VOLUNTEER THANK YOU

Our appreciation to the many parents, caregivers, staff, and students, who have volunteered to assist today.

At the time of print our volunteer sign-up is at 92% of the 227 volunteer spots required for the day, not including students who have run stalls, and assisted with face painting and other tasks. Without so many people willing to get involved we simply could not have an event like this. Thank you, we hope you have a fun day.
