NATIONAL CHAMPION

Ayla Beaufils has won the National Final of the Plain English Speaking Award which was held in Alice Springs on Monday. She will go to London next year to represent Australia in the international competition. The last time that a student from Queensland won the National was in 2001 when the winner was Tim Rawlings (also from Marymount College). The last Marymount College student to reach the National Final was Kate Coombes in 2009. While recognising the exceptional talent of Ayla and these outstanding students, we also recognise the excellent work of Mr Bill Bruce whose continue support of public speaking ensures that Marymount students receive great support and development for their endeavours before school, as they prepare for the many competitions they enter.

SENIOR DRAMA RESULT

Congratulations to Mrs Howe and the Senior Drama students for their excellent production of Antigone. The adjudicator gave high praise to the entire cast.

It was compelling drama, highly entertaining with strong leads and supporting cast. The success achieved (further details are available on page 4) was very well deserved.

QUEENSLAND CATHOLIC COLLEGES MUSIC FESTIVAL

Marymount Girls Vocal Ensemble travelled to Villanova College in Brisbane last Friday to compete in the Queensland Catholic Colleges Music Festival. They were awarded Silver for their performance of a Renaissance Ave Maria, and Stop, made famous by the Spice Girls, with judges expressing appreciation for the way they handled the two very different genres.

Thanks to Ms Jodie Young Vocal (Coach/Conductor), Ms Therese Mullins (for support on the day) and to Mr Paul Faughey for his excellent conducting and accompanying.

MARYMOUNT DAY FRIDAY 6 AUGUST: DONATIONS FOR ST VINCENT DE PAUL HAMPERS

Students are reminded to bring in donations for the hampers that Pastoral Groups will give to St Vincent de Paul on Marymount Day as we give thanks for our blessings we enjoy because of our wonderful school. Each year we celebrate the founding of the College as close as possible to 8 September, Mary’s birthday. The day begins with roll call followed by a Marymount Primary School and College combined celebration of Eucharist (to which parents are invited), presentation of hampers, morning tea, activities, lunch and concluding with a Talent Quest including (new this year) an Inter-house competition.

The Art Union underpins the fundraising success of our Combined Schools Fete. If the Art Union sells well and the sun shines for the Fete on Saturday 19 October, the College and Primary School P&F will enjoy a boost to their finances which will be used to improve the amenity of the schools for your sons and daughters. The Committee has been meeting regularly since Term 2 and plans are well advanced for another great Marymount Combined Schools Fete. Thanks to the many convenors.

PROCESSES FOR THE ELECTION OF 2014 LEADERS

This week students wishing to nominate for student leadership positions in 2014 were encouraged to collect the application package. Over the next few days, staff and parents are asked to encourage students to consider applying. Please reassure them that although the process may seem daunting, acceptance for nomination is more than achievable with plenty of support available to them. Students applying will need written recommendations and validations of their applications by teachers. Nominees will address their peers prior to voting by students and staff to produce a cohort of candidates for the particular leadership positions. Interviews with the College Administration Team will then determine student leadership roles for 2014 with emphasis given to the staff and student votes.

Chris Noonan - Principal
Each year Michael Fitzpatrick facilitates our Reflection Days for Years 8, 9 and 10 and each year, without exception, the students are completely captivated by his presentation. The Year 8 Reflection Day which took place at the Princeton Room on Wednesday last was exciting and engaging from the moment the group walked into the space. Michael’s marvellous skill in working with young people never ceases to amaze.

Fun activities punctuate times of reflection on what they have learned about themselves, their group and their world leading to a subtle introduction to Catholic Sacramentality and practising the art of reflection. Their Year 8 theme of “Let Your Light Shine” was woven through their prayer reflection at the end of the day. Congratulations to all Year 8s on their excellent behaviour and cooperation throughout the day, and on making it such a great success.

Both College and Primary Schools are presently in the throes of preparation for Marymount Day Mass on 6th September and our most special day in the year. This year we will acknowledge the many cultures present in our community. If you have a national flag or a flag which suits our theme and wouldn’t mind lending it to us to hang in the sacred space, then please send it to me via the Main Office with your name and details on it. It will be handled with great care and appreciation.

Please check out the poster in this newsletter on page 9, as it shows the dress code for Marymount Day. While students wear free dress it is important that an appropriate standard is maintained. It would be wonderful if the students were to wear something which represents the cultural background of their family or even national costume on the day.

Finally, don’t forget the food and hygiene articles for the St Vincent de Paul Collection.

Dolores Maitland - APRE
YEAR 8 REFLECTION DAY

The day was a big hit. Facilitator Michael Fitzpatrick led the group on a discovery that had them sharing, laughing and reflecting. Year 8 stepped out of their comfort zone. They had a conversation with a peer of the opposite sex, sung and danced. Some students found it awkward but rewarding. Many commented it was nice to spend time with someone different in their year group. The clear message of the day was to reflect on the little things in life and have a go.

Behaviour and involvement from the Year 8s was excellent. Teachers were happy to share the day with such a wonderful group of students. The challenge now is to continue reflecting on the little things in life, get these right so big things will follow.

Cathy Cooper - Year 8 Coordinator

SENIOR DRAMA SUCCESS

Marymount did extremely well in the Senior section of the Gold Coast Secondary Schools’ Drama Festival. Over 20 Gold Coast high schools compete in this competition and the standard is very high. To our delight, Marymount did exceptionally well! Aleksija Mirkovic won the Best Supporting Actor trophy, Ayla Beaufils and Sam Pinches both won Best Actor trophies and the entire team won the Best Dramatic Performance trophy. Overall we came second in the entire competition.

The students involved were Ayla Beaufils, Sam Pinches, Emily Kelly, Georgia Curran, Kyle Plummer, Brittany McMurray, Tess Caesar, Hollie Cosgrove, Dom Richards, Bray Muir, Liam Larkin, Charley Wignall, Isabel Domanski, Nikara Rangesh and Millie Clout. All students were amazing and I am so proud of all their hard work and dedication.

Melanie Howe - Drama Coordinator

DANCE, DANCE, DANCE!

Once again Marymount’s dance groups showed the results of their hard work when sixty of our dancers, sporting their new Marymount Dance Team shirts, took to the stage at the Beenleigh and Gold Coast eisteddfods last week. Audiences were treated to performances of various genres as dozens of schools from the Brisbane and Gold Coast region showed off their moves amid the sparkle of stage lights and sequins.

Marymount entertained with emotional lyricals, powerful contemporaries, stylish musical theatre, and high-energy jazz and hip hop routines. The Adjudicator commented on our strong, creative choreography, and well-rehearsed performances that displayed considerable skill and technique. Marymount scored highly and placed well in most sections, taking home several Highly Commended awards, Very Highly Commended awards and 3rd placings, one 2nd placing and an exciting 1st for a musical theatre routine so recently learnt it almost wasn’t performed!

When not on stage or supporting their fellow competitors, the dancers relaxed in the nearby parks and playgrounds as well as finally getting to do a much-requested ‘Maccas’ Run’! No eisteddfod would be complete without hiccups, but not even last minute costume changes, sick or absent performers stopped the dancers from working as a team to put their best foot forward and make Marymount, and MS Press, proud.

It was a sad moment to realise that this would be the last school eisteddfod that we would share with our Year 12 dancers, but we have many fond memories of our past year of dance with them and hope they will miss us, as much as we will miss them. Thank you to those staff who accompanied us to the eisteddfods, especially Ms Mullins, who not only helped keep us organised, but made the Beenleigh Eisteddfod so much fun! Thank you Ms Press for all your hard work, support and encouragement, may the Marymount Dance Team always be a credit to you.

College Vice-Captain, Ayla Beaufils, is to be congratulated on a truly magnificent achievement. In Alice Springs this week, she won the Australian Final of the Plain English Speaking Award, the most prestigious public speaking competition in the world. She was the first Queensland representative to win the National Final since 2001, when it was won by Marymount College Captain, Tim Rawlings.

The Queensland coordinator, who attended the final, has stated that the standard of competition was extremely high, but it was Ayla who excelled in all areas: The eight-minute prepared speech where her topic was “A moment of insanity” (which dealt with the effects of alcohol-fuelled violence); the three-minute interview in front of the audience; and the three-minute impromptu speech (with four minutes preparation) on the topic “A recipe for success”.

As a result of her achievement, Ayla has received $8000, funded by the Big Brother Movement, to enable her to represent Australia in the 2014 International Final of the Plain English Speaking Award. This will be held in London and will be hosted by the English Speaking Union. There will be entrants from 53 countries, including many countries where English is not the native language. The 2012 Australian champion, Isabel Crawford from New South Wales, was the international winner this year.

Ayla is an extremely talented, hard-working young lady, who thoroughly deserves her success. Well done, Ayla! We know that you will do us proud in London next year.

INTERACT UPDATE

Interact is a Rotary-based, school club where students organise fundraisers throughout the year to help with funding for local and international projects. These projects aim to benefit less fortunate communities.

On Monday, as part of World Humanitarian Day, we organised a bake-sale and chocolate toss at morning tea and lunch to raise money for our East Timor project. This was very successful as we raised $370.

On Thursday morning, Millie Clout and I attended the weekly Burleigh Heads Rotary Club breakfast at Burleigh Surf Club. This was a great opportunity to see how the meeting was held and to meet other Rotarians in the community. It was interesting to hear about the projects this club has done and what they are planning for the future.

A guest speaker, Marlena Katene, spoke at the breakfast. She is an amazing, young woman who has a severe case of cerebral palsy. She is currently studying journalism at university and has her own jumping castle business. She has travelled the world and conducted several interviews with famous singers, sports stars and politicians. I was truly inspired by Marlena’s story and her positive attitude.

ALL SCHOOLS TOUCH

Each year Marymount sends away two girls touch football teams to compete in the Queensland All Schools Touch football carnival in October. This year our coaches Mr Carroll (U15’s) and Mr Kelleher (Opens) began the trials early and have selected a team of 14 U15’s and 14 Opens players.

We have already begun training twice a week after school as well as playing during interschool sport on a Thursday.

To help out with the cost of the uniforms, accommodation and carnival fees etc. we are selling boxes of chocolate, starting this week. Also, don’t forget to keep and eye out for the 4.5kg Toblerone chocolate raffle prize as tickets are being sold in the P & F courtyard for the rest of the term!

SPRING NEWS

This week we had the Oceanic District Track and Field carnival on Wednesday and Thursday at Pizzey Park Athletics Club. We had over 100 students compete over the two days with some great results, and finished 2nd in the overall point score behind Palm Beach Currumbin SHS. We won the Percentage Point Score (where your point score is compared to the number of students at your school).

Congratulations to those competitors who have qualified for the Regional Track and Field Championships being held in Brisbane on Monday 9th and Tuesday 10th of September. Well done also to the following competitors for their outstanding performances at the carnival:

Next week we have the semi-finals of the Semester 2 AGCC sport competition. If your team has qualified for the semi-finals please make sure you come prepared to play to the best of your ability on Thursday. Good luck to all teams involved.

All students in Year 8 – 10 should have entered their term 4 recreational sport choices on the College Intranet by now. If they haven’t, it needs to be done first thing Monday morning.

If your child has competed at a State or State School Championships, National or National School Championship or International Championship you may be eligible to receive $200 financial assistance from the Queensland Government. Go to http://www.nprsr.qld.gov.au/funding/overview/young-athlete.html to find out more information and to see if you are eligible.

AGCC CHESS CHAMPIONSHIPS

Congratulations to all our enthusiastic chess players who had a very successful day at the AGCC chess championships which were held at Aquinas College on Friday 16th August. With over a hundred students competing, we were thrilled at being awarded 2nd place in both Senior and Junior divisions.

Our Senior team consisting of Koen Bray, Rhys Fing, Ben Bannan and Sam Kennedy proved tough competitors with a score of 18.5 points. Koen Bray was awarded 4th place, winning 5 out of his 7 games. His final game was very intense, especially with the large number of spectators. According to one spectator, it was one little error that lost him the game that would have meant a three-way tie for first place. As this was Koen’s last competition as part of the Marymount Chess Team, he was understandably disappointed, though he didn’t show it. He showed excellent sportsmanship, as he has throughout his five years of competitive chess, and is a great role model.

Our Junior team members also played very well. Cooper Ladlow was awarded 3rd place for his individual score of 5 wins. With the help of James Brimmer, Juvantus and Tyrique Faamausili the boys also were awarded 2nd place for their team on 18 points. Individual scores for each of our 19 players can be seen on the Gardiners’ Chess Schools website and photos from the game are on the Marymount Spublic drive.

I would like to congratulate all the boys for their sportsmanship and behavior on the day. The next event is the individual Chess Championships which will be held in October.

BOOK WEEK 2013

Every year the Children’s Book Council of Australia selects a winning book in each of a number of categories – Older Readers, Younger readers, Picture Books etc – and uses this week in August to celebrate books. We don’t tend to do any book parades or book fairs for Book Week in the College, but do like to celebrate books with some of the Primary students.

SHARING WITH PRESCHOOLERS

What do you get when you entertain Preschoolers? Lots of love, friendship and noise! This week, 4 groups of students from Years 9-11 dressed up, made puppets and acted out some picture books for each of the Preschool classes. The little ones loved it and so did the big ones! One more year 10 group will make new friends next week.

COMPETITION!

We have 3 x $25 book vouchers from Network Education to give away to students who know their fairy tales! Come into the library & match the picture puzzles with the story titles. All correct answer sheets go into the draw to win! Closes at the end of next week.

SOUTHERN CROSS UNIVERSITY
STAR ENTRY SCHEME

The SCU STAR Entry Scheme enables Year 12 students to gain early admission to SCU on the basis of their school Principal’s recommendation.

Many talented students have gained entry to Southern Cross University via the STAR Entry Scheme, motivated by the desire to receive an early offer.

NOTE: Applications close Friday, 13th September. Visit www.scu.edu.au for further details or visit the Marymount College Careers Office today.

GOLD COAST INSTITUTE OF TAFE
DIRECT ENTRY/SCHOLARSHIP PROGRAM

We have visited our Year 12 English Communication classes and contacted many students individually over the last couple of weeks regarding applying to the GCIT Direct Entry/Scholarship program for next year.

Past Marymount students have benefited by gaining an early offer (prior to OP/Rank release) into a Diploma Level course, as well as a number of our students being granted scholarships worth thousands.

In many cases after completing the Diploma over a 12 month period, students continue on to University studies within their area of interest. Others choose to exit with that qualification and gain related employment.

Applications close Tuesday, 3rd September (Week 9). Students can gain one-on-one assistance with their application through our Marymount College Careers Office prior to that date. Visit www.gcit.edu.au for course content, location and duration.

2016 QTAC TERTIARY
PREREQUISITES GUIDES - CHANGES

All Year 10 students have now received their copy of the QTAC Tertiary Prerequisites Guide which explains all subject prerequisites for Queensland Tertiary Courses in 2016. This book is very useful to assist in subject choices for Years 11 and 12.

The University of Queensland has advised a change to the requirements for the Bachelor of Health, Sport and Physical Education. For 2016, the pre-requisite subjects are English (4SA), Maths A, B or C (4SA) plus one of Biology, Chemistry or Physics (4SA).

REVIEW OF QTAC SELECTION RANKS

In addition to students receiving an OP or Selection Rank based on school studies, some students also are able to receive QTAC Selection Ranks based on other qualifications they may have completed. QTAC Selection Ranks may be used for entry to Queensland Tertiary Courses. Some such qualifications are AQF Certificates, Diplomas, Music, Dance and Speech and Drama qualifications.

The Selection Ranks values are reviewed periodically by QTAC to ensure their relevance and consistency to student performance and the ranks are subject to change at any time. For this reason, no student should rely on these QTAC Selection Ranks for university entrance as they may change without notice. QTAC has advised that a review will be undertaken of all of these qualifications over the next year.

Any changes to the QTAC Selection Ranks will be received in May 2014 and this will take effect from that time. Any changes would affect any students applying for tertiary student in 2015 and beyond.

Lord, I ask you to inspire me to encourage others by what I say and do today. God and Father of all people, never let me look down on others or make anyone feel inferior.

Lord, show me how to live today with genuine concern for others. In expressing my care, may I show people that they are valued, loved and appreciated for who they are. Amen.
