Elodie Mayberry

Elodie joined the Music Department teaching staff at the beginning of 2017. During this time, she has enjoyed imparting her knowledge, experience and expertise on the Violin to students at the College on Mondays. Elodie teaches Upper Strings (violin, viola) and Lower Strings (cello, double bass).

A classically trained violinist, Elodie studied violin from the age of 12 in Melbourne before moving to the Gold Coast in the late '90s. Elodie soon began experimenting with improvisation and non-traditional genres of music and is able to play in a range of styles including classical, gypsy, folk, and blues. Elodie has now been playing violin for over thirty years and has performed in a variety of musical ensembles, including orchestras, bands and duos.

Playing professionally has led to performances at HOTA, Bond University and various music festivals, as well as several live performances on National Radio.

Elodie has a Bachelor in Creative Arts and a Bachelor in Secondary School Education.
