Marymount Makos Sports Team Sponsorship Proposal

A proud sporting history

Marymount College has a proud history as a competitive sports school on the Gold Coast.

We have many sporting teams that participate in state-wide competitions: AFL; Basketball; Cricket; Netball; Oztag, Rugby League, Rugby 7's/Union and Touch Football. These teams train outside of school hours to be able to perform at their best on the competition days.

Facilities

A full gymnasium, including a core, cardio and video analysis room is utilised by the teams, as well as our plentiful sports fields. Our indoor facility allows for one netball court or two basketball courts, in addition we have two outdoor netball and two outdoor basketball courts. Our undercover training areas allow for training regardless of weather conditions. These, together with expert coaching, help improve our student's sporting ability.

Goals

Education is the primary focus. All players must perform well in classes, both academically and attitudinally, to remain in the Sporting Teams Programs. We aim to improve the following qualities in each of our boys and girls:

- Discipline on and off the playing field
- Character development of all program members in line with the College Mission Statement
- Respect for all teachers and officials, fellow students and teammates, opposition players and spectators
- Resilience when decisions do not go the player's way, in all facets of life
- Determination for all players to always do their best
- A team mentality where the efforts of all members are valued
- Commitment to the Marymount Sporting Program - The Makos

Representative Players

The following are a selection of students who have graduated from our sporting programs to achieve great results:

- Karina Brown (NRLW Titans, QLD & Australia)
- Xavier Coates (NRL Storm, QLD & PNG)
- David Hale (AFL Kangaroos & Hawks - 3 x premiership winner)
- Candice Adams (Netball - Queensland Firebirds)

We are not a sport excellence school.

Rather we are an excellent school where highly competitive sport is coached and played.

The Mako Shark is the mascot for the Marymount College Sport program.

It was chosen due to Marymount College's association with the ocean, as well as the Mako being the sleekest and fastest shark in the sea (and one of the top five man-eaters).

Makos have no known predators and show no signs of weakness.
