Senior Leaders 2014

On Wednesday this week, Year 11 students who nominated for 2014 leadership positions were required to address their fellow students. These candidates’ nominations were accepted following an application and approval process where the students provided details of their efforts and achievements at the College and their reasons for nominating.

All of these outstanding young people are proud of their school; want to earn a role where they can further promote our College values, be responsible for organising student events and activities and to be role models by setting an example for other students. All are most certainly worthy.

The Year 11 students and the College staff voted following the speeches. The result are the announcement of the 20 students who will comprise Leadership for 2014.

The first four students names at the top of each list are candidates for the positions of College Captains (2) and Vice Captains (2). These candidates have been invited to address the College Assembly on Tuesday 8th October on the first day back after the holidays. The candidates will then be interviewed by the College Administration Team and all leadership positions will be announced on our College Awards Night.

These are the 20 Senior Leaders for 2014:

Art Union Ticket/Monies

The Art Union underpins the fundraising success of our Combined Schools Fete. Ticket stubs and monies are to be returned via the College Bookshop before school each day in the first week of Term 4. Please encourage your son/daughter to complete the sale of tickets over the holidays. The money raised will be used to improve the amenities of both the Primary and Secondary Schools for your sons and daughters.

Holidays

Teachers and students have lives of intense busyness punctuated by rests. It is great to see students excited and happy at the prospect of holidays. I hope that all families have some time during the holidays to enjoy each other’s company and that our students are able to help out around the home.

Kyle Connor
Acting Principal

DEPUTY PRINCIPAL

Congratualtions to the Year 11 and 12 students who have successfully completed their Term 3 Exams. It can be a very stressful time of the school year and the students negotiated the tight deadlines and rugged schedule very well.

On Wednesday of this week, I had the pleasure of witnessing 40 Year 11 students giving speeches to the entire Year 11 cohort. The aim was to demonstrate their desire to join the College Leadership team of 2014. The future of College student leadership is extremely promising if the quality of these speeches is anything to go by. I have to say that I was most impressed by the maturity, honesty and humour of these fine young men and women, as well as the response by the Year 11 students who were listening to the talks.

I hope that our entire College community has a good, safe, well-earned break and that we see all of our students return safely, ready for another hectic term of schooling.

Please keep in mind the College’s uniform policy when it comes to making holiday decisions regarding hairstyles and the purchase of extra jewellery or piercings. This will assist to minimise any disruption to normal schooling on return.

Have a great holiday.

Geoff Browne.
Acting Deputy Principal

APA SENIOR CURRICULUM

This week we send off what is known as Verification Submissions to QSA Panels. Included in these are data and work samples from students’ results across a range: from the very highest achievers to the very lowest; in each and every Authority (OP) subject. The Panels of teachers will meet on the Monday of Week 3, Term IV (thus the Pupil Free Day) and the final and expected results for every student in the class and cohort is checked by the Panel members, and then ratified by the QSA. This is an important part of the quality assurance system which allows teachers to be the ones assessing and marking student work, rather than an outside authority (as exists in the public exam systems of other States in Australia). We are fortunate to have a large number of our teaching staff represented on these Panels.

Year 12 students then have one final piece of assessment for each subject, completed in Term IV. Should they maintain the overall standard of work they have been producing for the last nearly two years, then their position on these SAI ladders is maintained. The QCS test completed earlier in the month will then be added to scale each subject result, and an overall achievement indicator, leading to an Overall Position will result.

I encourage all students to make themselves aware of their position on these SAI rungs, to ensure they are well aware of their final goals and targets. These final results will be published just after the students graduate. This is done to ensure the accuracy of the data, which is manually inputted into the system. Their OP and other school results are published by the QSA mid-December.

GOLD COAST HOSPITAL AND HEALTH SERVICES – ORAL HEALTH SERVICES

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Medicare Teen Dental Scheme Vouchers?

Good oral health care is important for young people. The government has provided Medicare Teen Dental Scheme Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care. Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria is met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.

If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet your child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods.

For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.

FROM THE NEW CAMPUS MINISTER

Hello! My name is Eliza Kerklaan and I am the new Campus Minister at Marymount and I couldn’t be happier to be here.

I have been a Youth Ministry worker for the last three years and have studied counselling for four years prior. I hope to be a witness to young people and help them to better understand themselves, their faith and the Catholic faith. I am also very passionate about social justice issues and hope to continue the great outreach initiatives that are already established at the College and introduce some new ones.

But first off, let me tell you about a fantastic event happening later this year that I would love to see students attend with me. Australian Catholic Youth Festival is a national gathering of Catholic young people, established by the Australian Catholic Bishops Conference. It exists to provide young people with opportunities to; deepen their relationship with Jesus, be empowered to be disciples in the world today and encounter and celebrate the vitality of the Church in Australia. Those in Year 9 this year through to young adults, 25 years of age, are invited to the event. The Festival will take place in Melbourne from Thursday December 5th - Saturday December 7th 2013. Having personally attended events like this one, you don’t want to miss out as there are amazing guest speakers from all around Australia and even a couple of international ones! It would great to see students attend this event! Come and see me or send me an email if you are interested.

**AT THE PRIMARY ASSEMBLY**

On Wednesday 18th September the Junior Musical Theatre Group hit the stage to entertain the Primary School at their morning assembly.

The kids and teachers seemed to really enjoy the performance, especially since two of the dancers were Year 7 students Heidi Haley and Georgia Krueger.

It was really fun to perform for my “old” teachers and good to show the Year 7s what they can do at high school.

Thanks to Mr Casey and Marymount Primary for inviting us to their assembly.

BIG MAN GIVES BIG ADVICE

It was a celebration of brotherhood, mateship and hard work at Marymount College’s fifth annual rugby league presentation night with Australia’s strongest man in attendance to lift spirits and encourage players to reach for the stars. Powerlifter Warrick Brant, the evening’s celebrity guest, shared anecdotes with the boys, who came together to reflect on the past year’s achievements.

The event, run in conjunction with major sponsors the Burleigh Bears Leagues Club and featuring guests from the Gold Coast Titans, highlighted the resilience and determination shown by the College’s players when they take the field. Josh Berkers, the 1st XIII’s fifth-eighth, received critical acclaim for being named Confraternity 2013 Player of the Carnival and his selection in the Queensland under eighteen representative side; whilst several players from each age group were also the recipients of Best & Fairest awards, Most Improved awards and Coaches encouragement awards.

This night’s major accolade though, sponsored by the Bears, the Marymount Spirit Award; was presented to star centre Nicholas Bond. Recognising the effort, skill and drive demonstrated both on and off the field by this committed young player, the award highlights exactly what it takes to be part of a successful sporting team. Commitment and dedication were in fact key motifs, mentioned by all the evening’s guest speakers. Through their involvement in the event, they were able to speak about the value of hard work and how, when aspiring to be the best on the field, players must “Put their dreams ahead of everything else and give it their all!”
