

QTAC (Years 10 and 12)

[Year 10 QTAC Guides \(2025\)](#) – ALL Year 10 students and families were emailed a link to the 2025 QTAC Guide last week from Mr Hamilton. It will be very advantageous if time was made at home to familiarise students and parents/caregivers with this important document. The Guide will be a great help as students finalise their senior subject choices as it outlines what each tertiary institution requires students to study at school.

[Year 12 2023 QTAC Guides](#) – Year 12 students have been issued with their Guide in class on Wednesday. Parents can access the Guide on the College Website or via the QTAC Website. ALL students are strongly encouraged to familiarise themselves with the Guide so that they are clear on the expectations of tertiary institutions they might wish to study at from 2023. A QTAC information night has been booked for Year 12 students and parents/caregivers for 6pm on Wednesday 17 August – ALL students hoping to commence tertiary study next year should be accompanied to this event.
