MOBILE PHONE POLICY

Mobile phones are not to be used for telecommunications (i.e. phone calls, texting and social networking) during school hours.

Mobile phones are required to be stored in the student’s locker from the time they arrive at school until dismissal at the end of the school day.

If a student is observed to be using a mobile phone, or has a mobile phone in their possession, then the phone will be confiscated. The student will be directed to Student Administration Office (SAO) to hand in their phone where it will be clearly labelled and secured until the student is able to retrieve it at the end of the school day.

If there is a second offence, the same procedure will occur with the parent to be contacted regarding the matter.

On the third occasion a student is observed to be using a mobile phone, or has a mobile phone in their possession, the same procedure as step one will occur with an additional interview with the student and parent to take place.
