Adjustment Schemes

Selection Ranks and Adjustment Factors

ATARs are calculated only on the students' actual QCE subject results, which have been scaled.

Adjustment Factors (EAS, subject adjustments, etc) are applied **after** the ATAR is calculated.

ATAR

+

Adjustment Factors

=

Applicant Selection Rank

Educational Access Scheme (EAS)

- Helps if your studies have been negatively affected by circumstances beyond your control
- Applies adjustment points to your rank to help you compete more equitably for an offer
- You can apply to EAS as part of your QTAC application
- Must include all the appropriate application forms and documentary evidence
- Different institutions award different adjustment factors so one may allow more or less adjustments than another

EAS Categories

**Home Environment
and Responsibility**

**Financial
Hardship**

**English Language

**School

**Personal Illness
or Disability**

Note: Outstanding EAS documents may stop you from receiving an offer.
If you decide not to submit documents, let us know ASAP.

Other adjustment schemes

Each institution has their own adjustments that are applied at the time of application:

- Regional schools & Rural Access Scheme
- School relationships
- Subject Schemes
- Elite athletes
- Introductory study
- Equity
- Aboriginal and Torres Strait Islander

Rural Access Scheme

Some courses offer a **Rural Access Scheme** where a certain number of places are reserved for students from Rural and Remote Backgrounds.

If you apply for a course where Rural Access Schemes are offered, you will receive a form from QTAC. This will be sent to **all** applicants.

If you **have** lived in a rural or remote location for five consecutive years or ten cumulative years at any stage in your lifetime, you can fill out the form and return this to QTAC for consideration.

If you **have not** lived in a rural or remote location you do not need to take any further action, you can disregard the form.

QCE and the ATAR – What is the difference?

QCE

Certifies learning, showing the individual has achieved a specific standard of education at senior schooling level and may be considered by employers and the general community.

For questions about the QCE, including assessment and subject results, please contact QCAA (Queensland Curriculum and Assessment Authority).

ATAR

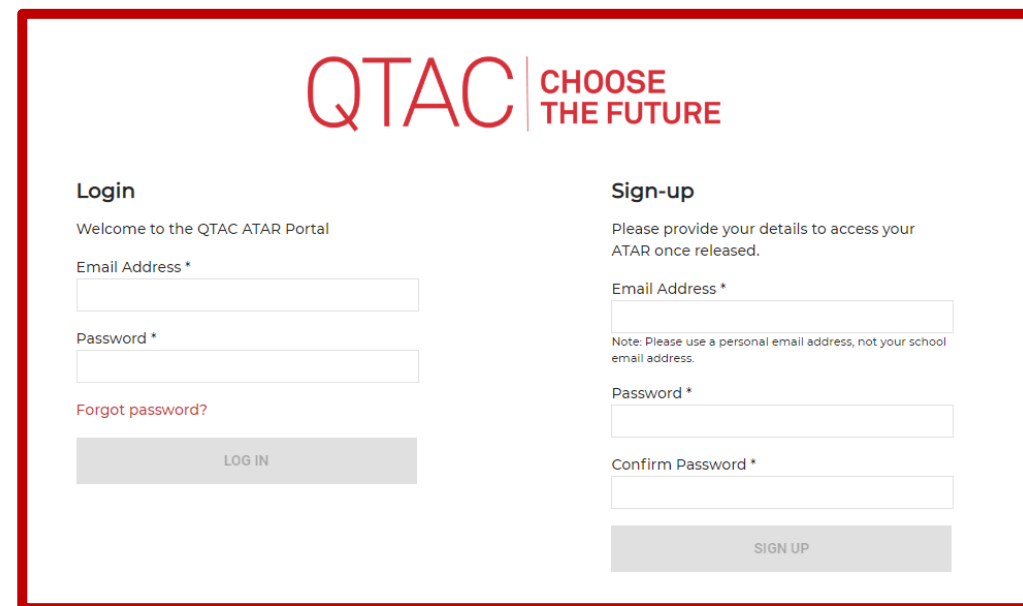

Tells us about a student's position (or ranking) compared to all other students in the state. The only intended purpose for the ATAR is to assist with selecting applicants for tertiary study.

Accessing your ATAR

- Current Queensland Year 12 students can open their ATAR account with QTAC from August
- Students who wish to study interstate also need to create an ATAR account
