Welcome to Online SETPLAN and Subject Selection.

This is a plan about you and belongs to you. Your career goals are the focus of this Learning Pathway Plan. This Learning Pathway Plan will be created with input from both your parents and your teachers. It should be regularly revisited and will be added to during your Senior Schooling years.

**Important Information**

When planning for your future you should vigorously research all the possibilities that lie before you. Our Careers Centre can help you do this.

There are also many excellent websites that can help you discover what careers may interest you and what qualifications and subject pre-requisites they may have.

The weblinks below can be used to access some of these sites.

**QCAA Student Portal** <https://myqce.qcaa.qld.edu.au/>  
**My Skills - My Skills**  
**Course Seeker - Course Seeker**  
**Good Universities Guide - Good Universities Guide**  
**QTAC - QTAC Website**

For students planning on tertiary (post year 12) studies the Queensland Tertiary Admissions Centre (QTAC) website can help you decide courses to apply for and tell you what subjects will be important to study. This should be used in conjunction with your 2020 Subject Selection Handbook
