Cultural Captain

DEPUTY PRINCIPAL

Crossing the Road

All students entering or leaving the school grounds are required to adhere to the road traffic rules of crossing the road at designated points.

• Students should never cross the road against the traffic by ignoring the lights or at any other points along the road.
• This is particularly important at the crossing at Reedy Creek Road to the industrial site & Bermuda Street to Treetops.
• Students are to make their way to the designated points of crossing by keeping to the footpaths.
• Students should never walk between the fence and the road but to stay inside the fence on the footpath at all times.
• Students and parents are reminded that students are to travel directly to and from school.

The majority of students are to be commended for the excellent manner in which they present themselves in both uniform and behaviour when travelling on public transport or on foot. They demonstrate respect for themselves and for others as young adults.

I encourage you to discuss these matters with your child. For further information please consult the Student Record Book.

Kyle Connor
Deputy Principal
BCE Connect Mobile App

BCE Connect, our mobile app for all BCE Schools, is a great way to have information at your fingertips. Use the app to keep up to date with coming events, schedules, forms, communication sent home, and announcements.

You can download the app from:

Google Play Store
Apple Store - iphone
1. Search for BCE Connect. Search for Marymount College
2. Use either Name search, or Map to find Marymount College
3. Tap the ribbon with the star to make it your favourite.

ASSISTANT PRINCIPAL SENIOR CURRICULUM

Subject Changes

Today was the last day for students to move subjects. After that, with nearly a month of school commenced, it is too late to attempt changing into a new subject choice, especially electives.

Student must remain in their chosen subjects for the Semester. They can request subject changes at the start of each new Semester, for the first three weeks.

Assessment Schedules

Assessment schedules will now be available on Monday 13 February. An email will be sent to all students and parents with a link. I encourage all students to print a copy, highlight all their subjects and assessment items, and locate this document in a prominent position.

Peter Shaw
Assistant Principal Senior Curriculum

YEAR 12 2017

It has been a great start to the school year with high attendance and enthusiasm at the swimming carnival. Academic excellence was acknowledged at the first year meeting with nine students receiving badges. A further 70 students earned a certificate to acknowledge classroom effort and application for semester two, 2016.

The cohort has been reminded and encouraged to work hard this year, their last as a secondary student, and achieve the best possible educational outcome they can.

The theme Year 12 has chosen for 2017 is ‘Illuminate the Way’: be a beacon for others to follow. Each individual of Year 12 has been challenged to be a guiding light for the younger students, to lead by example and action. Pope Francis has asked the youth of the world to say no to hatred and yes to peace. He has asked the world to ‘awaken’ and take action. Year 12 have been asked to illuminate the way for all students at Marymount College and do their very best.

P&F BBQ

Thank-you to all the Year 7 families who attended the P&F BBQ and Macbook information night.

Year 7 ‘Out of the Box’ Day

The students were excited to receive their Macbooks and spent half a day setting them up and getting connected to the school network. Next week we will follow up with further training on how to access our Learning Management System (Moodle) and School Portal where they can view assessment, daily notices, timetables and communicate with their teachers.

Assessment Schedules

Year 7-9 Assessment schedules will be available on our website by Monday, an email will be sent out with a link and instructions. Please review the schedules with your child and help them plan out their study time so they can meet their deadlines.

Katrina Nicholson
Assistant Principal Junior Curriculum (acting)
**Rationale**

Marymount College recognises that access to technology at home and at school gives students, staff and families greater opportunities to learn, engage, communicate and develop necessary skills that will prepare them for life, work and citizenship. All students at Marymount College are issued with a MacBook for use in the classroom as well as at home.

Many students have access to Smart Phones or other carriage devices such as iPads, Smart Watches etc. With the use of these devices, students and staff members have access to many forms of social media as well as Internet sites. Although this access forms an important role in education with staff and students having the ability to ‘stay connected’ with each other for collaborative and social purposes, it is also of utmost importance to set guidelines and expectations in order to protect our staff, families and students from the pitfalls of exploring the unknown and involving themselves in situations which can cause harm to people’s well-being, reputation or to the reputation of Marymount College in the internet world known as social media.

**Purpose**

The purpose of implementing a Social Media Policy is to encourage the safe and positive use of social networking. Marymount College does not allow staff or students to access any social media sites when using the College server. This includes Twitter, Facebook, Instagram, Snapchat and any other social media sites which are created. This does not create a block for staff or students when in their own homes or when using their own Internet provider, nor does it attempt to. Marymount College endeavours to give clear guidelines as to what is acceptable use of social media and outlines expectations of students, staff members as well as family members involved with the College.

**Scope**

This policy is applicable to all teachers, students, employees, parents and families of Marymount College. This policy refers to:

- The use of all social media and networking sites.
- Any activity on social networking platforms that make reference to Marymount College or any teachers, students, employees, parents or families of Marymount College.
- Any content which can reasonably be associated to reference Marymount College or any member of the Marymount College community.

**Expectations of parents and families**

- Parents are responsible for monitoring the online activities of their children when they are not at school.
- If a parent witnesses any online activity which could be harmful to their child or to other students or members of staff, they should remove their child from the source immediately and report the seriousness of the incident to the College.
- Encourage your child to report any online bullying or harassment to the College.
- When using social media platforms, parents should ensure that no statements or uploads are made, that are perceived to be disparaging, abusive, harmful or derogatory towards Marymount College or any students, staff or families.
- Ensure that your child is aware of and understands the policy and associated procedures related to the use of social media.

**Policy**

Students engaging in social media will ensure that:

- Any activity complies with the guidelines set out in the Student Behaviour Support Policy (Including Anti-Bullying Provisions).
- You do not attempt to connect, request ‘friends’ or follow any teachers or employees of Marymount College.
- You take reasonable steps to exclude the College, including uniforms and logos from any personal posts or uploads.
- No representations or statements on behalf of Marymount College are made unless authorised by the Principal.
- No statements or uploads are made, that are perceived to be disparaging, abusive, harmful or derogatory towards Marymount College or any students, staff or families.
- You do not breach any confidentiality, trust or privacy of any students, staff or families.
- You do not engage in any on-line activity which could bring Marymount College or any students, staff or families reputation into disrepute.
- You do not create any page or false identity which could cause harm or damage to Marymount College or any students, staff or families.

**Breach of policy**

Students who are found to behave in a manner which is in breach of this policy:

- Will be reported to Administration
- Will be subject to disciplinary strategies which are outlined in the Student Behaviour Support Policy (Including Anti-Bullying Provisions)
- May be suspended from school or be subject to further disciplinary action
- May be subject to legal consequences

Parents or family members who are found to be in breach of this policy:

- Will be reported to the Principal
- May be subject to legal consequences

**Marymount College Social Media Policy**

Bus Fare Assistance

- Does your child attend a school outside the Brisbane City Council boundary?
- Does your family spend more than $33/week* on fares to and from school (* $25/week if you hold a concession card)?
- Does your child travel on a publicly available bus not owned or associated with the school?
- Does your child live more than 3.2km for Primary or 4.8km for Secondary from their school?

**What you need to do now:**

1. Check eligibility for financial assistance to help with the cost of transport at www.schooltransport.com.au
2. If eligible: keep your public transport receipts to lodge a claim note in your calendar to lodge a rebate claim in May and October
STEM CUP 2017

Year 7 & 8 students are you up for the Challenge?

Our Year 7 championship winners from last year definitely were!

Griffith university are once again running a STEM cup challenge in term 2 only this year.

What is STEM?

STEM stands for Science, Technology, Engineering & Maths.

The STEM cup is an after school STEM Challenge where teams of three battle it out in weekly STEM Challenges for a place at the Grand Final at Griffith University on June 16. This is open to Year 7 and 8 students. We can enter up to 4 teams (12 students) so places are limited.

Challenges are designed by specialist faculties within Griffith University and there is adequate adult supervision at each event, parents are encouraged to bring teams along and be involved.

Events start in Week 2, Term 2 and run for 7 weeks. The cost is $60 per student, the Marymount Science department will support and encourage students representing the College by participating in this worthwhile endevour by covering this cost.

How to Enter:

If you have any interest in participating in this or would like anymore information please see Mrs Baker in her office G105 during pastoral or recess before Friday 10 March.

Kristina Baker
Assistant Head of Science

BRAIN BEE CHALLENGE

The Australian Brain Bee Challenge (ABBC) is a competition for high school students in Year 10 to learn about the brain and its functions, learn about neuroscience research, find out about careers in neuroscience and to dispel misconceptions about neurological and mental illnesses. Round 1 is a 30 question multiple choice exam held here at the College.

If you would like to take part or would like any more information please see Mrs Baker in her office (G105) or contact her via email Kristina.baker@marymount.qld.edu.au

Kristina Baker
Assistant Head of Science
As many would know, Marymount’s 2017 musical is Rock of Ages. The musical is an energetic and lively musical that is written around classic rock songs from the 1980s, especially from the famous glam metal bands of that decade. The musical features songs from Bon Jovi, Poison, Europe, Twisted Sister, Starship and Pat Benatar.

Marymount’s musical camp was a huge success this year. There were many weary smiles on Sunday when we arrived back at school after a three-day camp at Mt Tamborine I am very proud of how hard the students worked during this time.

The highlight of the camp was probably the talent quest on Saturday night as we witnessed a variety of strong and often hilarious acts from across the five year groups. Probably the most wonderful thing for me is being part of such a supportive, mature and inclusive group of young adults.

Year 7s joined the cast of the musical on Monday and we are excited that we now have our complete cast.

Marymount’s musical dates are 4 and 5 May and it is held at the Arts Centre. Rehearsals are on Monday and Wednesday afternoons to 5:00pm, as well as several Sunday rehearsals. An updated rehearsal schedule will be emailed to students and parents can access information, including all notes given to students, on the school’s moodle page.

It is an exciting time for these students and we hope to see you in the audience!

Melanie Howe
Head of Drama
MUSICAL CAMP

Last Friday morning all those involved in the musical headed to Mt Tambourine for 3 days worth of hard work and fun. There’s this expression called ‘The drama, family’ and it could not be more present than at musical camp.

Not only did the cast progress immensely, but also students bonded I friendship and relationships grew stronger. The senior Dance Extension students worked extremely hard and their work definitely paid off, as the dances that they showcased on Friday night were flawless, entertaining and absolutely engaging.

For many it was their first time being part of a musical cast. With the encouragement and inclusiveness of the senior grades, not one face was left without a smile. Jesse Emert from Year 8 has said that musical camp was, “One of the best times ever! Would love to do it again and loved hanging out together like one big happy family!”

All lead roles worked non-stop to perfect the balance between the hilariousness of the show and its story line, performing songs that were written 20 + years before their time.

Come Saturday night, all grades became one as the talent show kicked off, and all teachers and students were left in awe of the talented cast. Year 12 student Taylah Mackintosh described musical camp as a “Truly rewarding experience filled with time for working hard and playing even harder.” She went on to expressing that she, “Couldn’t have spent her final musical camp with a better group of teachers and students.”

Rock of Ages the musical is definitely one to see; the connection that the cast have with each other is infectious making you feel transported to the era. It includes your classic 80s tracks, the story of making it big in LA and all the humour that comes along with it.

Matilda Anderson
Insider and Year 12 Cultural Captain

Last weekend I went to Mt Tambourine for a three-day camp with about 200 other students from Marymount College.

We are participants in this year’s musical, Rock of Ages.

For three days straight we rehearsed, sang, danced and socialised with new and old friends. We have bonded over the experience, as we have now seen one another at our best and worst, (as some people were not accustomed to the humidity in the air!).

Even so, everyone had a spectacular time at camp, there were many laughs, smiles and cheerful faces about. Some students participated in the talent show that the Year 12s had organised. We enjoyed and supported piano players, singers, dancers, table instructors and many, many more incredible people. This assisted us to understand our peers even more.

Upon finishing up this weekend, we managed to complete Act 1, in the short time we were there. Now we continue to work hard and play harder to finalise this brilliant musical.

Bella O’Keene
Year 9 Insider

Have you accessed the Parent Portal?
Update your details, view student absences, timetables, and reports.
For me, Peer Support is an opportunity to help the new Year 7 students make a smooth transition into life at Marymount. It definitely benefits the younger students by having a group of people who have been at the College for a while. As friendships develop, the Year 7s can feel comfortable knowing they have someone they can go to if they have any troubles.

The Peer Support program also gives the students an opportunity to get to know their classmates better. Peer Support is done to assist these Year 7 students feel comfortable during their first year of high school and to help those students who may be struggling, to feel like they are in a safe environment.

Friday, was our first formal Pastoral lesson with our Support class. It was a great day to get to know them further; we also helped students start to learn the uses of their record book and we assisted in checking that it is being used correctly.

I look forward to my next Peer Support Friday!

Maggie Reynolds

CAREERS

GRIFFITH UNIVERSITY CATHOLIC COLLEGES DAY

A reminder that in conjunction with Griffith University, and other Catholic Colleges on the Coast, we are inviting our Year 12 students who are interested in visiting the Griffith University Gold Coast campus and taking part in a FREE full day of activities with confirmation of workshops being provided by the following faculties:

- 3D Design/Industrial Design with Queensland College of Art
- Pharmacy
- Science
- Criminology-covering Cyber Security Analyst or Intelligence Analyst
- Engineering
- Business/Commerce

The date set aside for this very special experience is Tuesday 21 February. Students will be accompanied by our Careers Centre Team, and transported via coach. Be sure to gain an early insight into university life. A full itinerary will be available closer to the date. Places are limited and to register, students should contact the Careers Centre urgently. Should there be places remaining, Year 11 students will be invited on a first-in-first-served basis.

AUSTRALIAN INSTITUTE OF CREATIVE DESIGN VET IN SCHOOLS PROGRAM

The Australian Institute of Creative Design is still taking enrolments for VET programs including Certificate II, III and Diplomas including courses:

- Business/Commerce
- Fashion Design
- Beauty Services
- Make Up
- Visual Arts (textile, print and surface design)
- Design Fundamentals (Styling, Graphic Design, Interior Design, Fashion Photography)

CURRUMBIN WILDLIFE SANCTUARY - INFORMATION & RECRUITMENT NIGHT

Hear about the traineeships, job roles, work days available and qualifications being offered at Currumbin Wildlife Sanctuary by attending the Information and Recruitment Night:

WHERE: Currumbin Wildlife Sanctuary 28 Tomewin Street, Currumbin
WHEN: Wednesday 22 February 2017
TIME: 4:00pm - 6:00pm (Parent Briefing 5:45pm)
Certificate III available in
- Hospitality
- Business Administration
- Business Retail
- Tourism

Have you accessed the Parent Portal?
Update your details, view student absences, timetables, and reports.

To RSVP, email learnmore@pst.edu.au. Note positions only available to Year 10 or 11 students. Students must bring their resume on the night.

2017 YEAR 10 WORK EXPERIENCE PROGRAM

A reminder regarding the compulsory Year 10 Work Experience Program, where students will be placed within a business or an employer for a week from Monday 12 June through to Friday 16 June. Students are asked to consider their placement seriously and are encouraged to act on securing a quality placement as soon as possible.

YELLOW Work Experience Application forms are to be filled in and returned to the Careers Centre by no later than Monday 13 March.

Marymount students have had great success with this program in the past including job offers, school based traineeship opportunities, and they typically gain clarity in terms of study and vocation options post high school. Please feel free to contact the Careers Centre should you require assistance or have further questions in lead up this program.

SCHOOL BASED TRAINEESHIP/COURSES 2017

All students involved in traineeships or courses this year which impact on their school timetable are asked to report to the Careers Centre urgently. It is extremely important that the Careers Centre team are notified of any changes including revisions to your work days, completion details or changes to theory delivery etc.

PRESTIGE SERVICE TRAINING BUSINESS DIPLOMA

Students who missed out on a placement or are unable to make allocated class times may consider the after-hours delivery option offered by Prestige Service Training:

WHEN: Monday afternoon from 3:30pm-5:30pm
WHERE: Southport
DURATION: 12-18 months
COST: $1990 (payment plans available)

To find out more, call: 5667 7224, email: learnmore@pst.edu.au.

GRIFFITH UNIVERSITY – SCHOOLGIRLS SPORTS CAREERS DAY

This event offers female students in Years 10, 11 and 12 who excel in both sport and academic studies the opportunity to gain insight into exciting and dynamic industries, meet exceptional role-models and participate in interactive workshops and presentations. Breakfast included.

DATE: Wednesday 24 May 2017
TIME: 7:00am-12:30pm COST: FREE
TRANSPORT: Marymount Coach
To register your interest, visit the Marymount Careers Centre urgently. Places will be granted on a first-in-first-served basis.

Ellie Beer

Our swimming champions will now go on to compete in the Oceanic District Swimming Carnival on Thursday 16 February

Student Achievement

National School Sport Track and Field Championships

Early December last year Year 9 student Ellie Beer competed at the National School Sport Track and Field Championships in Canberra. She competed in the 200m and 400m events. In her 400m race Ellie ran brilliantly to run the fastest overall time however she was unfortunately disqualified for a line violation and so was not able to compete in the final. Ellie rose above this disappointment and went on to achieve a silver medal in the 200m event and was also chosen to run in the 4 x 100m relay where she won another silver. What an outstanding display of determination, courage and skill Ellie! Congratulations!

South Coast region Sports Team Selections

Congratulations to Year 9 student Ashleigh Allred and Year 12 students Jack Mallory and Nathan Janes for their recent selection in South Coast Region Sports Teams. Ashleigh will now compete at the Queensland School Sport Triathlon Championships at Hervey Bay from 23 – 25 February, while Jack and Nathan have been selected to compete at the Queensland School Sport Cricket Championships at Bundaberg from 3 – 5 March. Well done to you all and best of luck at the state championships!

Oceanic District and South Coast Region Sports Trials

The following Oceanic District and South Coast Region sports trials will be held in the coming weeks:

- 12 Years Boys Oceanic AFL: Wednesday 15 February at Scottsdale Drive, Robina
- 16 Years Girls Oceanic AFL: Wednesday 15 February at Miami SHS
- 15 Years and Under 19 Years Boys Oceanic Volleyball: Wednesday 15 February at Robina SHS
- 15 Years and Under 19 Years Girls Oceanic Volleyball: Wednesday 15 February at Miami SHS
