

Policy and practice to manage student attendance

School attendance is compulsory. In 2012 electronic roll marking and SMS text messaging to parents of students absent from school without explanation was added to attendance procedures. Attendance rolls are marked at the start of each day and class rolls each lesson. Letters, diary notes or telephone advice is required to explain absences. Where a student is absent without explanation for more than two days the Pastoral Teacher contacts the parent/guardian. Absentee lists are circulated to the Pastoral (Year) Coordinator who monitors the unexplained absentee lists and follows up on unexplained absentee. The Assistant Principal Pastoral and the Deputy Principal monitor the absentee lists and follow up on unexplained absentees if required. Where direct contact with parents/guardians fails to address student absenteeism counselling staff may become involved. Show cause letters requiring a meeting between Parents/Guardians, the student and Senior Administration Students to address the students non-attendance are issued as a penultimate step towards achieving school attendance or a resolution of the students enrolment.
