

MARYMOUNT
College

Student Uniform Policy

Effective from January 2023

lifelong life-giving learning

Rationale

The Marymount College Uniform Policy is an agreed dress standard for all students attending Marymount.

The Marymount College uniform policy has been developed through a thorough consultation with parents, staff and the wider community. The policy also covers other aspects of the personal presentation of students, especially as ambassadors of the College and its name.

The Marymount College Uniform Policy applies to all students when:

- Travelling to and from school
- Engaging in school activities out of school hours, including school excursions

The Marymount College Uniform Policy aims to contribute to a safe, disciplined and supportive learning environment through:

- Ready identification of students and non-students at school
- Fostering a strong sense of belonging
- Developing mutual respect among students by minimising visible evidence of an economic or social difference
- Being sun-smart
- Being respectful of the College community and its reputation
