EMPLOYERS RECOMMEND US

FLEXIBILITY

INDUSTRY CONNECTED COURSE

OUR STUDENTS RECOMMEND US

CHOICE

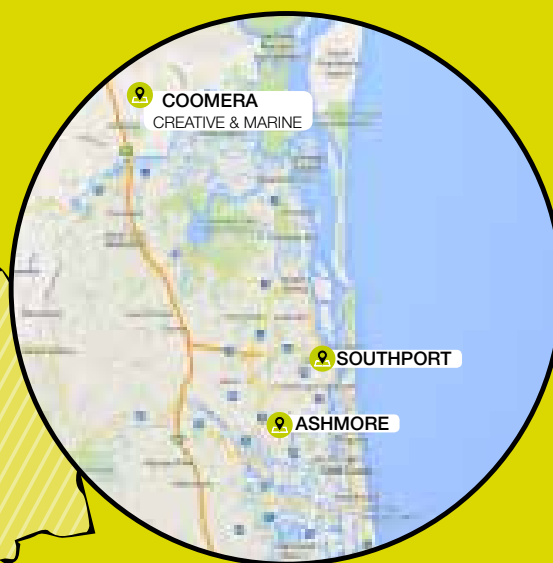

TAFE Queensland Gold Coast courses have been designed in close consultation with business and industry. When our students complete their studies with us, they will have the necessary skills and knowledge to ensure a competitive advantage when entering the workforce or moving onto further education. Whether a student joins us straight from school or after years in the workforce, we will work with them in the pursuit of their goals.

At TAFE Queensland Gold Coast, we believe that the skills and knowledge acquired through both study and work placement, allow our students to succeed. We also believe that the contributions we make within our community contribute to the success of our community, and we are justifiably proud of that.

TAFE QUEENSLAND GOLD COAST

LOCATIONS

TAFE Queensland Gold Coast has five purpose built locations; four of which deliver our schools programs. Each location offers a wide range of courses, programs and on-site facilities. A variety of public transport options are readily accessible. Please contact Translink for detailed information on travel routes, timetables and tickets.

WHAT KIND OF SUPPORT IS AVAILABLE?

LEARNING SUPPORT

Provided by specialised teachers, get support in exam preparation, assignment writing, time management, making presentations and general study skills.

COUNSELLING

Free and confidential counselling is available to assist and support you with personal, study or work-related issues and/or career guidance.

SUPPORT

Disability support is available, including locating and organising equipment and teacher liaison on your behalf. An Indigenous Student Support Officer is available to assist with various issues and to support you during your studies.

CAREER CAFÉ

Held each semester, these give you the opportunity to meet with universities, the defence and police forces and major employers to discuss your next steps in education and employment.

LIBRARY

You will have access to a range of online and hard copy resources at any of our libraries.

INTERNET/WIFI

You will have access to TAFE Queensland Gold Coast's WiFi and student computers with internet access across all of our locations.

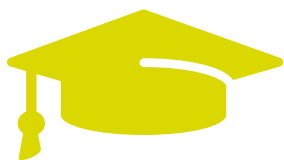

FACILITIES

All locations are either located within walking distance to food and beverage outlets or have an on-site cafeteria. Parking is provided for no or minimal charge.

myPROFILER

If you are unsure of what to study, TAFE Queensland Gold Coast's myProfiler can help give you some ideas on what careers and courses might suit you.

ABOUT TAFE QUEENSLAND GOLD COAST SCHOOLS PROGRAM

FAST TRACK YOUR CAREER WITH A TAFE QUEENSLAND GOLD COAST SCHOOLS PROGRAM.

With a TAFE Queensland Gold Coast Schools Program you typically attend school four days per week and TAFE Gold Coast one day per week. For online based courses, it is expected that the equivalent of one day per week is devoted to your Schools Program study.

A TAFE Queensland Gold Coast Schools Program gives you the opportunity to:

- gain a qualification while you are still at school.
- gain credits towards your Queensland Certificate of Education (QCE).
- gain a competitive advantage by building employment skills relevant to the workplace.
- gain Direct Entry into selected TAFE Queensland Gold Coast courses.
- gain credits towards a Diploma program.
- learn from the best - our educators are driven to help you succeed.

WHAT WILL IT COST ME?

“An investment in knowledge pays the best interest.”

- Benjamin Franklin

A range of Schools Program qualifications are fee-free for students and covered under VETiS (Vocational Education & Training in Schools) funding.

Please ensure you research your decision when choosing the most suitable qualification to study as students are only entitled to receive one qualification funded by VETiS.

All qualifications not VETiS funded have associated fees

to cover the cost of training. All courses listed in this guide include any associated costs.

PAYMENT OPTIONS

Payment plan options are available for courses that have associated costs.

Please contact TAFE Queensland Gold Coast's Customer Service Team on 07 5581 8300 for further information.

APPLYING FOR A SCHOOLS PROGRAM

1 ONLINE APPLICATION 2 ENDORSEMENT FROM YOUR SCHOOL 3 ENROLMENT NOTIFICATIONS 4 GETTING STARTED

Complete the online application form at www.studentrego.com

Class Number:
TAFE3

Applications close
5pm Friday 23rd
October 2015.

After completing your application, TAFE Queensland Gold Coast will contact your school to request endorsement of your application, which is formal permission from your school to acknowledge that you will be released from school to participate in the selected course.

TAFE Queensland Gold Coast will email you and your parent/guardian directly (to the email addresses supplied on your application) with enrolment instructions and associated forms to complete prior to enrolling.

Contact TAFE Queensland Gold Coast Customer Service to process your enrolment and pay any applicable fees.

COMMENCE YOUR STUDIES WITH TAFE QUEENSLAND GOLD COAST

Classes will commence in January/February 2016

Important: From 1 July 2014, each year 10, 11 or 12 student in Queensland may access ONE funded employment stream qualification while at school (students who at 30 June 2014 had already completed, or commenced, one or more funded positions will be eligible for one additional enrolment after 30 June). It is important that you have carefully considered your course choice before applying.

Programs that are funded by the 2015/2016 Annual VET Investment Plan are marked with an * in this guide. Please make sure you speak to your Careers Office at school for further information.

THE SKILLS EMPLOYERS WANT

What does an employer really want from you as a job applicant? Aside from your industry relevant skills and training, many businesses are also looking for other key attributes when hiring new staff. The good news for TAFE Queensland Gold Coast graduates is, no matter what course you choose, whether it is plumbing, nursing or information technology, you will have the opportunity to learn the top four skills on the list.

WANT MORE INFORMATION ON OUR SCHOOLS PROGRAM?

Please contact the TAFE Queensland Gold Coast School Liaison Team via email:

Schools.GoldCoast@tafe.qld.edu.au

Interpersonal and communication skills.

Express your ideas clearly and confidently in speech and in writing. Your contributions to class discussions and time spent on written theory assessments will build these skills.

Passion and drive.

A determination to get things done, make things happen and an obvious interest in the industry. Your commitment and determination to complete your qualification clearly demonstrates your passion for your chosen career.

Industry knowledge.

Knowing how the business and industry works. Your time in class, work experience and practical training combined with our teachers' expertise will give you valuable insights to your chosen industry.

Team work skills.

Ability to work confidently and coherently within a group. Group assignments, group tasks to complete in class and your exposure to a collaborative learning environment will give you the opportunity to build these skills.

ACHIEVE YOUR CAREER GOALS WITH THE HELP OF A **\$5000 TAFE QUEENSLAND SCHOLARSHIP**

If you are looking to begin your studies at TAFE Queensland, then this is your opportunity to secure your education through our scholarships program.

You can use a scholarship to support education related expenses including course fees, tuition costs, text books, cost of living expenses, travel costs and vital tools and equipment such as laptops, to allow you to maximise your education experience at TAFE Queensland.

There are two types of scholarships available, Merit scholarships, and Access and Equity scholarships, with the choice to study across a whole range of industries in Certificate III courses to Advanced Diploma courses.

You can apply for a scholarship to study in 2016, with applications closing 31 October 2015.

To find out more about how you could secure a scholarship at Queensland's largest and most trusted vocational education and training provider, please visit www.scholarships.tafeqld.edu.au

"Receiving a scholarship has allowed me to continue my studies in a stress free environment."

"Knowing that I can just focus on my studies and make the most of my education has really lifted the burdens that come with being a full time student."

Katie – TAFE Queensland Scholarship recipient

"Being awarded the scholarship gave me the confidence to complete my studies and ultimately enrol at university."

Coby – Diploma of Building Design and Technology

TAFE QUEENSLAND GOLD COAST NON-ACCREDITED SHORT COURSES.

At TAFE Queensland Gold Coast, we not only run accredited courses from Certificates right through to Advanced Diploma's – we also have a range of non-accredited short courses available. If you are looking for an opportunity to learn a new skill, master a foreign language or even perfect a new cooking technique – a TAFE Queensland Gold Coast Short Course could be just what you're after.

Courses start throughout the year so enquire today for more information on what courses could be available and of interest to you.

COURSE AREAS INCLUDE*:

Business

Accounting, Blogging, MYOB and XERO.

Days: Fridays: 8:00am – 3:00pm
Cost: \$2,100

Learn the essential skills of Digital Media in this exciting course! If you have creative flair and a head for technology our Certificate III in Media will set you on the right path. In this entry-level course you'll learn digital imaging with Adobe Photoshop as well as how to create website designs, basic graphic designs and 2D animations. Delivered by industry professionals, this course is ideal for career-starters and as a pathway into the Diploma of Interactive Digital Media or Diploma of Graphic Design.

Topics include: Digital Imaging with Photoshop, 2D Animation with Flash, Graphic Design with Illustrator and InDesign, Web Design

PATHWAYS

MEDIA

As interactivity in today's technologies become more prevalent, your professional digital media skills will only increase in demand. As this industry continues to grow with new roles emerging that blend digital technologies with creative arts, you will have a diverse scope of career opportunities available to you.

Strong employment opportunities exist for Graphic and Web Designers as well as Multimedia Specialists.

Based at our creative hub at Coomera, you will develop industry leading skills and knowledge using the latest equipment, software and facilities.

SPORTS AND RECREATION/FITNESS

A formal qualification in fitness can turn your passion into a rewarding career. The fitness industry has experienced a boost in interest as the growing awareness surrounding the importance of living a healthy, active lifestyle takes its effect on society. This awareness translates into great career opportunities for fitness professionals.

The industry offers a variety of work environments from the outdoors, to indoor sporting facilities and office spaces.

SPORTS AND RECREATION/FITNESS COURSES

SIS20313 / SIS30313

TRADES

AT TAFE QUEENSLAND GOLD COAST

A trades career has always been a stable employment choice and continues to offer job security and above average salaries, particularly in skill shortage areas.

Choosing a skilled trade is an excellent post-secondary education option, as you gain hands on training with the opportunity to earn while you learn. A career in trades is ideal for people who enjoy physical work and using their hands.

Licensed trades professionals also have the opportunity to become their own boss.

AUTOMOTIVE

AUTOMOTIVE COURSES

AUR20712

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION *

How long: 6 months
Wednesdays: 03/02/2016 - 22/06/2016
Fridays: 29/01/2016 - 24/06/2016

Where: Ashmore

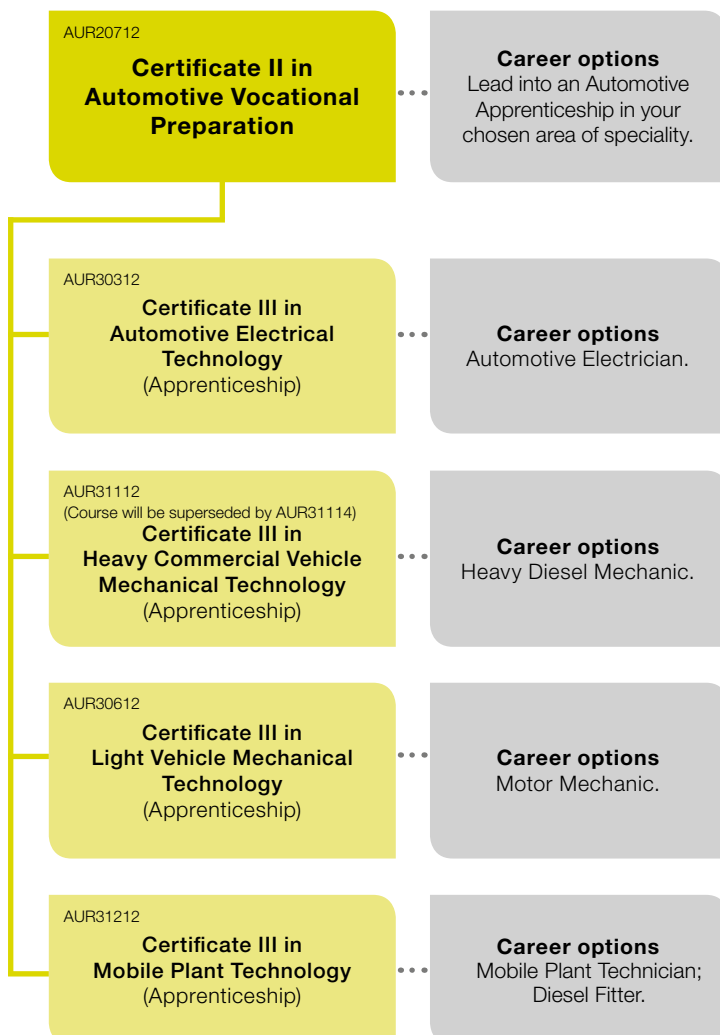

Days: Wednesdays: 9:00am – 4:45pm OR
Fridays: 8:00am – 3:45pm
+ 200 hours Vocational Placement

Cost: NIL

This qualification covers the skills and knowledge required to perform a limited range of tasks related to familiarisation and inspection of mechanical and electrical components and systems of cars, heavy vehicles, outdoor power equipment, bicycles, marine craft and motorcycles.

An interest in all things cars and engines, and a love of practical and manual activities are just some of the reasons you might be attracted to the automotive industry. Due to advances in automotive technology, most vehicles now contain electronic controls and computers. Knowledge in this area has become essential for light vehicle motor mechanics, and as a result, they are becoming more specialised in their areas of work.

PATHWAYS

BUILDING AND CONSTRUCTION

Australia's construction industry continues to blossom, with the building of homes leading the charge. Although labour-intensive, this industry provides high job satisfaction and flexibility with many qualified tradespeople being self-employed. The industry also offers appealing salaries for most occupations.

PATHWAYS

HORTICULTURE

A fast growing industry, Horticulture is closely linked to urban development and lifestyle. It includes maintaining parks, gardens and golf courses, as well as plant nurseries and landscaping. Climate change is increasingly becoming a significant topic for this sector. An interest in the natural environment and a love for working outdoors are just some of the qualities that may attract you to a career in horticulture. With conservation and environmental planning continuing to play an increasingly important role in our society, this industry offers great employment opportunities.

MARINE

A passion for boating, the water and an outdoor lifestyle are some of the attractions for a career in the marine industry. The Australian boating industry employs over 29,000 people across 2,500 businesses including boat building and repair, fit-out and refit, marina services, boat operations and tourism. The industry may be suitable to you if you enjoy practical work, have an aptitude for technical activities and are able to solve problems.

MARINE COURSES

AUR20612

PLUMBING

Plumbing includes urban irrigation, drainage, metal roofing and cladding, mechanical services, roof plumbing, gas fitting and fire protection services. The industry has appealing salaries with work dominated by small businesses and self-employed tradespeople. Plumbers may also work for federal or state and territory government departments concerned with public works. Plumbers are involved in everything from domestic maintenance to high-rise construction.
